COMMUNITY ACTION ORGANIZATION OF SCIOTO COUNTY
403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Community Action Organization of Scioto County 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) plan established by Community Action Organization of Scioto County (the Organization and Employer), covering all employees. Employees of the Organization are eligible to enter into the Plan on their date of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may voluntarily contribute amounts up to certain limitations subject to the Internal Revenue Code (IRC or Code). Participants who have attained age 50 can make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. In addition, the Employer, at its discretion, may make additional contributions to the Plan. Only management employees covered by a collective bargaining agreement (i.e. employees that work at least 40 hours per week) are eligible to receive the Employer contributions. Contributions from the Employer are allocated based upon compensation as defined by the Plan for eligible participants for the Plan year. There were no additional discretionary contributions into the Plan for the year ended December 31, 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contributions. Participant's accounts may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, compensation or account balances, as defined. The Plan's investments are participant-directed and allocations of plan earnings are based upon the performance of the investment funds chosen by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their voluntary contributions and employer discretionary contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the vested balance in the participant's account. Participants may have up to two notes outstanding at a time. The interest rate is set at 1 percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination, normal retirement at age 65, attaining age 59 ½, death or permanent disability, a participant may receive the vested value of his or her account. Distributions may be made in a lump sum payment, or in installment payments not to exceed the life expectancy of the participant. Upon the death of a participant, the beneficiary shall be entitled to the full value of the account. Hardship withdrawals are permitted in accordance with the Internal Revenue Service (IRS) guidelines.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting principles and practices of the Plan are set forth to facilitate the understanding of data presented in the financial statements:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). See Note 8 for discussion of fair value measurements.

COMMUNITY ACTION ORGANIZATION OF SCIOTO COUNTY
403(B) PLAN

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2020 and 2019

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a distribution based on the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Administrative Expenses

Certain administrative expenses are paid by the Employer and are excluded from these financial statements. Fees for other administrative transactions are charged directly to the participant's account.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Voya Retirement Insurance and Annuity Company, the custodian of the Plan, has certified to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, the schedule of assets (held at end of year) at December 31, 2020, and the related investment income information reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

NOTE 4 – GUARANTEED INTEREST ACCOUNT

The Plan participates in traditional fully benefit-responsive investment contracts with Voya Retirement Insurance and Annuity Company (Voya), the custodian of the Plan. Voya maintains the contributions in general accounts. The accounts are credited with earnings, based on the daily balance and the interest rate in effect, and charged for participant withdrawals and administrative expenses. The guaranteed investment contracts issuer is contractually obligated to repay the principal and minimum interest rates for the Voya Fixed Plus Account II A and the Voya Fixed Plus Account II of 1% and 1.5%, respectively, which are guaranteed to the Plan. The contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply.

COMMUNITY ACTION ORGANIZATION OF SCIOTO COUNTY
403(B) PLAN

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2020 and 2019

The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 – INCOME TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2017, received from the Internal Revenue Service (IRS) on the volume submitter plan indicating that the volume submitter plan, as then designed, is qualified under Section 403(b) of the IRC and is therefore, not subject to tax under current income tax law. The Organization believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – FAIR VALUE OF FINANCIAL INSTRUMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

COMMUNITY ACTION ORGANIZATION OF SCIOTO COUNTY
403(B) PLAN

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2020 and 2019

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2020 and 2019.

- *Pooled separate accounts:* Pooled separate accounts are held in investment contracts with the custodian and are invested according to the stated objectives of the various accounts. The principal is not guaranteed. The pooled separate accounts are valued at the net asset value (NAV), which is based on the market value of its underlying investments. Participant transactions (purchases and sales) may occur daily. The investment objectives of the accounts include the preservation of capital, to attain certain growth or income, or to balance performance levels based on different tolerance levels of risk. The separate accounts are not restricted in regard to distributions.

COMMUNITY ACTION ORGANIZATION OF SCIOTO COUNTY
403(B) PLAN

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2020 and 2019

Due to a change in management's interpretation of the guidance under ASC 820 during 2020, investments measured at NAV are now classified in the fair value hierarchy because these investments are considered to have readily determinable fair value. The NAV of pooled separate accounts are considered determinable and published to current and prospective investors and are the basis for current transactions. In prior filings, management applied the practical expedient in accordance with Subtopic 820-10, which allows certain investments without readily determinable fair value to be measured at NAV per share (or its equivalent) as a practical expedient and excludes these investments from the fair value hierarchy. This change is only a change in the classification of the related investments. There have been no changes in the inputs or valuation methodologies used to calculate the NAV of the assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2020 and 2019:

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	<u>\$ -</u>	<u>\$ 5,541,240</u>	<u>\$ -</u>	<u>\$ 5,541,240</u>

Pooled separate accounts	<u>\$ -</u>	<u>\$ 5,279,665</u>	<u>\$ -</u>	<u>\$ 5,279,665</u>

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Voya, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

NOTE 10 – UNCERTAINTY RELATED TO COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, the federal government and many state and local jurisdictions in the U.S. have declared states of emergency. It is anticipated that these impacts will continue for some time. There has been no immediate impact to the Organization's operations. Future potential impacts may include stock market volatility and disruptions or restrictions on the ability of employees of the Organization to work. The future effects of these issues are unknown.

NOTE 11 – SUBSEQUENT EVENTS

Events that occur after the Statement of Net Assets Available for Benefits date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the Statement of Net Assets Available for Benefits date are recognized in the accompanying financial statements. Subsequent events, which provide evidence about conditions that existed after the Statement of Net Assets Available for Benefits date, require disclosure in the accompanying notes. Management evaluated the activity of the Plan through August 19, 2021 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the Financial Statements or disclosure in the Notes to the Financial Statements.
