Weiss Technik North America, Inc. 401(k) Profit Sharing Plan
Grand Rapids, MI

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Weiss Technik North America, Inc. 401(k) Profit Sharing Plan as of and for the year ended December 31, 2020, in accordance with auditing standards generally accepted in the United States of America, we considered the Weiss Technik North America, Inc. 401(k) Profit Sharing Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 8 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Weiss Technik North America, Inc. 401(k) Profit Sharing Plan's internal control to be significant deficiencies:

Forfeitures and Vested Balances

During our testing, we noted two participants that had an error in the calculation of their vested balance. Both participants forfeited their entire match balance; however, one participant was 80% vested, and the other participant was 100% vested. Both instances resulted in underpayments.

We recommend the Plan sponsor work with ADP to distribute the additional money owed to the participants and verify the vested balances were calculated correctly on all other distributions. We also recommend the Plan Sponsor and ADP work together to implement procedures to ensure vesting is correctly determined before distributions are made to withdrawing participants.

Hardship Withdrawals

During our testing, we noted a hardship withdrawal that, net of taxes, exceeded the amount of the participant's financial need. It is the Plan Sponsor's duty to review self-certified hardships and request any documentation if there are any concerns.

We recommend the Plan Sponsor, as part of the process of reviewing self-certified hardships, verify the hardship withdrawal amount (net of taxes) will not exceed the amount of the participant's financial need.

Ineligible Compensation

During our testing, we noted 401(k) withholding and employer matching contributions were not calculated on eligible compensation per the adoption agreement.

We recommend the Plan Sponsor either update their payroll system so 401(k) withholding and employer matching contributions are calculated on eligible compensation per the adoption agreement, or amend the compensation exclusions in the adoption agreement to be consistent with how the Plan is currently operating. We also recommend the Plan Sponsor work with ADP to verify all earnings types are correctly set up in the payroll system to be in accordance with the definition of eligible compensation in the adoption agreement.

Generally accepted auditing standards require that we communicate the following items to the officers and directors at the conclusion of the audit:

- Our audit procedures included evaluating the qualitative aspects of the Plan's significant accounting practices; items such as accounting policies, accounting estimates, and financial statement disclosures. Based on our evaluation, the Plan's significant accounting practices are consistent with generally accepted accounting principles.
- There were no difficulties encountered in dealing with management while performing our audit.
- There were no significant financial statement misstatements identified in the course of the audit.
- We did not have any disagreements with management during the course of our audit.

This communication is intended solely for the information and use of management, the officers and directors, and others within the Plan, and is not intended to be and should not be used by anyone other than these specified parties.

We wish to thank your staff for their support and assistance during the audit engagement.

Sincerely,

DOLINKA, VANNOORD & COMPANY, P.L.L.P.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Weiss Technik North America, Inc. 401(k) Profit Sharing Plan, which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets Held at End of Year as of the year ended December 31, 2020, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Respectfully submitted,

DOLINKA, VANNOORD & COMPANY, P.L.L.P.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Weiss Technik North America, Inc. and GTM III Properties LLC d/b/a Weiss Technik NA – Cincinnati (together, the "Company") who are 18 years or older at the enrollment dates (January 1 and July 1). Effective October 1, 2020, the plan was amended to cover all employees who have attained one month of service as defined by the plan and are at least 18 years or older at the enrollment dates (January 1 and July 1). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective October 1, 2020, the Weiss Technik North America – Cincinnati 401(k) Plan (the "Merging Plan") was merged with the Weiss Technik North America, Inc. 401(k) Profit Sharing Plan. The Weiss Technik North America – Cincinnati 401(k) Plan was terminated pursuant to the terms of the plan, as amended, and all participant account balances were transferred directly to the merged plan. Net assets transferred into this Plan totaled \$10,364,243.

The Plan has implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") in response to the COVID-19 pandemic. Specifically, the CARES Act allowed Plan participants to withdraw up to \$100,000 due to adverse financial consequences related to COVID-19, and it allowed Plan participants to defer loan repayments due between March 27, 2020 and December 31, 2020 for up to one year.

Participant and Employer Contributions

Contributions to the Plan are made as follows:

Participants

Each year, participants may contribute up to 90% of compensation up to the statutory limit, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust fund as investment options for participants.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. There are no scheduled automatic increases due to the default deferral rate. Contributions are automatically invested in a designated balanced fund until changed by the participant. Effective October 1, 2020, the Plan was amended to increase the auto-enrollment provision deferral rate from 1% to 3% of eligible compensation.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 – DESCRIPTION OF PLAN - Continued

Participant and Employer Contributions - Continued

Employer Matching Contribution

The Company may make a discretionary matching contribution to the Plan on behalf of each participant that contributes to the Plan. For 2020 and 2019, the Weiss Technik North America, Inc. contributions were equal to 20% of the first \$2,000 of compensation that a participant contributes to the Plan. Weiss Technik NA – Cincinnati contributions were equal to 50% of the first 4% of compensation that a participant contributes to the Plan.

Employer Discretionary Profit Sharing Contribution

The Company may make a discretionary profit sharing contribution to the Plan in an amount determined by management. Discretionary profit sharing contributions are allocated on a ratio of each participant's compensation to total compensation. There was no such contribution for 2020 and 2019.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, the Company's discretionary profit sharing contribution, as well as allocations of Plan earnings, and is charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on investment earnings on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their compensation deferrals plus earnings thereon at all times. Participants are vested in employer matching and discretionary contributions according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20 %
2	40 %
3	60 %
4	80 %
5	100 %

Participants become fully vested in the Company's contributions in the event of total and permanent disability, death, attainment of retirement age during employment, or termination of the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account. The notes have various maturities and annual interest rates, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. Effective October 1, 2020, the Plan was amended to no longer allow any new notes receivable from participants.

See independent auditors' report.

NOTE 1 – DESCRIPTION OF PLAN - Continued

Payment of Benefits

Upon termination of services, a participant may elect to receive their vested interest as a lump sum payment or may choose from various other payment and annuity options. In-service and hardship distributions are permitted pursuant to the terms of the Plan.

Forfeited Accounts

At December 31, 2020 and 2019, forfeited nonvested accounts totaled \$6,907 and \$361, respectively. These accounts will be used to reduce future employer contributions. Also, in 2020 and 2019, employer contributions were reduced by \$2,852 and \$1,960, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

See independent auditors' report.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Recently Adopted Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update (“ASU”) 2018-13, *Fair Value Measurement (Topic 820) - Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. The provisions of ASU 2018-13 modify the disclosure requirements on fair value measurements in Accounting Standards Codification 820. The Plan adopted ASU 2018-13 on January 1, 2020. The adoption did not have a material impact on the financial statements and related disclosures.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Investment-related expenses are included in net appreciation in fair value of investments. Fees for administration of notes receivable from participants are included in administrative expenses and charged directly to the participant’s account.

Date of Management’s Review

Management has evaluated subsequent transactions and events through July 22, 2021, the date these financial statements were available to be issued, and has determined that no items require additional disclosure.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common Collective Trust Fund: These investments are public investment securities valued using the Net Asset Value (NAV) provided by Putnam Investments. The NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 – PLAN TERMINATION

DECEMBER 31, 2020 AND 2019

NOTE 6 – TAX STATUS

The Company has adopted ADP's prototype profit sharing plan. It has been determined to be acceptable under the Internal Revenue Code (IRC) by a letter dated July 16, 2014. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2017.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
