Those Charged With Governance
Abrisa Industrial Glass, Inc. 401(k) Profit Sharing Plan & Trust
Santa Paula, California

Professional standards require that we communicate matters related to our audit of the financial statements of Abrisa Industrial Glass, Inc. 401(k) Profit Sharing Plan & Trust ("the Plan") that we consider significant and relevant to the responsibilities of Those Charged with Governance in overseeing the financial reporting process. Those Charged with Governance includes the person(s) with responsibility for overseeing the strategic direction of and obligations related to the accountability of the Plan. We cover such matters below.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole.

AUDITOR'S RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA

You should understand that the auditor is responsible for forming and expressing an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America and that the audit of the financial statements does not relieve you of your responsibilities and does not relieve management of their responsibilities. Refer to our engagement letter with the Plan for further information on the responsibilities of management and Crowe LLP.

PLANNED SCOPE AND TIMING OF THE AUDIT

We are to communicate an overview of the planned scope and timing of the audit. Accordingly, we communicated the following matters regarding the planned scope and timing of the audit with you.

- How we proposed to address the significant risks of material misstatement, whether due to fraud or error.
- Our approach to internal control relevant to the audit.
- The concept of materiality in planning and executing the audit, focusing on the factors considered rather than on specific thresholds or amounts.
- Where the entity has an internal audit function, the extent to which the auditor will use the work of internal audit, and how the external and internal auditors can best work together.
- Your views and knowledge about matters you consider warrant our attention during the audit, as well as your views on:

- The allocation of responsibilities between you and management.
- The entity's objectives and strategies, and the related business risks that may result in material misstatements.
- Significant communications with regulators.
- Other matters you believe are relevant to the audit of the financial statements.

SIGNIFICANT ACCOUNTING POLICIES AND MANAGEMENT JUDGMENTS AND ACCOUNTING ESTIMATES

Significant Accounting Policies: Those Charged with Governance should be informed of the initial selection of and changes in significant accounting policies or their application. Also, Those Charged with Governance should be aware of methods used to account for significant unusual transactions and the effect of significant accounting policies in controversial or emerging areas where there is a lack of authoritative consensus. We believe management has the primary responsibility to inform Those Charged with Governance about such matters. There were no such accounting changes or significant policies requiring communication.

Accounting Standard	Impact of Adoption
Significant Unusual Transactions.	No such matters noted
Significant Accounting Policies in Controversial or Emerging Areas.	No such matters noted

Management Judgments and Accounting Estimates: Further, accounting estimates are an integral part of the financial statements prepared by management and are based upon management's current judgments. These judgments are based upon knowledge and experience about past and current events and assumptions about future events. Certain estimates are particularly sensitive because of their significance and because of the possibility that future events affecting them may differ markedly from management's current judgments and may be subject to significant change in the near term.

The process used by management in formulating particularly sensitive accounting estimates and the primary basis for our conclusions regarding the reasonableness of those estimates primarily involved the following areas for this year:

Significant Accounting Estimate	Process Used by Management	Basis for Our Conclusions
Fair Values of Investments Not Subject to Our Audit Procedures	The recording of investments at fair value requires management to use certain assumptions and estimates pertaining to the fair value of its investments.	As disclosed in the notes to the Plan financial statements, the fair values of substantially all investments were certified pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and were not subject to our audit procedures, based upon the terms of our limited-scope audit engagement.

Significant Accounting Estimate	Process Used by Management	Basis for Our Conclusions
Classification of Investment Securities Within the Fair Value Hierarchy	FASB ASC 820- Fair Value Measurements and Disclosures requires the reporting of investments by classification level within a fair value hierarchy.	We reviewed the documentation maintained by management and performed procedures to test the reasonableness of management's judgments and accounting estimates related to the classification levels of investments within the fair value hierarchy as defined by FASB ASC 820- Fair Value Measurements and Disclosures.
Income Tax Status of Plan	The Plan has not yet received a determination letter (or a new determination letter reflecting recent plan amendments) from the Internal Revenue Service stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (Code) and that the related trust is exempt from federal income taxes. However, management believes the Plan is designed and is being operated in compliance with the applicable requirements of the Code in order to be qualified and tax-exempt.	During our audit, we became aware of no significant design or operational deficiencies which would likely prevent the Plan from being qualified or the related trust from being tax-exempt under the Code.

AUDITOR'S JUDGMENTS ABOUT QUALITATIVE ASPECTS OF SIGNIFICANT ACCOUNTING PRACTICES

We are to discuss with you our comments about the following matters related to the Plan's accounting policies and financial statement disclosures. Accordingly, these matters will be discussed during our meeting with you, as applicable.

- The appropriateness of the accounting policies to the particular circumstances of the Plan, considering the need to balance the cost of providing information with the likely benefit to users of the Plan's financial statements.
- The overall neutrality, consistency, and clarity of the disclosures in the financial statements.
