REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the plan administrator of the
NAI Hiffman 401(k) Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the NAI Hiffman 401(k) Plan (the Plan), which comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2020 and 2019, the related Statement of Changes in Net Assets Available for Plan Benefits for the Year Ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Reliance Trust Company, the Trustee of the Plan, and Transamerica Life Insurance Company, the Insurer of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Trustee and Insurer hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the Trustee and Insurer as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the plan administrator by the Trustee and the Insurer is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with the Department of Labor's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee and Insurer, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Plan Description

The following description of the NAI Hiffman 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

a. General

The Plan, originally effective January 1, 2001, and restated January 1, 2016, is a defined contribution plan covering all employees of NAI Hiffman Asset Management LLC (the Company) who have obtained the age of 21 and completed three months of service, excluding union employees, employees acquired as a Code Section 410(b)(6)(C) transaction, and seasonal, temporary, or part-time employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Participants may contribute up to 50 percent of annual compensation in pre-tax or Roth contributions, as defined in the plan document and allowed by law. Participants are also allowed to make rollover contributions of amounts received from other qualified plans. The Plan provides for automatic election of participant contributions at a rate of 5 percent of compensation. Participants may affirmatively elect a different contribution percentage or elect not to defer into the Plan. Unless affirmatively elected otherwise, the deferral elections of automatically enrolled participants will be increased by 1 percent of compensation annually, not to exceed 10 percent of compensation. Company contributions are discretionary. Company contributions during 2020 totaled $119,324.

c. Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, if applicable, and the Plan's earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct their account balance into various investment options offered by the Plan.

d. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants become 20 percent vested upon completing two years of service and vest an additional 20 percent each year thereafter until they are 100 percent vested after six years of service.

e. Distribution of Benefits

Upon termination of employment due to termination of service, death, disability, or retirement, participants may elect to receive the value of their vested account balance in a lump sum, installment, or partial withdrawal distribution. Participants may also take a financial hardship withdrawal under certain circumstances.

f. Notes Receivable from Participants

Participants may borrow the lesser of $50,000 (reduced by the participant's highest outstanding loan balance during the 12-month period ending on the date of the loan) or 50 percent of their vested account balance with a minimum loan amount of $1,000. Loan terms range up to five years, but may be extended if the proceeds are to be used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25 to 6.50 percent. Principal and interest are paid ratably through payroll deductions.

g. Forfeitures

At December 31, 2020 and 2019, forfeited non-vested accounts totaled $7,399 and $2,144, respectively. These accounts may be used to reduce future company contributions and pay plan expenses.

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Except as noted below, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value, also referred to as book value, is equal to total contributions allocated to the investment, less withdrawals and expenses, plus accrued interest.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net realized and unrealized appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Certain administrative expenses incidental to the administration of the Plan, including fees of the administrative agent and independent public accountants, may be paid by the Plan. The Company, at its discretion, may decide to pay for certain of these administrative expenses on behalf of the Plan. Most investment options have management fees, which reduce the overall return on assets. The net realized and unrealized appreciation in fair value of investments is reflected net of these fees.

g. Subsequent Events

The Plan has evaluated the subsequent events through May 26, 2021, the date the financial statements were available to be issued.

3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Additionally, on March 11, 2020, the World Health Organization recognized the spread of the coronavirus disease 2019 (COVID-19) as a pandemic. The impacts of the COVID-19 pandemic have been pervasive across the economy and created substantial volatility in financial markets. The situation continues to develop rapidly and considerable uncertainty remains with respect to potential outcomes. On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" became law. The CARES Act contains various provisions impacting qualified retirement plans and their participants. These provisions may be adopted by plans immediately while implementing amendments at a later date. These provisions include relief from the 10 percent withdrawal penalty for participants under the age of 59.5 years for coronavirus-related distributions, as defined in the law, of up to $100,000 per participant; higher limits on the amount of new loans participants may request and temporary relief from loan repayments on existing loans; and relief from required minimum distributions for retirement age participants. Whether or which of these provisions will be adopted by the Plan and when the plan documents will be amended for such is an ongoing development and not fully determinate at the time of the issuance of these financial statements.

4. Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Fair Value Measurement (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019.

Assets at Fair Value as of December 31, 2020

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,099,494	$ -	$ -	$ 6,099,494
Investments, at fair value	$ 6,099,494	$ -	$ -	$ 6,099,494

Assets at Fair Value as of December 31, 2019

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,946,730	$ -	$ -	$ 4,946,730
Investments, at fair value	$ 4,946,730	$ -	$ -	$ 4,946,730

5. Plan Termination

The Company has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become immediately 100 percent vested in their accounts.

6. Summary of Unaudited Information

The Trustee and Insurer of the Plan certified certain information, which was not audited in accordance with the plan administrator's instructions and as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information certified by the Trustee and Insurer consists of the following:

- Fair value and contract value of investments and the carrying amount of notes receivable from participants as reflected in the Statements of Net Assets Available for Plan Benefits as of December 31, 2020 and 2019.
- Investment income and interest income on notes receivable from participants as reflected in the Statement of Changes in Net Assets Available for Plan Benefits for the Year Ended December 31, 2020.
- Investment information as reflected in Note 4 to these financial statements.
- Investment information reflected in the Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2020.

The Plan's independent public accountants did not perform auditing procedures with respect to the above information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

7. Fully Benefit-Responsive Contract with Insurance Company

Effective October 18, 2019, the Plan entered into a fully benefit-responsive investment contract with Transamerica Life Insurance Company. Transamerica Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the investment contract.

Contract value, as reported to the Plan by Transamerica Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

8. Tax Exempt Status

The Company has adopted a volume submitter plan document subject to a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended, the Company routinely self-reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plan Compliance Resolution System. Accordingly, the plan administrator believes that the Plan and related trust are designed in accordance with applicable sections of the IRC and, accordingly, are exempt from income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for plan years ending on December 31, 2016, or prior.

9. Party-in-Interest Transactions

Reliance Trust Company and Transamerica Life Insurance Company are the Trustee and the Insurer of the Plan, respectively, and hold and manage investments. Transactions with Reliance Trust Company and Transamerica Life Insurance Company are party-in-interest transactions, as defined by ERISA.

10. Reconciliation to Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500 at December 31, 2020 and 2019.

	2020	2019
