INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrative Committee of
Grocery Services, Inc. 401(k) Profit Sharing Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Grocery Services, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of May 18, 2021 and December 31, 2020, and the related statements of changes in net assets available for plan benefits for the period January 1, 2021 to May 18, 2021 and year ended December 31, 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Grocery Services, Inc. 401(k) Profit Sharing Plan's (the Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period January 1, 2021 to May 18, 2021 and as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note C to the financial statements, are complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General - The Grocery Services, Inc. 401(k) Profit Sharing Plan (the Plan) was adopted effective January 1, 1997 (restated January 1, 2018) to establish a savings and investment plan for the exclusive benefit of the employees of Grocery Services, Inc. (the Company and Plan Administrator) and their beneficiaries. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective May 1, 2021, the Plan was terminated, and the assets were subsequently merged into the Adams Keegan Retirement Savings Plan. All funds were distributed or transferred from the Plan as of May 18, 2021. (See Note F).

Basis of Presentation - The financial statements of the Plan are prepared on the accrual basis of accounting. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized when earned.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States (GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides for several investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statements of changes in net assets available for plan benefits.

Valuation of Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at fair value, net investment gain or loss is included in the carrying value of related investments in the statements of net assets available for plan benefits and the changes in the net investment gain or loss are reflected in the statements of changes in net assets available for plan benefits.

Federal Income Tax - The Plan adopted a volume submitter profit sharing plan with CODA (Volume Submitter Plan). The Volume Submitter Plan received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2014, which declared that the Volume Submitter Plan qualifies under section 401(a) of the Internal Revenue Code (IRC) as being exempt from income taxes. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and believes that the Plan was qualified and was tax exempt as of the financial statement date.

The Plan believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of May 18, 2021, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2018 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statements of changes in net assets available for plan benefits.

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events - The Plan has evaluated subsequent events through August 20, 2021, the date the financial statements were available to be issued. No subsequent events occurred which require adjustment or disclosure to the financial statements at December 31, 2020.

NOTE B PLAN DESCRIPTION

The following description of the Plan provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Participation - The Plan is a defined contribution plan covering employees of the Company who have attained age eighteen or older and have completed twelve consecutive months of services with entry on the first day of each quarter.

Contributions - Participants may elect to make contributions to the Plan in an annual amount ranging from 1% to 100% of their eligible compensation. Eligible compensation in 2021 and 2020 is limited to $290,000 and $285,000, respectively. Contributions are made through authorized payroll reductions. These contributions by individual employees were limited to $19,500 (participants under 50 years of age) and $26,000 (participants 50 years of age or older) in both 2021 and 2020. This limitation is adjusted periodically to reflect cost-of-living increases.

Participants may elect to have any portion of their contributions designated Roth contributions, subject to the same restrictions and limitations under the Plan as pre-tax contributions.

For the 2021 and 2020 Plan years, the Company elected to make a safe harbor matching contribution equal to 100% of each eligible employee's compensation up to 6%.

During 2020, the Company elected to make a discretionary profit sharing contribution equal to 3% of compensation to non-highly compensated eligible employees of the Company who were not contributing during 2020 and 2.40% of compensation to non-highly compensated eligible employees of the Company who were contributing during 2020. The Company also elected to make a discretionary profit sharing contribution of 7% of compensation paid to Highly Compensated employees of the Company. An eligible employee is qualified for the discretionary profit sharing contribution regardless of their participation in the Plan if they are employed at year end. No such contribution was made for 2021.

The 2021 safe harbor matching contribution was funded to the Plan in May 2021 prior to the transfer of assets noted in Note F. The 2020 safe harbor matching and discretionary profit sharing contributions were remitted to the Plan in 2021.

Vesting - Prior to April 30, 2021, participants are immediately vested in all employee and safe harbor employer matching contributions plus actual earnings thereon. Vesting in discretionary profit sharing contributions plus allocated earnings (less any losses) is based on years of services with participants becoming 20% vested after two years of services and fully vested after six years or upon death, permanent disability, or normal retirement age. As of April 30, 2021, all accounts in the Plan are 100% vested.

NOTE B PLAN DESCRIPTION (CONTINUED)

Form of Benefits - Benefits are recorded when paid. On termination of service, a participant with a vested benefit greater than $5,000 may elect to leave the funds in the Plan, or request either a direct rollover into an IRA or other qualified plan which accepts direct rollovers, or receive a lump sum amount. For participants with a vested benefit less than $5,000, a participant will receive the benefits only in a lump sum as soon as administratively practicable after the time of termination.

Forfeitures - Forfeited employer profit sharing contributions and the related earnings will be used to reduce future employer contributions, if not used to pay Plan expenses. Forfeitures of $20,593 were used to offset employer contributions for the year ended December 31, 2020. The amount of forfeitures available to offset future employer contributions or pay Plan expenses at May 18, 2021 and December 31, 2020 was $0 and $20,593, respectively.

Investments - Each participant directs the investment of their account into any of the investment options designated by the Plan Administrator. Each participant is credited with the participant's contribution, the Company's contribution, and a pro rata share of the earnings of each fund in which the participant has invested.

Administration - The Company, as the Plan Administrator, may, at its discretion, pay the Plan's administrative expenses. Any Plan expenses not paid by the Company will be paid by the Plan.

NOTE C INVESTMENTS AND CERTIFIED INFORMATION

The pooled separate accounts held and recorded at fair value at May 18, 2021 and December 31, 2020 are certified by John Hancock Life Insurance Company (John Hancock).

Income as certified by John Hancock for the period January 1, 2021 to May 18, 2021 and for the year ended December 31, 2020 is as follows:

	May 18, 2021	December 31, 2020
Net investment gain from pooled separate accounts	$ 118,803	$ 266,127

John Hancock has also certified the information contained in the supplemental schedule of assets (held at end of year).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D FAIR VALUE DISCLOSURES

GAAP provides a framework for measuring fair value using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value based upon whether the inputs to those valuation techniques are observable or unobservable. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical financial instruments and the lowest priority to unobservable inputs. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These inputs are summarized in the three broad levels listed below:

Level 1 - Unadjusted quoted prices for identical financial instruments in active markets that the Plan has the ability to access.

Level 2 - Other significant observable inputs (including quoted prices in active and inactive markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the financial instruments. Pooled separate accounts are valued using Level 2 inputs.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the financial instruments. The fair value of Level 3 financial instruments is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation technique used for investments measured at fair value. There have been no changes in the technique used during 2021 or 2020.

Pooled separate accounts are valued based on the market value of the underlying investments.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation technique is appropriate and consistent with other market participants, the use of different techniques or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no significant transfers in and/or out of the fair value categories during 2021 or 2020.

NOTE E PARTY-IN-INTEREST

The Plan invests in various funds offered by John Hancock. These investments are considered party-in-interest transactions because John Hancock serves as asset custodian of the Plan. The Plan Administrator has approved of these investment options.

NOTE F TRANSFER OF PLAN ASSETS

In May 2021, the Grocery Services, Inc. 401(k) Profit Sharing Plan merged all accounts into the Adams Keegan Retirement Savings Plan. A summary of the transferred net assets at May 18, 2021 is as follows:

Investments, at fair value	$ 2,093,477
Cash	17,320
Net assets transferred	$ 2,110,797
