**401K SAFE, LLC MULTIPLE EMPLOYER 401(K) PLAN -
KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

July 31, 2020 and December 31, 2019

(1) Description of plan

The following description of the 401k SAFE, LLC Multiple Employer 401(k) Plan - Kennelwood Village, Inc. (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was a defined contribution plan which was adopted on January 1, 2012 to provide retirement benefits for employees of Kennelwood Village, Inc. (the "Employer"). The Plan covered substantially all employees who had completed twelve months of service and were age 21 or older ("participants"). Eligible employees could have begun participating in the Plan on the first day of each calendar quarter following when the eligibility requirements were met. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). 401k SAFE, LLC was responsible for oversight of the Plan.

On July 31, 2020, the Plan's assets were transferred to a successor plan adopted by the Employer. The participants' funds were transferred to the successor plan and thenceforth were eligible for participation in that plan.

(b) Contributions

Participants could have voluntarily made qualified retirement contributions to the Plan which were deductible for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or may have been made after-tax in the form of a Roth contribution. Participants could have also contributed amounts representing distributions from other qualified defined benefit or defined contributions plans. Participants directed the investment of their contributions into various investment options offered by the Plan.

During 2020 and 2019, the Employer made matching contributions equal to 50% of the first 4% of eligible compensation deferred by each participant.

The Plan also provided that the Employer could have contributed each year a discretionary profit sharing amount; however, such discretionary contributions by the Employer were not required. No discretionary profit sharing contributions were made by the Employer during 2020 or 2019.

Employer and participant contributions could not exceed the maximum amount deductible for income tax purposes.

KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

July 31, 2020 and December 31, 2019

(c) Participant accounts

Each participant's account was credited or charged with the participant's contributions, allocations of Employer contributions, investment earnings (losses) of the investment options reflected by the participant, and an allocation of administrative expenses. Allocations were based on participants' compensation or account balances as defined in the plan agreement. The benefit to which a participant was entitled was the benefit that could have been provided from the participant's vested account.

(d) Vesting

Participants were immediately vested in their elective salary deferral contributions plus actual earnings thereon. Vesting in the Employer's matching and discretionary profit-sharing contributions was based on years of continuous service. Participants were fully vested after two years of service.

(e) Notes receivable from participants

Participants could have borrowed from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes receivable from participants were secured by the balances in the participants' accounts and bore interest at a fixed rate ranging from 4.25% to 6.50%, which was commensurate with local prevailing rates as determined periodically by the plan administrator. Principal and interest was collected ratably through payroll deductions. Notes receivable of \$53,238 were transferred to the successor Plan.

(f) Payment of benefits

On termination of service due to death, disability, or retirement, a participant could have elected to receive either a lump sum payment equal to the value of the participant's vested interest in his or her account, or periodic installments over a fixed period of time, not to exceed the life expectancy of the participant. For termination of service due to other reasons, a participant would have been entitled to receive the value of the vested interest in his or her account as a lump sum distribution.

(g) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan agreement. These distributions were taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant was younger than age 59½. Hardship withdrawals were limited to the participant's elective account balance.

KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

July 31, 2020 and December 31, 2019

(h) Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Employer and were excluded from these financial statements. Fees incurred by the Plan for investment management services or recordkeeping were charged against the funds and reflected in the Plan's investments. Fees related to the processing of distributions were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net appreciation in fair value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

(b) Investment valuation and income recognition

Investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determined the Plan's valuation policies utilizing information provided by the investment advisers and Lincoln National Life Insurance Company ("Lincoln"). See Notes 4 and 5 for further discussion of investment values.

Purchases and sales of securities were recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants were measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants were reclassified as distributions based upon the terms of the plan agreement. Interest income was recorded on the accrual basis.

(d) Payment of benefits

Benefits were recorded when paid.

KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

July 31, 2020 and December 31, 2019

(e) Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Employer has evaluated events and transactions that occurred between July 31, 2020 and May 13, 2021, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments and notes receivable from participants reported and disclosed in the accompanying financial statements, including investments and notes receivable from participants held at July 31, 2020 and December 31, 2019, and net appreciation in the fair value of investments, and interest income on notes receivable from participants for the period from January 1, 2020 through July 31, 2020 and the year ended December 31, 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Lincoln.

(4) Investments measured at net asset value using the practical expedient

The Plan's pooled separate accounts are measured at net asset value ("NAV") as a practical expedient as of July 31, 2020 and December 31, 2019 to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

The following table summarizes investments for which fair value is measured using NAV as a practical expedient as of July 31, 2020 and December 31, 2019. There were no participant redemption restrictions for these investments.

<u>Description</u>	<u>Fair Value</u> <u>12/31/2019</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency (if</u> <u>currently eligible)</u>	<u>Redemption</u> <u>Notice Period</u>

**401K SAFE, LLC MULTIPLE EMPLOYER 401(K) PLAN -
KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

July 31, 2020 and December 31, 2019

(5) Investment contract with insurance company

The Plan entered into a guaranteed investment contract with Lincoln. The guaranteed investment contract was considered fully benefit-responsive. Lincoln maintained the Plan's contributions in a general account which was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There were no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract was \$2,047 as of December 31, 2019.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events included the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan,) (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Employer or other Employer events (for example, divestitures or spin-offs of a subsidiary) that would have caused a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The investment contract did not permit Lincoln to terminate the agreements prior to the scheduled maturity dates.

(6) Income tax status

The Plan obtained a favorable determination letter on September 8, 2013, in which the Internal Revenue Service ("IRS") stated that the Plan was in compliance with the applicable requirements of the IRC. The Plan was required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes that the Plan was designed, as amended, and was operated in compliance with the applicable provisions of the IRC and, therefore, believes that the Plan was qualified, and the related trust was tax exempt.

U.S. GAAP required plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 31, 2020 and December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

July 31, 2020 and December 31, 2019

(7) Untimely remittance of participant contributions

The Employer was required by Department of Labor regulation to remit participant contributions and notes receivable repayments as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. For certain contributions withheld from payrolls during 2020 and 2019, the funds were not remitted timely. The Employer will assess the impact of any lost earnings due to the late remittances, but no corrective action has been performed at this time.

(8) Related party and party-in-interest transactions

Plan investments were shares of pooled separate accounts and a guaranteed investment contract managed by Lincoln and, therefore, these transactions qualified as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers which also qualified as party-in-interest transactions. The Plan also held notes receivable from participants which qualified as party-in-interest transactions.
