Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Ascensus Trust Company, the trustee of the Plan assets, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2020 and 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets (Held At End of Year), referred to as "supplemental information", as of December 31, 2020, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, is presented for the purpose of additional analysis, and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MTPCS, LLC 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

1. DESCRIPTION OF THE PLAN

The following description of the MTPCS, LLC 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan Document and Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

General

MTPCS, LLC (the "Company") established the Plan effective September 1, 2005. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan executed its Economic Growth and Tax Relief and Reconciliation Act (EGTRRA) restated Plan document on April 26, 2009. The Plan has been updated to include the amendments required for the final §415 regulations, Pension Protection Act, HEART Act and WRERA.

Effective December 31, 2011, the MTPCS, LLC 401(k) Profit Sharing Plan & Trust entered into an agreement with the Broadpoint 401(k) Plan in which all assets of the Broadpoint 401(k) Plan were transferred and assigned directly to the MTPCS, LLC 401(k) Profit Sharing Plan & Trust.

Effective July 1, 2015, the Plan was amended and restated to meet the requirements of the Pension Protection Act.

Plan Administration

The Plan is administered by the Trustees. The Trustees contract with a third-party administration firm to perform recordkeeping responsibilities and an investment consultant and advisor for investment advisory services. All funds that are contributed to the Plan are held for the benefit of the participants.

Funding Policy

The Plan is a defined contribution plan covering all employees of the Company who have attained the age of 18 and have been employed by the Company for six months. The Plan excludes collectively bargained employees and non-resident aliens. Eligible employees may enter the Plan on the first day of the month following satisfaction of the eligibility requirements. Transfers of investments from one fund to another fund are allowed daily using online accounts. Participants may direct contributions to investment funds in increments of their total contribution.

1. Employee contributions: Participant contributions are made through payroll deduction. Participants may contribute up to 100% of defined earnings, as limited by §402(g) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.
2. Employer safe harbor matching contributions: A safe harbor matching contribution will be made to eligible participants equal to 100% of elective deferrals that do not exceed 3% of compensation, plus 50% of the deferrals that exceed 3% of compensation but do not exceed 5% of compensation. The Company made safe harbor matching contributions of \$134,732 and \$148,280 for the years ended December 31, 2020 and 2019, respectively.

1. DESCRIPTION OF THE PLAN (Continued)

Funding Policy (Continued)

3. Employer discretionary contributions: The Company may make discretionary contributions in the same proportion that each participant's compensation for the Plan year compares to the total compensation for the Plan year. A participant must be employed on the last day of the Plan year and have completed 1,000 hours of service in order to receive a discretionary contribution. There were no discretionary contributions for the years ended December 31, 2020 or 2019.

Participant Accounts

Participants in the Plan have segregated accounts in the name of the trust. Each participant's account is credited with the participant's elective deferral contributions and employer contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their account balance, which includes elective deferral contributions, employer contributions, rollover contributions and actual earnings.

Forfeitures

Accounts of participants are 100% vested at all times. Therefore there were no forfeitures for the Plan years ended December 31, 2020 and 2019.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in a variety of investment options as set forth by the Plan trustees. The Plan sponsor may change investment options offered at any time, as deemed appropriate. Each participant's investment options are held in a separate account in the name of the trust for the benefit of the employee. Participants have internet access to their account information and may make allocation changes at any time.

The fund offerings are intended to provide participants with a variety of investment options over the usual range of asset classes with varying risk categories from conservative to aggressive. The prospectuses of the various funds offer detailed information on the characteristics, operations, management and expenses of the investments offered.

Payment of Benefits

On termination of service a participant may elect to receive a lump-sum amount equal to the value of his or her account. A participant may elect to only receive partial withdrawals or installments with respect to required minimum distributions, over a period of not more than the participant's assumed life expectancy. A mandatory distribution is required after termination if the account balance is less than \$5,000.

1. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits (Continued)

The Plan allows hardship and in-service distributions, for participants who have obtained the age of 59 1/2, from all deferral, employer safe harbor matching, employer profit sharing contributions and rollover accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein. Accordingly, actual results may differ from those estimates.

Investment, Valuation and Income Recognition

The Plan's investments are stated at fair market value and contract value as applicable. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Investment related administrative fees are paid by the Plan and a portion is included in net appreciation (depreciation) of the fair value of the investments. Additionally, the annual audit fee is paid from Plan assets. Participants may be charged distribution fees upon withdrawal of their accounts.

Benefit Payments

Benefits are recorded when paid.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the Plan's investment information as of December 31, 2020 and 2019, included in the Plan's financial statements and supplemental schedule, that was prepared by, or derived from information prepared by Ascensus Trust Company, the Trustee of the Plan, and furnished to Plan management. Plan management has obtained certification from the Trustee that such information is complete and accurate.

MTPCS, LLC 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (Continued)

Accordingly, as permitted under such election, the following information was not subjected to any auditing procedures performed by the independent public accountants, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule:

	December 31	
	2020	2019
Value of investment assets	\$ 8,605,078	\$ 7,836,013
Net appreciation (depreciation) of investments	989,347	1,297,639
Dividends	123,921	160,131

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - observable inputs that are based upon quoted prices for identical assets or liabilities within active markets that the Plan has the ability to access.

Level 2 - observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to make public their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2020				
Registered investment companies	\$ 8,195,160	\$ -	\$ -	\$ 8,195,160
Total investments at fair value	<u>\$ 8,195,160</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,195,160</u>
December 31, 2019				
Registered investment companies	\$ 7,419,481	\$ -	\$ -	\$ 7,419,481
Total investments at fair value	<u>\$ 7,419,481</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,419,481</u>

5. STABLE VALUE FUND

The Plan maintains a guaranteed investment contract with Wilmington Trust Retirement and Institutional Services Company for MetLife Group Annuity Contract No. 25554. MetLife maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by MetLife, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value of the investment contract at December 31, 2020 and 2019, was \$409,918 and \$416,532, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

MTPCS, LLC 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

5. STABLE VALUE FUND (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan) and (2) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract does not permit termination of the agreement prior to the scheduled maturity date.

In the event of Plan termination prior to the maturity date of the contract, if the contract's fair value equals or exceeds the guaranteed value, payment is made in an amount equal to the guaranteed value. If the contract's fair value is less than the guaranteed value, the amount paid is equal to the guaranteed value reduced by the amount of the fair value deficit.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. TAX STATUS

The Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in accordance with applicable sections of the Internal Revenue Code (IRC). Since then, the Plan has been amended, however, the Plan administrator and the Plan trustees believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

MTPCS, LLC 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan paid custodial fees from the Plan as of December 31, 2020 and 2019, of \$10,186 and \$10,404, respectively. The Plan paid investment advisory fees to LPL Financial from the Plan as of December 31, 2020 and 2019, of \$16,661 and \$18,196, respectively. The Plan paid audit fees in the amount of \$8,600 and \$8,282 for the years ended December 31, 2020 and 2019. These expenses are allocated proportionately based on the value of the account balances or as an equal dollar amount based on the number of Plan participants. The Plan permits the payment of expenses which are incurred by or attributable to an individual based on the use of a particular Plan feature to be assessed against an individual participant's account. Examples of these are loan fees, expenses related to qualified domestic relations orders (QDROs) and distributions. A portion of the fees incurred by the Plan for third party administrative services are included in net appreciation (depreciation) in the fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

The Plan Sponsor pays directly any other fees related to the Plan's operations.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, assets will be distributed to participants in proportion to their respective individual account balances.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 22, 2021, the date the financial statements were available to be issued. Management determined there were no subsequent events that required reporting in the financial statements.
