Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Taj Hotels Retirement Savings Program

Report on financial statements

We were engaged to audit the accompanying financial statements of Taj Hotels Retirement Savings Program ("the Plan"), which comprise the statement of net assets available for benefits as of December 31, 2019 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for disclaimer of opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules ("DOL") and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Wells Fargo Bank, N.A. ("Wells Fargo"), the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental information. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certification from the trustee as of and for the year ended December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

PARTNERS BEYOND BOUNDARIES

Other matter

The supplemental schedule of assets as of December 31, 2019 and schedule of delinquent participant contributions for the year ended December 31, 2019, which are the responsibility of the plan management are presented for the purpose of additional analysis and are not a required part of the financial statements, but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above

Other matter – financial statements for the year ended December 31, 2018

The financial statements of the Plan as of and for the year ended December 31, 2018, were audited by a predecessor auditor. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 11, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on form and content in compliance with DOL rules and regulations

The form and content of the information included in the financial statements and supplemental information, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Taj Hotels Retirement Savings Program ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full time, non-union employees of United Overseas Holdings, Inc. (the "Sponsor"), International Hotel Management Services, Inc. ("IHMS"), IHMS, LLC ("Pierre Hotel"), and IHMS (SF) LLC ("Taj SF") (collectively, the "Adopting Employers"). The Plan is a qualified salary deferral plan under the provisions of the Internal Revenue Code ("IRC") sections 401(a) and 401(k). The Plan is subject to the applicable regulations of the Employee Retirement Income Security Act of 1974 (ERISA) and the IRC.

Eligibility

All full time, non-union employees of the Adopting Employers are eligible for Plan participation and may enter the Plan upon fulfilment of 90 days of employment.

An employee who has satisfied the eligibility requirements may enter the Plan on the first day of the month coinciding with or following the date which he or she satisfies such requirements.

Assets Held for Investment

All Plan assets are held with Wells Fargo Bank, N.A. ("Wells Fargo"), the trustee of the Plan. Among other duties, Wells Fargo is responsible for the custody of the Plan assets and for the payment of benefits to eligible participants. Plan contributions are invested in certain funds offered by the Plan, as designated by the Plan participants.

Investment Options

Upon enrolment in the Plan, a participant may direct contributions in any of the investment options offered by the Plan. There is no limit to how often a participant may change their investment options.
Participants should refer to each funds' prospectus for a more complete description of the risks associated with each fund.

Contributions

Participants may elect to have a percentage or specified dollar amount deducted from their eligible compensation as defined by the Plan on a pre-tax basis. Eligible compensation for elective deferrals is defined as an employee's W-2 compensation (including deferrals). Bonuses are excludable compensation as defined by the Plan. A participant can contribute up to 50% of pre-tax annual compensation, as defined by the Plan, up to the annual limit as determined by the IRC. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Adopting Employers. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Adopting Employers contribute an employer match contribution equal to 100% of an employee's elective deferrals not to exceed 3% of the employee's eligible salary. Catch-up contributions are not matched by the Adopting Employers.

NOTE 1: DESCRIPTION OF PLAN (continued)

Rollover contributions are comprised of distributions made to the participants from their account balances with their former employers' qualified plans and transferred to the Plan.

Participant Accounts

A separate account is maintained for each participant, which is credited with the participant's contribution and allocations of (a) the Adopting Employers' contributions and, (b) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Upon entrance into the Plan, participants are 100 percent vested in their voluntary contributions. The matching contributions provided by the Adopting Employers vest 50 percent after one year of service and 100 percent after two years of service.

Forfeitures

Forfeitures of terminated participants' non-vested accounts serve to reduce the Adopting Employers' employer contributions or Plan expenses. The balance of the forfeited nonvested accounts amounts to $1,124 and $187 as of December 31, 2019 and 2018, respectively. During 2019 and 2018, no forfeitures in the non-vested account were used to offset employer contributions and/or reduce administrative expenses.

Payment of Benefits

Benefits are paid upon retirement (age 65), death, disability, or termination of employment. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant may apply to the Plan Administrator for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary educational expenses for the participant or their dependents, medical expenses to the extent not otherwise reimbursed under the Adopting Employers' medical programs, expenses for the purchase of a principal residence or material alterations thereto, payments to prevent eviction from or foreclosure on a principal residence and burial or funeral expenses for the participant's parent, spouse, children or dependents.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor and the Adopting Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination participants would become 100% vested with the Adopting Employers' contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. These loans are secured by the balance in the participant's account and bear interest as determined at the time of the loan origination. Principal and interest is paid ratably through monthly payroll deductions over a period of time not to exceed five years. If the proceeds are used to construct or rehabilitate a participant's principal residence, the Plan Administrator may permit a longer repayment term. Principal and interest repaid is reinvested based on the participant's present investment allocation selection. The interest rate for all outstanding loans ranged from 5.25% to 7.25% at December 31, 2019 and 2018.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP"), using the accrual basis of accounting, which recognizes revenue when it is earned and expenses as they are incurred.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the reported amounts of additions and deductions to net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

Cash and cash equivalents include cash and highly liquid investments that are readily convertible into cash and have maturities of ninety days or less when purchased.

Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

The Plan follows US GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses

With the exception of the Plan's record-keeping fees and expenses related to the notes receivable from participants (loan setup and loan maintenance fees) which are charged to the individual participant's account, all other administrative expenses incurred by the Plan are paid by the Adopting Employers.

The administrative fees comprise:

	Year ended	
	December 31, 2019	**December 31, 2018**
Contract administrator fees	20,433	21,232
Investment advisory fees	26,927	33,328
Sub transfer agency fees	13,294	8,762
Recordkeeping fees	9099	8,846
Trustee custodian fees	3,000	-
Total	**72,753**	**72,168**

Uncertainty in Income Taxes

The Plan recognizes the effect of tax positions only if those positions are more likely-than- not to be sustained upon examination by the taxing authorities. As of December 31, 2019, Plan management has determined that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

As of December 31, 2019, the Plan's Form 5500 filings for all tax years since December 31, 2015 remain open to examination by the Internal Revenue Service ("IRS"). There are currently no examinations in progress.

NOTE 3: INFORMATION CERTIFIED BY TRUSTEE *(UNAUDITED)*

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Wells Fargo has certified to the completeness and accuracy of all the investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018, and the supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2019, and the related investment and notes receivable from participants activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2019 and 2018

NOTE 4: INVESTMENTS

A schedule of the fair value or contract value, wherever applicable, of individual investments that comprised 5% or more of the Plan's assets available for benefits at December 31, 2019 and December 31, 2018 is as follows:

	2019		2018

During 2019 and 2018, the Plan's investments (including gains and loss on investments bought, sold, and held during the year) appreciated (depreciated) in value as follows:

	2019	2018
Net gain (loss) on mutual funds	2,088,997	(137,088)
Gain (loss) from common/collective trusts	1,090,228	(607,229)

NOTE 5: FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Units held in common/collective trusts (CCT) are valued using the NAV practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair

value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.
The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

	December 31, 2019				
Description	Quoted in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Others*	Total amount $

Total investments	**9,548,933**	**54,388**	**-**	**5,877,583**	**15,480,904**

*In accordance with Accounting Standard Codification ("ASC") Topic 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 7: TAX STATUS

The Plan's prototype plan document preparer has obtained an opinion letter dated March 31, 2014 from the IRS stating that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified, and the related trust was tax-exempt as of the financial statement date.

NOTE 8: PARTY–IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Wells Fargo. Wells Fargo is the Trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA. The Plan's management approved these investment options. ERISA considers the recordkeeping fees and participant loan expenses paid to Wells Fargo to be party-in-interest transactions.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Adopting Employers, who may be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. The Plan's exposure to credit losses in the event of non-performance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended December 31, 2019, net appreciation in the fair value of investments totaled $ 3,179,225 and net depreciation for the year ended December 31, 2018, totaled $ 744,317. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

NOTE 10: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2019 through October 10, 2020, the date the financial statements are issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.

Plan management has adopted certain relief provisions included in the CARES Act; however, its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain. The Plan will formally be amended by the end of the 2022 plan year.
