Independent Auditor's Report

To the Plan Administrator of
Ball Metalpack, LLC 401(k) Retirement Savings Plan
Broomfield, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of Ball Metalpack, LLC 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements as of December 31, 2020.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2020 Supplemental Schedules Required by ERISA

The 2020 supplemental schedules of assets (held at end of year) as of December 31, 2020 and schedule of delinquent participant contributions for the year ended December 31, 2020 are presented for purposes of additional analysis and are not a required part of the 2020 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2019 Financial Statements

The 2019 financial statements of the Ball Metalpack, LLC 401(k) Retirement Savings Plan were audited by ACM LLP, whose partners and professional staff joined BDO USA, LLP as of August 1, 2020, and has subsequently ceased operations. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their audit report, dated September 30, 2020, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, they did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report

To the Plan Administrator of
Ball Metalpack, LLC 401(k) Retirement Savings Plan
Broomfield, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of Ball Metalpack, LLC 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements as of December 31, 2020.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2020 Supplemental Schedules Required by ERISA

The 2020 supplemental schedules of assets (held at end of year) as of December 31, 2020 and schedule of delinquent participant contributions for the year ended December 31, 2020 are presented for purposes of additional analysis and are not a required part of the 2020 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2019 Financial Statements

The 2019 financial statements of the Ball Metalpack, LLC 401(k) Retirement Savings Plan were audited by ACM LLP, whose partners and professional staff joined BDO USA, LLP as of August 1, 2020, and has subsequently ceased operations. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their audit report, dated September 30, 2020, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, they did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Plan Description

The following brief description of the Ball Metalpack, LLC 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan was adopted by Ball Metalpack, LLC, and participating employers Ball Metal Foods Container Oakdale LLC, Ball Aerosol and Specialty Container, Inc. (collectively, the "Company" or "Employer") effective December 31, 2018 and was most recently restated effective January 1, 2020. The Plan is a defined contribution plan covering eligible employees of the Company. Effective January 1, 2020, the Plan was amended to remove Ball Metal Foods Container Oakdale LLC and Ball Aerosol and Specialty Container, Inc. as participating employers. The Plan was established under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Trustee and Administration of the Plan

The trustee of the Plan is Vanguard Fiduciary Trust Company ("Vanguard"). Vanguard is also the recordkeeper of the Plan. The administrator of the Plan is the Company. Vanguard holds all assets of the Plan in accordance with the provisions of the trust agreement and service provider contract with the Company. The Company and investment advisor determine the appropriateness of the Plan's investment offerings and monitors performance.

CARES Act Provisions

On March 27, 2020, the Coronavirus Aid, Relieve, and Economic Securities Act ("CARES Act") was passed into law. The CARES Act expanded the ability of certain 401(k) plan participants to withdraw, penalty free, funds from their vested retirement plan accounts up to $100,000, increased the participant loan limit to $100,000, and delayed loan repayments for up to one year, subject to the certain participant eligibility criteria. The Plan adopted the provisions of the CARES Act and will subsequently amend the Plan to incorporate these provisions.

Eligibility

The Plan covers substantially all employees of the Company that have reached the age of 18. Non-resident aliens, leased employees, and part-time, temporary, or seasonal employees whose scheduled service is less than 1,000 hours of service in a year are not eligible to participate in the Plan. Newly eligible employees are automatically enrolled in the Plan at a pre-tax deferral rate of 6 percent of eligible compensation, unless they make an affirmative election to defer at a different rate. Participant deferrals are automatically increased by 1 percent every March, to a maximum of 15 percent. Participants may elect out of the automatic increase or change the maximum automatic increase at any time.

Participant Contributions

Eligible participants may contribute on a pre-tax or after-tax Roth basis up to 75 percent of their qualifying annual compensation, as elected in their salary deferral agreements. Deferral contributions (pre-tax and after-tax Roth) are subject to certain Internal Revenue Code ("IRC") limitations. The Plan also allows catch-up contributions for participants age of 50 or older subject to certain IRC limitations.

Salary deferral agreements shall be made, terminated, or changed according to procedures and limitations set up by the Plan administrator and the Plan Document. Participants may change their contribution percentages at any time. A participant may cease making pre-tax and after-tax Roth contributions at any time.

Employer Contributions

The Company generally makes a matching contribution each pay period that is based on the percentage of eligible pay that the participant contributes. The Company matching contribution and the ratio of the Company matching contribution to the participant contribution differs depending on the employee group in which the participant belongs. The Plan includes matching provisions in accordance with the provisions of the applicable union contracts.

The Company makes additional Company contributions for some employee groups covered by union contracts. Generally, these contributions are made each pay period and are based on the eligible hours worked by the employee during the pay period or eligible compensation paid during that pay period and are governed by the applicable union contracts.

Non-union employees that were employed by Ball Corporation or an affiliated employer of Ball Corporation who were continuously employed by Ball Metalpack, LLC or a participating employer for the entire Plan year ending on December 31, 2019 received a Special Profit-Sharing Contribution. The Special Profit-Sharing Contribution was a percent of eligible compensation based on the employee group. The Special Profit Sharing Contribution is not available for participants after December 31, 2019.

Rollover Contributions

Rollover contributions transferred from other qualified retirement plans or from Individual Retirement Accounts ("IRA") are accepted as permitted by the Plan Document.

Participant Accounts and Investment Options

Each participant's account is credited with the participant's deferral, rollover, and Company contributions; an allocation of net plan earnings or losses; and charged with an allocation of expenses paid by the Plan. The investment earnings or losses are allocated to each participant's account in the proportion that the balance of each participant's account bears to the total balance of all participants in each investment option.

Participants may direct the investment of their account balances into various investment options offered by the Plan. The Plan offers a menu of mutual funds and a stable value collective investment trust. Participants may make investment option changes at any time. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Participant Notes Receivable

Participants are permitted to borrow from their accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50 percent of their vested interest in the Plan. Participants may only have one outstanding note at any given time. Notes bear a reasonable rate of interest, which is fixed through the term of the note. The maximum note term is five years unless used for the purchase of a principal residence, which can be for a longer term. The notes are subject to certain restrictions, as defined by the Plan Document, and applicable restrictions under the IRC. Notes held by the Plan bear an interest rate between 4.25 percent and 6.50 percent at December 31, 2020.

Vesting

Participants are immediately 100 percent vested in their deferral, rollover and Company contributions, and the allocated earnings thereon.

Forfeitures

Forfeitures may be used to offset future employer contributions. As of December 31, 2020 and 2019, and for the year ended December 31, 2020, forfeited amounts were de minimis.

Benefit Payments

A participant's vested interest in the Plan is payable upon death, attainment of normal retirement age (65), becoming disabled, as defined, or termination of service. Upon termination of service, a participant may elect to receive either a lump-sum amount, installments or leave the account in the Plan until they meet the minimum required distribution age or rollover the vested balance to another qualified plan or IRA. For terminated participants whose account balance is less than $1,000, a lump-sum cash distribution will be made if the participant does not elect to rollover the balance to another qualified plan or IRA. For terminated participants whose account balance is greater than $1,000 but less than $5,000, the account balance will be rolled over into an IRA in the name of the participant if the participant does not elect another form of distribution. In-service distributions, including hardship withdrawals and withdrawals at age 59 ½, are also allowed by the Plan if certain criteria are met.

Plan Termination

Although the Company has not expressed any intent to discontinue the Plan, it may do so at any time. In the event of termination of the Plan, the assets of the Plan and shall be distributed to the participants in proportion to their respective account balances.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value as further described in Note 4, *Fair Value Measurements and Disclosures*. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisor.

Purchases and sales are recorded on a trade-date basis. Interest income (loss) is recorded on the accrual basis. Dividend income and capital gains are recorded on the ex-dividend date. The net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses (in the form of an expense ratio) charged to the Plan for investments in the mutual funds and a collective investment trust are deducted from income earned on a daily basis and reflected as a reduction of investment return for such investments.

Contributions

Employee contributions and related Company contributions, if any, are recorded in the period payroll deductions are made. Special Profit-Sharing contributions are recorded in the period the eligible compensation which the contribution is based on was paid to the participant. There were no Special Profit-Sharing contributions for the year ended December 31, 2020.

Notes Receivable from Participants

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit loss has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan balance to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Plan pays for certain loan and distribution transaction fees, investment advisory and recordkeeping fees that are charged directly to the participant's account and are included in administrative expenses. Plan recordkeeping fees are paid as part of the expense ratios – the cost of running the fund, expressed as a percentage of the fund's assets, as of the most recent fund prospectus – charged by the Plan investments. The annual plan recordkeeping fee of $64 per participant is paid by Plan participants via an automatic quarterly deduction.

3. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Accordingly, Vanguard, a qualified institution, has certified the following information included in the accompanying financial statements and supplemental schedule as complete and accurate:

- Investments and notes receivable from participants as reported in the Statements of Net Assets Available for Plan Benefits as of December 31, 2020 and 2019;

- Net investment income and interest earned on notes receivable from participants as reported in the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2020;

- Investment Information included in the Notes to the Financial Statements and in Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – December 31, 2020.

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

4. Fair Value Measurements and Disclosures

Accounting Standards Codification ("ASC") 820, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust: The Vanguard Retirement Savings Trust III is a collective investment trust that is composed entirely of the Vanguard Retirement Savings Master Trust and is valued at NAV as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the fund, the issuer reserves the right to require a 12-month notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31, 2020 and 2019:

December 31, 2020	Level 1	Level 2	Level 3	Total
Mutual funds	**$ 152,923,283**	**$ -**	**$ -**	**$152,923,283**
Total assets in the fair value hierarchy	**$ 152,923,283**	**$ -**	**$ -**	**152,923,283**
Investments measured at net asset value (a)				**9,162,281**
Total investments at fair value				**$162,085,564**

December 31, 2019	Level 1	Level 2	Level 3	Total
Mutual funds	$ 138,137,787	$ -	$ -	$ 138,137,787
Total assets in the fair value hierarchy	$ 138,137,787	$ -	$ -	138,137,787
Investments measured at net asset value (a)				7,402,897
Total investments at fair value				$ 145,540,684

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020 and 2019. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment Type	*Fair Value - December 31, 2020*	*Fair Value - December 31, 2019*	*Unfunded Commitments*	*Redemption Frequency*	*Redemption Notice Period*
Collective Investment Trust	**$ 9,162,281**	$ 7,402,897	None	Daily	Up to 12 months

5. Related Party and Party-In-Interest Transactions

Certain Plan investments are managed by Vanguard. Vanguard is the recordkeeper and trustee as defined by the Plan. Administrative fees of $140,921 were paid from the Plan to Vanguard during the year ended December 31, 2020. Vanguard may also receive other indirect fees. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. Certain other fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. The above transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

6. Income Tax Status

The Plan adopted a volume submitter plan and trust document sponsored by Vanguard Fiduciary Trust Company. The sponsor of the volume submitter plan received an advisory letter from the IRS dated March 31, 2014, stating that the volume submitter plan is qualified under the applicable sections of the IRC. The Plan administrator believes that the Plan, as amended, is designed and being currently operated in compliance with the applicable sections of the IRC. Accordingly, no income taxes have been accrued in the accompanying financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

7. Concentrations, Risks and Uncertainties

The Plan provides for various investments in mutual funds and a collective investment trust. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Additionally, the value, liquidity and related income of the investments are sensitive to changes in economic conditions, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates. Due to the level of risk associated with certain investments and the level of uncertainty related to the changes in the value of investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The COVID-19 outbreak was declared a worldwide pandemic on March 11, 2020 by the World Health Organization ("WHO"). The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. However, because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan cannot be reasonably estimated at this time.

At December 31, 2020 and 2019, there were two and four investments, respectively, which individually represented more than 10 percent of investments held. Refer to the accompanying supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for a complete listing of investments held at December 31, 2020.

8. Delinquent Participant Contributions

During the year ended December 31, 2020 and 2019, the Company failed to timely remit participant contributions and loan repayments to the Plan in the amount of $1,767 and $751,064, respectively. The Company calculated the lost earnings and corrected all late remittances in 2020 and 2021. See the supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions.

9. Subsequent Events

The Company has evaluated subsequent events through August 31, 2021 which is the date the financial statements were available to be issued. There were no events or transactions discovered during the evaluation that require recognition or disclosure in the financial statements.
