Plan Description

The following description of the Kemba Credit Union (the Company) Profit Sharing 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible hourly and salary employees of the Company, as defined by the Plan. Employees become eligible to participate in the employee portion of the Plan upon completion of 90 days of service. For the employer portion of the plan, employees become eligible to participate upon reaching 1,000 hours of service within a 12-month time period and are age 21 or older. Participants may enter the Plan at the beginning of the quarter following attainment of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100% of eligible compensation, as defined in the plan agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company provides a mandatory safe harbor matching contribution equal to 100% of each participant's contribution up to a maximum of 5% of compensation. The Plan also provides for a discretionary profit sharing contribution as determined by the Company. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (i) the Company's contribution and (ii) the Plan's earnings and, if applicable, charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined by the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Description (continued)

Vesting

Participants are vested immediately in their contributions and the employer safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on continuous years of service according to the following vesting schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser 50% of the participant's vested account balance or $50,000. The loans are secured by the balance in the participant's account and bear interest at a rate based on the current market rate, as determined by the Plan administrator, at the time of the loan application. At December 31, 2020, the interest rates on participant loans ranged from 3.05% to 3.25%. Principal and interest are paid ratably through payroll deductions. Loan repayment terms are not to exceed five years, unless the loan will be used by the participant to acquire the participant's principal residence.

Payment of Benefits

Upon termination of service due to death, disability, termination of employment or retirement, a participant (or their beneficiary in case of death) may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, a life annuity, a term certain annuity with payments guaranteed for 20 years, or a joint and survivor annuity. If the participant's vested account balance is greater than $1,000, but less than $5,000, the account balance will be automatically distributed to an individual retirement account unless the participant elects to receive the distributions directly or to have the distribution paid to another eligible retirement plan. If the participant's balance does not equal or exceed $1,000 upon termination, the balance will be paid in a single lump-sum distribution.

Plan Description (continued)

CARES Act

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security (CARES) Act." The CARES Act, among other things, included several relief provisions to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions for 2020:

- Emergency coronavirus distributions up to $100,000
- Loan repayments suspension and extension of loan term up to one year
- Loan limit was increased to $100,000 for loans made from March 27, 2020 through September 22, 2020
- Suspension of Required Minimum Distributions for 2020

Forfeited Accounts

At December 31, 2020 and 2019, forfeited non-vested accounts totaled $3,246 and $586, respectively. Forfeitures are used to reduce employer contributions or to pay administrative expenses of the plan. Forfeitures totaling $5,272 and $4,884 were used to reduce plan expenses during 2020 and 2019, respectively.

Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the *Fair Value Measurements* footnote herein.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Company pays for certain plan administrative expenses. The Company provides the Plan with certain accounting and administrative services for which no fee is charged.

Information Prepared and Certified by Custodian (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, the following information included in the accompanying financial statements and supplemental schedule was obtained from data that was prepared and certified as complete and accurate by Voya Retirement Insurance and Annuity Company (Voya), the custodian of the Plan.

	2020	2019
Guaranteed investment contract	**$ 3,668,958**	$ 3,831,015
Pooled separate accounts	**12,156,132**	9,611,520
Notes receivable from participants	**181,748**	147,393
Total	**$ 16,006,838**	$ 13,589,928

The custodian also certified the completeness and accuracy of the following related to the aforementioned assets for the years ended December 31:

	2020	2019
Net appreciation in fair value of investments	**$ 1,758,226**	$ 1,907,696
Interest and dividend income	**100,264**	109,092

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

Level 1	Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
Level 2	Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
Level 3	Inputs are significant unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Guaranteed Investment Contracts:	Valued at fair value by Voya by crediting interest at a minimum rate to cost, plus market value adjustments.
Pooled Separate Accounts:	Valued at the fair value of the underlying investments reported by Voya.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Guaranteed investment contracts	**$ -**	**$ 3,668,958**	**$ -**	**$ 3,668,958**
Pooled separate accounts	**-**	**12,156,132**	**-**	**12,156,132**
Total assets at fair value	**$ -**	**$ 15,825,090**	**$ -**	**$ 15,825,090**

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Guaranteed investment contracts	$ -	$ 3,831,015	$ -	$ 3,831,015
Pooled separate accounts	-	9,611,520	-	9,611,520
Total assets at fair value	$ -	$ 13,442,535	$ -	$ 13,442,535

Group Investment Contracts with Insurance Company

The Plan entered into guaranteed investment contracts with Voya. Voya maintains the contributions in an unallocated fund to which it added interest at a rate of 1.05% for 2020 and 1.10% for 2019 for the Voya Fixed Account A Fund. The interest rate is reset quarterly. The Plan also holds the Voya Fixed Account Fund that has a guaranteed return of 3%. The contracts do not have a maturity date and continue in force until all assets have been distributed or no further payments are due. A contract holder may request a lump sum distribution. The contracts restrict the amount of participant-directed exchanges.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Tax Status

The Company adopted a Prototype Non-Standardized Profit Sharing Plan with a Cash or Deferral Arrangement that received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2014, which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Tax Status (continued)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts and a guaranteed investment contracts managed by the custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative expenses amounted to $9,595 and $8,029 for the years ended December 31, 2020 and 2019, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amount reported in the accompanying 2020 statement of net assets available for benefits.

Subsequent Events – Date of Management's Review

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued.
