## **Independent Auditor's Report**

To the Plan Administrator  
Firelands Regional Medical Center  
403(b) Plan

### **Report on the Financial Statements**

We were engaged to audit the accompanying financial statements of Firelands Regional Medical Center 403(b) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020 and 2019 and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the *Basis for Disclaimer of Opinion* paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### ***Basis for Disclaimer of Opinion***

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Charles Schwab Trust Bank (Charles Schwab), except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Charles Schwab holds certain of the Plan's investment assets and executes certain investment transactions. The plan administrator has obtained certifications from Charles Schwab as of December 31, 2020 and 2019 and for the year ended December 31, 2020 that the information provided to the plan administrator is complete and accurate.

As described in Note 3, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions is not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements. The Plan has not maintained sufficient accounting records and supporting documents relating to these annuity and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficiently to determine the extent to which the financial statements may have been affected by these conditions.

***Disclaimer of Opinion***

Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Other Matter***

The supplemental schedule of assets held at end of year as of December 31, 2020 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraphs, we do not express an opinion on this supplemental schedule.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the supplemental schedule.

### Note 1 - Plan Description

The following description of Firelands Regional Medical Center 403(b) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all eligible employees of Firelands Regional Medical Center (the "Plan Sponsor" or the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended on January 1, 2019 to exclude contributions from participants eligible for and contributing to the Firelands Regional Medical Center 401(k) Plan.

#### **Contributions**

Contributions to the Plan are invested, as directed by the participants, in any one or more investment alternatives. The Plan provides for employee salary deferrals subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

Effective January 1, 2019, the Plan was amended to update the automatic deferral percentage for eligible employees to 4 percent of eligible compensation, with an automatic increase in deferrals of 1 percent per year, up to 10 percent of eligible compensation.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

#### **Vesting**

Participants are immediately 100 percent vested in employee salary and rollover contributions and any income or loss thereon.

#### **Payment of Benefits**

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

In accordance with the Coronavirus Aid, Relief, and Economic Security Act, between March and December 31, 2020, eligible participants could request a coronavirus-related distribution (CRD) of up to \$100,000 from their participant accounts without being subject to the Internal Revenue Service 10 percent early distribution tax. Participants may elect to repay some or all of their CRD within three years.

#### **Party-in-interest Transactions**

Certain plan assets are in investment funds managed by Charles Schwab Trust Bank (Charles Schwab) and Standard Insurance Company (Standard). Charles Schwab is the trustee of the Plan, and Standard is the Plan's record-keeper; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

**December 31, 2020 and 2019**

**Note 1 - Plan Description (Continued)**

***Termination***

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA.

**Note 2 - Summary of Significant Accounting Policies**

***Investment Valuation***

The Plan's investments are stated at fair value except as noted below.

The fully benefit-responsive guaranteed investment contract is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

***Benefit Payments***

Benefits are recorded when paid.

***Administrative Expenses***

Various administrative costs are paid by the Plan Sponsor.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

***Subsequent Events***

The financial statements and related disclosures include evaluation of events up through and including August 10, 2021, which is the date the financial statements were available to be issued.

**Note 3 - Excluded Investments**

The Plan has excluded from investments, in the accompanying statement of net assets available for benefits as of December 31, 2020 and 2019, certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

December 31, 2020 and 2019

#### **Note 4 - Unaudited Information**

Charles Schwab Trust Bank (the "Trustee") holds certain of the Plan's investments and executes certain related transactions (see Note 3). The investment balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Trustee.

#### **Note 5 - Tax Status**

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2017. The Plan has not individually sought its own determination letter.

#### **Note 6 - Fair Value Measurements**

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

The Plan has excluded certain assets from the statement of net assets available for benefits at December 31, 2020 and 2019 (see Note 3). The following presents information about the included plan assets measured at fair value on a recurring basis at December 31, 2020 and 2019:

##### **Level 1**

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

##### **Level 2**

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

##### **Level 3**

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The Plan's assets measured at fair value consist of all mutual funds, which are classified as Level 1 investments.

**December 31, 2020 and 2019**

**Note 7 - Guaranteed Investment Contract**

The Plan has a benefit-responsive investment contract with Standard Insurance Company. Standard maintains the contributions in an investment fund, the Standard Stable Asset Fund. The investment fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is intended to provide the Plan with the ability to purchase annuities and make benefit payments in accordance with plan documents. Standard is contractually liable for the sum of balances credited to the investment fund, plus any earnings accrued but not yet credited, less any fees that have been accrued but not yet paid, and less any market value adjustment. The investment fund's interest rate is based on a formula developed by the issuer. Such interest rate is reviewed on a quarterly basis for resetting and will not be less than the minimum guaranteed interest rate of 1 percent. Withdrawals from the investment fund can be made as benefit withdrawals (participant initiated) or contract owner withdrawals by the Plan.

Currently, there are no events that indicate a limitation on the ability of the Plan to transact at contract value with Standard.

The guaranteed investment contract permits the insurance company to terminate the contract if the following occurs:

- The contract value of the contract is less than the terminated amount.
- The insurance company determines that the Plan or administration of the Plan is not in conformity with applicable law.
- The insurance company receives notice of plan termination.

Per the terms of the guaranteed investment contract, termination can be initiated by either party upon election and notice. As of the termination effective date, deposits will no longer be accepted, and the investment fund will be adjusted for earnings, gains, and losses as long as the assets remain in the investment fund. The disposition of funds will be made either as a single payment, installment payments, or a distribution of the benefits, as determined by the Plan. Prior to such distributions, the plan administrator must certify that the withdrawals will be applied for the exclusive benefit of participants and their beneficiaries under terms of the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement for that portion of the net assets attributable to the guaranteed investment contract. Participants may direct the withdrawal or transfer of all or a portion of their investments at contract value.
