Independent Auditors' Report

To the Plan Administrator of
MII Associates' Retirement Savings 401(k) Plan
Chesterfield, Missouri

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of MII Associates' Retirement Savings 401(k) Plan, (the "Plan") which comprise the statements of net assets available for plan benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes C and D, which was certified by Wells Fargo Bank, N. A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2020 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MII Associates' Retirement Savings 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

A. DESCRIPTION OF PLAN

The following description of the MII Associates' Retirement Savings 401(k) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan covering all eligible employees of MiTek USA, Inc. (the "Company") and affiliated entities, which are members of a controlled group of corporations which includes MiTek USA, Inc. Employees, excluding union employees, certain nonresident aliens, leased employees, reclassified employees, and certain individuals (as described below) of Benson Industries Inc., are eligible to participate upon meeting eligibility provisions of the Plan. Employees become eligible upon attainment of 21 years of age and after completing 90 days of service. Eligible employees may enter the Plan on the first entry date following the date requirements have been met. Entry dates are the first day of each month. The Plan was established by the Company on January 1, 1987 for the exclusive benefit of its employees and beneficiaries and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contractors, consultants, and employees of Benson Industries Inc. who are compensated on an hourly basis, paid on a weekly schedule and whose principal place of businesses are assembly locations in Pennsylvania, Arizona or Oregon are excluded from the Plan.

Contributions

Each year, participants may elect to contribute up to 100% eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

This Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation that will increase by 1% each Plan year until the amount withheld reaches 5% of eligible compensation and their contributions invested in a designated target date fund until changed by the participant.

The Company will make a safe harbor matching contribution to the Plan equal to 100% of the first 3% and 50% of the next 2% of eligible compensation that a participant contributes to the plan, not to exceed 4% of the participant's eligible compensation. The Company may also make discretionary employer contributions, which will be determined based upon eligible compensation plus eligible compensation in excess of 66% of the Social Security Taxable Wage Base bears to the total compensation plus excess compensation of all eligible participants. The Company made discretionary contributions of \$9,337,549 and \$8,537,087 for the years ended December 31, 2020 and 2019, respectively. Contributions are subject to certain IRS limitations.

A. **DESCRIPTION OF PLAN** (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of the Company's discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. The Plan provides for vesting of the Company's discretionary contributions at a rate of 20% per year starting with the second year of service and becoming fully vested at six years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Loans are allowed to be repaid over terms up to 5 years. Loans for the purchase of an employee's primary residence are allowed to be repaid over terms up to 10 years. Interest rates on loans are based on the prime interest rate plus 1 percentage point determined at the time the loan is initiated. Principal and interest is paid ratably through payroll withholdings. A participant is limited to two loans outstanding at any one time and there is a required 12 month wait between loan requests.

Payment of benefits

On termination of service, death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Withdrawals made prior to age 59 ½ will incur an additional 10% tax penalty during the year in which they are withdrawn.

The Plan allows hardship withdrawals in the event the monies are required to pay a) expenses for medical care for an employee, employee's spouse, or dependents, b) costs directly related to the purchase of an employee's principal residence, c) tuition, related education fees, and room and board expenses for the next 12 months of post-secondary education for an employee, employee's spouse, children, or other dependents, d) amounts necessary to prevent eviction from principal residence or foreclosure on the mortgage of principal residence, e) payments for burial expenses for deceased parent, spouse, children, or dependents, or f) expenses for the repair of damage to principal residence that would qualify for the casualty loss deduction. In-service distributions can only be made from accounts which are 100% vested.

A. **DESCRIPTION OF PLAN** (Continued)

Forfeited Accounts

At December 31, 2020 and 2019, forfeited non-vested accounts totaled \$358,883 and \$345,609, respectively. These accounts will be used to reduce future employer contributions.

B. **SUMMARY OF ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through July 9, 2021 the date the financial statements were available to be issued.

C. FAIR VALUE OF MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at the fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Cash and cash equivalents: Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash, with original maturities of three months or less.

Common collective trusts: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The common collective trusts held by the Plan are deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

D. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net of appreciation in fair value of investments, interest and dividends for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Wells Fargo Bank, N. A.

The Plan's investments are held by bank-administered trust funds. Financial information relating to those investments is included in the accompanying financial statements based on information provided by the trustee. That information has not been examined by independent auditors.

E. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Wells Fargo Bank, N. A. Wells Fargo Bank N. A. is the plan record-keeper as defined by the Plan and, therefore, the investment transactions with Wells Fargo Bank, N. A. qualify as party-in-interest transactions.

F. TRANSFERS INTO THE PLAN

In January 2017, Mitek USA Inc. acquired Wrightsoft Corporation. Effective January 2, 2019, the Company approved to terminate the Wrightsoft Corporation 401(k) Plan and Trust. All participants in the Wrightsoft Corporation 401(k) Plan and Trust became 100 percent vested in that plan upon termination. An aggregate of \$2,460,951, including loans of \$28,685, was transferred into the Plan during the year ended December 31, 2019. There were no transfers into the plan during the year ended December 31, 2020.

G. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of participants to benefits accrued to the date of termination will be non-forfeitable.

H. TAX STATUS OF PLAN

The Internal Revenue Service has determined and informed the Company by a letter dated April 6, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

I. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS

(Continued)

J. ECONOMIC UNCERTAINTY

As the spread of the COVID-19 coronavirus continues worldwide, economic uncertainties have arisen that are likely to negatively impact the Company's financial results. The ultimate impact will depend on future developments, which are highly uncertain and cannot be predicted, including the scope and duration of the pandemic and actions taken by governmental and nongovernmental authorities in response to the pandemic.

While the scope, duration, and full effects of COVID-19 are rapidly evolving and not fully known, the pandemic and related efforts to contain it have disrupted global economic activity, adversely affected the functioning of financial markets, lowered equity market valuations, impacted interest rates, increased economic and market uncertainty, and disrupted trade and supply chains. If these effects continue for a prolonged period or result in sustained economic stress or recession, such effects could have a material adverse impact on the Company and the Plan.

Independent Auditors' Report

To the Plan Administrator of
MII Associates' Retirement Savings 401(k) Plan
Chesterfield, Missouri

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of MII Associates' Retirement Savings 401(k) Plan, (the "Plan") which comprise the statements of net assets available for plan benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes C and D, which was certified by Wells Fargo Bank, N. A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2020 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MII Associates' Retirement Savings 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

A. DESCRIPTION OF PLAN

The following description of the MII Associates' Retirement Savings 401(k) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan covering all eligible employees of MiTek USA, Inc. (the "Company") and affiliated entities, which are members of a controlled group of corporations which includes MiTek USA, Inc. Employees, excluding union employees, certain nonresident aliens, leased employees, reclassified employees, and certain individuals (as described below) of Benson Industries Inc., are eligible to participate upon meeting eligibility provisions of the Plan. Employees become eligible upon attainment of 21 years of age and after completing 90 days of service. Eligible employees may enter the Plan on the first entry date following the date requirements have been met. Entry dates are the first day of each month. The Plan was established by the Company on January 1, 1987 for the exclusive benefit of its employees and beneficiaries and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contractors, consultants, and employees of Benson Industries Inc. who are compensated on an hourly basis, paid on a weekly schedule and whose principal place of businesses are assembly locations in Pennsylvania, Arizona or Oregon are excluded from the Plan.

Contributions

Each year, participants may elect to contribute up to 100% eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

This Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation that will increase by 1% each Plan year until the amount withheld reaches 5% of eligible compensation and their contributions invested in a designated target date fund until changed by the participant.

The Company will make a safe harbor matching contribution to the Plan equal to 100% of the first 3% and 50% of the next 2% of eligible compensation that a participant contributes to the plan, not to exceed 4% of the participant's eligible compensation. The Company may also make discretionary employer contributions, which will be determined based upon eligible compensation plus eligible compensation in excess of 66% of the Social Security Taxable Wage Base bears to the total compensation plus excess compensation of all eligible participants. The Company made discretionary contributions of \$9,337,549 and \$8,537,087 for the years ended December 31, 2020 and 2019, respectively. Contributions are subject to certain IRS limitations.

A. **DESCRIPTION OF PLAN** (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of the Company's discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. The Plan provides for vesting of the Company's discretionary contributions at a rate of 20% per year starting with the second year of service and becoming fully vested at six years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Loans are allowed to be repaid over terms up to 5 years. Loans for the purchase of an employee's primary residence are allowed to be repaid over terms up to 10 years. Interest rates on loans are based on the prime interest rate plus 1 percentage point determined at the time the loan is initiated. Principal and interest is paid ratably through payroll withholdings. A participant is limited to two loans outstanding at any one time and there is a required 12 month wait between loan requests.

Payment of benefits

On termination of service, death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Withdrawals made prior to age 59 ½ will incur an additional 10% tax penalty during the year in which they are withdrawn.

The Plan allows hardship withdrawals in the event the monies are required to pay a) expenses for medical care for an employee, employee's spouse, or dependents, b) costs directly related to the purchase of an employee's principal residence, c) tuition, related education fees, and room and board expenses for the next 12 months of post-secondary education for an employee, employee's spouse, children, or other dependents, d) amounts necessary to prevent eviction from principal residence or foreclosure on the mortgage of principal residence, e) payments for burial expenses for deceased parent, spouse, children, or dependents, or f) expenses for the repair of damage to principal residence that would qualify for the casualty loss deduction. In-service distributions can only be made from accounts which are 100% vested.

A. **DESCRIPTION OF PLAN** (Continued)

Forfeited Accounts

At December 31, 2020 and 2019, forfeited non-vested accounts totaled \$358,883 and \$345,609, respectively. These accounts will be used to reduce future employer contributions.

B. **SUMMARY OF ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through July 9, 2021 the date the financial statements were available to be issued.

C. FAIR VALUE OF MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at the fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Cash and cash equivalents: Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash, with original maturities of three months or less.

Common collective trusts: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The common collective trusts held by the Plan are deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

C. **FAIR VALUE OF MEASUREMENTS** (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

D. **CERTIFIED INVESTMENTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net of appreciation in fair value of investments, interest and dividends for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Wells Fargo Bank, N. A.

The Plan's investments are held by bank-administered trust funds. Financial information relating to those investments is included in the accompanying financial statements based on information provided by the trustee. That information has not been examined by independent auditors.

E. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Wells Fargo Bank, N. A. Wells Fargo Bank N. A. is the plan record-keeper as defined by the Plan and, therefore, the investment transactions with Wells Fargo Bank, N. A. qualify as party-in-interest transactions.

F. TRANSFERS INTO THE PLAN

In January 2017, Mitek USA Inc. acquired Wrightsoft Corporation. Effective January 2, 2019, the Company approved to terminate the Wrightsoft Corporation 401(k) Plan and Trust. All participants in the Wrightsoft Corporation 401(k) Plan and Trust became 100 percent vested in that plan upon termination. An aggregate of \$2,460,951, including loans of \$28,685, was transferred into the Plan during the year ended December 31, 2019. There were no transfers into the plan during the year ended December 31, 2020.

G. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of participants to benefits accrued to the date of termination will be non-forfeitable.

H. TAX STATUS OF PLAN

The Internal Revenue Service has determined and informed the Company by a letter dated April 6, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

I. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019
(Continued)

J. ECONOMIC UNCERTAINTY

As the spread of the COVID-19 coronavirus continues worldwide, economic uncertainties have arisen that are likely to negatively impact the Company's financial results. The ultimate impact will depend on future developments, which are highly uncertain and cannot be predicted, including the scope and duration of the pandemic and actions taken by governmental and nongovernmental authorities in response to the pandemic.

While the scope, duration, and full effects of COVID-19 are rapidly evolving and not fully known, the pandemic and related efforts to contain it have disrupted global economic activity, adversely affected the functioning of financial markets, lowered equity market valuations, impacted interest rates, increased economic and market uncertainty, and disrupted trade and supply chains. If these effects continue for a prolonged period or result in sustained economic stress or recession, such effects could have a material adverse impact on the Company and the Plan.

Independent Auditors' Report

To the Plan Administrator of
MII Associates' Retirement Savings 401(k) Plan
Chesterfield, Missouri

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of MII Associates' Retirement Savings 401(k) Plan, (the "Plan") which comprise the statements of net assets available for plan benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes C and D, which was certified by Wells Fargo Bank, N. A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2020 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MII Associates' Retirement Savings 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

A. DESCRIPTION OF PLAN

The following description of the MII Associates' Retirement Savings 401(k) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan covering all eligible employees of MiTek USA, Inc. (the "Company") and affiliated entities, which are members of a controlled group of corporations which includes MiTek USA, Inc. Employees, excluding union employees, certain nonresident aliens, leased employees, reclassified employees, and certain individuals (as described below) of Benson Industries Inc., are eligible to participate upon meeting eligibility provisions of the Plan. Employees become eligible upon attainment of 21 years of age and after completing 90 days of service. Eligible employees may enter the Plan on the first entry date following the date requirements have been met. Entry dates are the first day of each month. The Plan was established by the Company on January 1, 1987 for the exclusive benefit of its employees and beneficiaries and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contractors, consultants, and employees of Benson Industries Inc. who are compensated on an hourly basis, paid on a weekly schedule and whose principal place of businesses are assembly locations in Pennsylvania, Arizona or Oregon are excluded from the Plan.

Contributions

Each year, participants may elect to contribute up to 100% eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

This Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation that will increase by 1% each Plan year until the amount withheld reaches 5% of eligible compensation and their contributions invested in a designated target date fund until changed by the participant.

The Company will make a safe harbor matching contribution to the Plan equal to 100% of the first 3% and 50% of the next 2% of eligible compensation that a participant contributes to the plan, not to exceed 4% of the participant's eligible compensation. The Company may also make discretionary employer contributions, which will be determined based upon eligible compensation plus eligible compensation in excess of 66% of the Social Security Taxable Wage Base bears to the total compensation plus excess compensation of all eligible participants. The Company made discretionary contributions of \$9,337,549 and \$8,537,087 for the years ended December 31, 2020 and 2019, respectively. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of the Company's discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. The Plan provides for vesting of the Company's discretionary contributions at a rate of 20% per year starting with the second year of service and becoming fully vested at six years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Loans are allowed to be repaid over terms up to 5 years. Loans for the purchase of an employee's primary residence are allowed to be repaid over terms up to 10 years. Interest rates on loans are based on the prime interest rate plus 1 percentage point determined at the time the loan is initiated. Principal and interest is paid ratably through payroll withholdings. A participant is limited to two loans outstanding at any one time and there is a required 12 month wait between loan requests.

Payment of benefits

On termination of service, death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Withdrawals made prior to age 59 ½ will incur an additional 10% tax penalty during the year in which they are withdrawn.

The Plan allows hardship withdrawals in the event the monies are required to pay a) expenses for medical care for an employee, employee's spouse, or dependents, b) costs directly related to the purchase of an employee's principal residence, c) tuition, related education fees, and room and board expenses for the next 12 months of post-secondary education for an employee, employee's spouse, children, or other dependents, d) amounts necessary to prevent eviction from principal residence or foreclosure on the mortgage of principal residence, e) payments for burial expenses for deceased parent, spouse, children, or dependents, or f) expenses for the repair of damage to principal residence that would qualify for the casualty loss deduction. In-service distributions can only be made from accounts which are 100% vested.

Forfeited Accounts

At December 31, 2020 and 2019, forfeited non-vested accounts totaled \$358,883 and \$345,609, respectively. These accounts will be used to reduce future employer contributions.

B. **SUMMARY OF ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through July 9, 2021 the date the financial statements were available to be issued.

C. FAIR VALUE OF MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at the fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Cash and cash equivalents: Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash, with original maturities of three months or less.

Common collective trusts: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The common collective trusts held by the Plan are deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

D. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net of appreciation in fair value of investments, interest and dividends for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Wells Fargo Bank, N. A.

The Plan's investments are held by bank-administered trust funds. Financial information relating to those investments is included in the accompanying financial statements based on information provided by the trustee. That information has not been examined by independent auditors.

E. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Wells Fargo Bank, N. A. Wells Fargo Bank N. A. is the plan record-keeper as defined by the Plan and, therefore, the investment transactions with Wells Fargo Bank, N. A. qualify as party-in-interest transactions.

F. TRANSFERS INTO THE PLAN

In January 2017, Mitek USA Inc. acquired Wrightsoft Corporation. Effective January 2, 2019, the Company approved to terminate the Wrightsoft Corporation 401(k) Plan and Trust. All participants in the Wrightsoft Corporation 401(k) Plan and Trust became 100 percent vested in that plan upon termination. An aggregate of \$2,460,951, including loans of \$28,685, was transferred into the Plan during the year ended December 31, 2019. There were no transfers into the plan during the year ended December 31, 2020.

G. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of participants to benefits accrued to the date of termination will be non-forfeitable.

H. TAX STATUS OF PLAN

The Internal Revenue Service has determined and informed the Company by a letter dated April 6, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

I. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

J. ECONOMIC UNCERTAINTY

As the spread of the COVID-19 coronavirus continues worldwide, economic uncertainties have arisen that are likely to negatively impact the Company's financial results. The ultimate impact will depend on future developments, which are highly uncertain and cannot be predicted, including the scope and duration of the pandemic and actions taken by governmental and nongovernmental authorities in response to the pandemic.

While the scope, duration, and full effects of COVID-19 are rapidly evolving and not fully known, the pandemic and related efforts to contain it have disrupted global economic activity, adversely affected the functioning of financial markets, lowered equity market valuations, impacted interest rates, increased economic and market uncertainty, and disrupted trade and supply chains. If these effects continue for a prolonged period or result in sustained economic stress or recession, such effects could have a material adverse impact on the Company and the Plan.
