Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the Merritt Woodwork 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Profac, Inc. DBA Merritt Woodwork (the Company, Plan Administrator, and Plan Sponsor) who have completed 60 consecutive days of service and are not union employees or nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), passed in December 2019, and the Coronavirus Aid, Relief, and Economic Security Acts (the CARES Act), passed in March 2020, allowed certain eligible individuals to receive coronavirus-related distributions and relief of loan repayment, suspended required distributions, and delayed the commencement date for required minimum distributions. Effective April 3, 2020, the Plan was amended to permit these coronavirus related distributions and loans.

Contributions

Participants may elect to defer up to 100% of their compensation as defined by the Plan either on a pre-tax or after-tax basis. The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. The Plan provides for a discretionary employer matching contribution to eligible participants, which was 100% of the first 2% of compensation plus 50% of the next 2% of compensation that a participant contributed to the Plan for the year ended December 31, 2020. The Plan also provides for a discretionary employer profit sharing contribution for participants employed on the last day of the Plan year. No discretionary employer profit sharing contributions were made for the year ended December 31, 2020. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions and profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in the Company's discretionary matching contributions and profit sharing contributions after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the participant's highest outstanding loan balance during the previous twelve months or 50% of their vested account balances, subject to certain Department of Labor and IRS requirements. Notes receivable terms range from 1 - 5 years or longer for the purchase of a primary residence. Notes receivable are secured by the vested balance in the participants' accounts and bear interest at the prime rate plus 1.00%, which ranged from 4.25% to 6.50% at December 31, 2020. Principal and interest are paid ratably through bi-weekly payroll deductions. Effective April 1, 2019, the Plan allows active participants to have two outstanding loans that may be made from any of the participant's vested accounts in the Plan.

Payment of Benefits

Upon attaining age 59½ or upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested account. If the value of the vested benefits credited to the participant's account is \$5,000 or less at the time of termination, the entire amount will be automatically distributed to the participant without the participant's consent.

Effective April 1, 2019, active participants may make hardship withdrawals from any fully vested participant accounts, subject to Plan provisions. A participant who receives a distribution on account of hardship is prohibited from making deferrals for six months after receipt of the distribution.

Effective April 3, 2020, participants may request coronavirus-related hardship distributions from the Plan in accordance with the CARES Act.

Forfeited Accounts

Forfeitures may be used to reduce Company contributions or to pay administrative expenses. Unallocated forfeiture balances as of December 31, 2020 and 2019 were \$3,413 and \$3,018, respectively. Forfeitures in the amount of \$3,519 were used to fund qualified non-elective contributions for the year ended December 31, 2020.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note D for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant and employer contributions are recorded and credited to each participant's account when received by the custodian from the Company. Any contributions attributable to the Plan year but not received by the custodian by the last day of the Plan year are recorded as a receivable.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Company adopted a volume submitter 401(k) profit sharing plan with cash or deferred arrangement which received an opinion letter from the IRS dated March 31, 2014, stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the Code and therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through July 27, 2021, the date which the financial statements were available to be issued.

NOTE C - CERTIFICATION

Investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2020 and 2019, and net appreciation in the fair value of investments and interest income for the year ended December 31, 2020 were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the custodian.

MERRITT WOODWORK 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE D - FAIR VALUE MEASUREMENTS

As of December 31, 2020 and 2019 the fair value of pooled separate accounts was \$4,803,927 and \$4,561,687, respectively. Following is a description of the valuation methodology used for pooled separate accounts measured at fair value. There have been no changes in the methodology used as of December 31, 2020 and 2019.

Pooled separate accounts (See Note E) are valued at the net asset values of shares held by the Plan at year end. The net asset values, as provided by the custodian, are used as a practical expedient to estimate fair values. The net asset values are based on quoted market prices of the underlying investments, net of insurance company fees and expenses less their liabilities. This practical expedient is not used when it is determined to be probable that the accounts will sell the investments for amounts different than the reported net asset values.

The method described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

NOTE E - POOLED SEPARATE ACCOUNTS

The Plan has investments in Voya Retirement Insurance and Annuity Company's (VRIAC) pooled separate accounts. There are no restrictions on transfers or withdrawals from these accounts. The investment strategies of pooled separate accounts with a balance in excess of 5% of total assets as of December 31, 2020 are as follows:

Voya Index Solution 2025, 2030, 2035, and 2040 Portfolio - Class Z seek to provide total returns consistent with asset allocations targeted at retirement by investing at least 80% of their net assets in a combination of underlying funds which are passively managed index funds.

NOTE F - GUARANTEED INVESTMENT CONTRACT

The Plan has a traditional guaranteed investment contract with VRIAC totaling \$201,820 and \$72,226 at December 31, 2020 and 2019, respectively. Contributions from the Plan are maintained in VRIAC's general account. Under the contract, the Plan owns a promise by the issuer to pay interest at crediting rates which are announced in advance and declared on an annual basis.

MERRITT WOODWORK 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE F - GUARANTEED INVESTMENT CONTRACT (CONTINUED)

This contract meets the fully benefit-responsive investment contract criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value as reported to the Plan by VRIAC represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balances at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations to the Plan may be affected by future economic and regulatory development.

The Plan Sponsor may terminate the contract at any time with a 90 day notice. If the Plan Sponsor terminates the contract, a market value adjustment may apply. Plan level transactions are subject to a restriction of 20% of the unallocated balance within the account as of January 1 of the calendar year. VRIAC may terminate the contract at any time after 5 years from the date the contract became effective, which was October 26, 2016, with notice of 90 days. The Plan Sponsor does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

MERRITT WOODWORK 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE I - TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest transactions include the investment in the funds of VRIAC, and related interest, and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

VRIAC provides certain administrative services to the Plan. VRIAC received revenue for these services at crediting rates per investment ranging from 0.64% to 1.69% of the funds' balance as of December 31, 2020. These fees reduce the rate of return credited to the Plan for these investments and are netted within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE J - DELINQUENT PARTICIPANT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the Company is required to segregate participant contributions to the Plan from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages.

During 2019, the Company did not timely remit participant contributions of \$385. The delinquent contributions and lost earnings for this late remittance were remitted to the Plan in February 2020.
