**INNOVATIVE WATER CARE, LLC 401(k) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019**

1. DESCRIPTION OF PLAN

The following description of the Innovative Water Care, LLC 401(k) Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the official Plan document for complete information.

General

The Plan is a defined contribution employee benefit plan established on August 1, 2019. The Plan provides for tax-deferred savings contributions from participants as well as contributions from Innovative Water Care, LLC (collectively, the Company or Employer). All employees of the Company are eligible to participate, except for union employees, nonresident aliens, residents of Puerto Rico and leased employees.

The Plan was established upon the sale of the Company from Lonza America, Inc. As such, all net assets of eligible employees and participants in The Lonza U.S. Savings Plan who became employees of the Company were transferred to the Plan effective August 2019. This transfer is reflected within the statement of changes in net assets for the period August 1, 2019 to December 31, 2019 as a Plan transfer.

Contributions

Participants may elect to defer up to 50% of compensation subject to certain Internal Revenue Code (IRC) limitations. Participants may elect combinations for pre-tax deferrals or Roth after-tax deferrals in any combination up to the compensation limitations. An employee may terminate his or her election to participate at any time. Participants may also elect to make supplemental catch-up contributions, subject to IRC limitations. Employees may roll over into the Plan amounts that represent a "qualified total distribution" or a complete distribution from an individual retirement account or individual retirement annuity, as defined by the IRC and the Plan.

The Plan also includes an automatic salary deferral feature. Unless a participant elects to opt out of participation in the Plan, 6% was be automatically withheld from his/her compensation each payroll period through June 1, 2020 at which time the Plan was amended to decrease the automatic enrolment to 4%. The automatic deferral amount will increase by 2% of compensation up to a maximum of 12% of compensation through June 1, 2020 and a maximum of 10% subsequent to the Plan amendment. The increase will be applied as of the period that begins after the period in which the initial deferral amount was withheld and will occur as of the beginning of each subsequent April 1st. Employees who are part of the spin off from The Lonza US Savings Plan and were employed with the Company on August 1, 2019 are not subject to the auto enrollment feature of the Plan.

The Company adopted a safe-harbor matching formula whereby the Company matched 100% up to 6% of each participant's Plan contributions for the period August 1, 2019 to December 31, 2019 and 100% up to 4% of each participant's compensation for the year ended December 31, 2020. The Plan also allows for the Company to make discretionary profit-sharing contributions to the Plan as well. The Company did not elect to make any profit-sharing contributions to the Plan for the year ended December 31, 2020 and for the period August 1, 2019 to December 31, 2019.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019**

1. DESCRIPTION OF PLAN – CONTINUED

Participant Accounts

Individual accounts are maintained for each participant. Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contribution, the Company's contributions, and Plan earnings and charged with withdrawals and an allocation of Plan losses and an allocation of fees. Investment income is allocated to participants based upon relative balances of the individual accounts at the prior valuation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A participant's interest in Company matching contributions to his or her account is 100% vested. All other Company contributions will be 100% vested after completion of three years of service. Each participant's interest in all other accounts is at all times fully vested and nonforfeitable. Employees who were employed by Lonza America, Inc. on February 28, 2019 are not subject to the vesting schedules above.

Withdrawals and Distributions

Generally, a participant's vested account balance is payable by lump-sum distribution, between ages 59½ and 72, upon his or her retirement or disability. Upon termination of employment, the vested portion of the participant's account may be withdrawn in a lump sum or left in the Plan. If the vested amount is \$5,000 or less, a lump-sum distribution is required.

Effective April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

Notes Receivable from Participants

Participants may borrow from their vested account amounts not to exceed the lesser of 50% of the participant's balance or \$50,000. The maximum term of such loans is five years, except for a loan for the purchase of a primary residence, which has a 30-year maximum term. The loans are secured by the balance in the participant's account and bear varying rates of interest, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

The Plan also adopted the provision of the CARES Act related to notes receivable from participants. The provision allowed the Plan participants who had Plan loan repayments to defer such repayments until December 31, 2020.

Plan Administration

Reliance Trust Company serves as trustee of the Plan and Automatic Data Processing (ADP) Retirement Services serves as the recordkeeper.

1. DESCRIPTION OF PLAN – CONTINUED

Administrative Expenses

Expenses incurred in the reasonable administration of the Plan shall be paid from the Plan unless otherwise paid by the Employer. Fees paid by the Plan include recordkeeping fees and investment advisory fees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan's invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Mutual funds: Valued at quoted market prices at year end.

Common collective trust fund: Valued at net asset value (NAV) as determined by the issuer of the collective trust fund based on the fair market value of the underlying investments. There are redemption restrictions or unfunded commitments relative to the common collective trust fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation is the net unrealized and realized gains and losses reported for the year.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred.

No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to IRS deadline in the subsequent year.

3. FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820 *Fair Value Measurement*, establishes a framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENT – CONTINUED

4. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of December 31, 2020 and 2019, and for the year ended December 31, 2020 and for the period August 1, 2019 to December 31, 2019, included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from information prepared by the trustee, and furnished to the Plan administrator. 5. PARTY-IN-INTEREST TRANSACTIONS

As described in Note 1, the Plan has a number of service providers. Such parties are parties-in-interest under ERISA. Fees paid to these providers are considered party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

7. TAX STATUS

The Plan was adopted prototype plan document sponsored by ADP. ADP received an opinion letter from the IRS, dated July 16, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. The Plan and adoption agreement have been amended since receipt of the opinion letter; However, the Plan's management believed that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore; no provision for income tax was included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2019, the Company determined that certain amounts of participant deferrals were not remitted to the Plan in accordance with the DOL's rules regarding the timeliness of depositing such employee contributions, representing a nonexempt loan of funds to the Company from the Plan. The Company took remedial actions to correct the matter and remit lost earn on delinquent contributions. The lost earnings were not material to the financial statements.
