## 1. PLAN DESCRIPTION

The following is a brief description of the Imperial Pools, Inc. 401(k) Plan (the "Plan"), provided for general informational purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Board of Trustees is responsible for oversight of the Plan as well as determining the appropriateness of the Plan's investment offerings.

***General*** – The Plan is a defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code ("IRC"). The Plan is funded by employee and employer contributions and covers all employees of Imperial Pools, Inc. (the "Company" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Certain Plan administrative expenses are paid by the Plan Sponsor. Effective May 21, 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") which provided economic relief to plan sponsors and participants of employee benefit plans. The provisions adopted by the Plan are described in further detail below. The Plan has not been formally amended for the adoption of these provisions, however, under the CARES Act, the Plan must be formally amended by December 31, 2022.

***Contributions*** – Participants may make contributions to the Plan in the form of salary deductions of up to 100% of their compensation, not to exceed the amount limited by the maximum allowable contribution under the IRC. Participants may also contribute rollover amounts representing distributions from other defined contribution plans and certain IRAs. Participants direct the investment of their contributions into various investment options offered by the Plan. Additionally, participants age 50 or older can elect to make a catch-up contribution limited to the amount imposed by law.

The Company makes contributions to participant accounts equal to 25% of participant contributions, up to 4% of eligible compensation. The Plan may also make discretionary profit sharing contributions which may vary year to year and are approved by the Board of Trustees. There were no such discretionary profit sharing contributions during the year ended December 31, 2020.

Contributions received from participants are net of $11,670 and $10,090 for the years ended December 31, 2020 and 2019, respectively, for payments made during 2021 and 2020, respectively, to active participants to return excess deferred contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are also included in the statements of net assets available for benefits as excess contributions payable.

***Vesting*** – Participants are immediately vested in their voluntary contributions and earnings thereon. Company contributions and earnings thereon vest over six years of service. Regardless of years of service, participants are fully vested upon disability or death.

***Notes Receivable from Participants*** – Participants may borrow from their fund accounts a minimum of $1,000 or up to 50% of their vested account balance up to $50,000. Effective May 21, 2020 through September 22, 2020, under the provisions of the CARES Act, participants may borrow from their accounts up to $100,000, but limited to their vested account balance, and repayment may be delayed.

## 1. PLAN DESCRIPTION (continued)

Notes range from one to five years, unless the loan is for the purchase of the participant's principal residence, in which case the loan must be payable within a reasonable time commensurate with the repayment period permitted by commercial lenders for similar loans. Loans are secured by the vested balance in the participant's account and bear interest at the prime rate plus 2%, which is commensurate with local prevailing rates determined by the administrator. At December 31, 2020, the interest rates ranged from 5.25% to 7.50%, maturing through October 2031. Principal and interest are paid ratably through regular payroll deductions. The Plan also allows for payments on loans to occur through personal checks from the participants.

***Participant Accounts*** – Each participant's account is credited with the participant's contribution, an allocation of the employer contributions, and Plan earnings and losses. Allocations of earnings and losses are based on participant account balances.

***Plan Termination*** – Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

***Payment of Benefits*** – On termination of service due to death, disability, or retirement, a participant may elect a distribution in the amount equal to the value of the participant's vested interest in his or her account. Various payment options are available upon retirement including lump-sum cash or minimum distribution installments. In-service distributions are permitted to participants who have attained the age of 59 1/2. The Plan also allows for hardship distributions in accordance with the applicable guidelines under the IRC and must be approved by the plan administrator.

Under the provisions available of the CARES Act, effective May 21, 2020, participants may also take a coronavirus-related distribution of up to $100,000, but limited to their total account balance, from their account through December 31, 2020, without incurring a 10% early withdrawal penalty. Coronavirus-related distributions may be repaid within three years to avoid Federal income taxes.

***Forfeitures*** – Participants not fully vested in employer contributions upon termination of employment forfeit their non-vested balances, which are used to reduce employer contributions or plan expenses. During the year ended December 31, 2020, forfeitures of $4,128 were used to reduce employer contributions. There was a forfeiture balance of $1,512 and $4,096 at December 31, 2020 and 2019, respectively, which can be used to reduce future employer contributions or plan expenses.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Basis of Accounting*** – The financial statements of the Plan are prepared under the accrual method of accounting.

***Investment Valuation and Income Recognition*** – The Plan determines the fair value of assets and liabilities which are subject to reporting at fair value based on standards established within generally accepted accounting principles. These standards establish a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded on an exchange.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred followed by Level 2, and Level 3. Level 3 inputs are to be used when neither Level 1 nor Level 2 inputs are available.

An investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value as of December 31, 2020 and 2019:

*Money market funds*: Valued at the quoted prices of shares held by the Plan at year end.

*Mutual funds:* Valued based on quoted market prices available on an active market.

*Common stocks:* Valued at the closing price reported in the active market in which the individual securities are traded.

*Corporate bonds:* Valued based on yields currently available on comparable securities of issuers with similar credit ratings.

*Government securities*: Valued based on quoted market prices available on an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation in fair value of investments, which includes unrealized and realized gains and losses on investments that were held or sold during the year.

Purchases and sales are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recognized on the ex-dividend date and is included in net appreciation of investments in the accompanying statement of changes in net assets available for benefits.

***Payment of Plan Benefits*** – Benefits paid to participants are recorded when paid.

***Use of Estimates*** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

***Subsequent Events*** – Management of the Plan has evaluated the effects of all subsequent events through September 8, 2021, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

## 3. PARTY IN INTEREST TRANSACTIONS

Ascensus Inc., agent for Ascensus Trust Company, and Morgan Stanley Smith Barney ("Morgan Stanley"), the custodians of the Plan, manage certain investments of the Plan, and therefore transactions with Ascensus Inc. and Morgan Stanley qualify as party in interest transactions.

## 4. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how the Plan measures fair value, refer to Note 2 – Summary of Significant Accounting Policies. The following table presents the balances of the assets of the Plan measured at fair value on a recurring basis at December 31:

| | 2020 | 2019 |
|---|---|---|
| *Level 1:* | | |
| Money market funds | $ 2,189,648 | $ 479,280 |
| Mutual funds | 12,071,831 | 10,731,913 |
| Common stocks | 7,414,862 | 6,451,327 |
| Government securities | 306,604 | 749,562 |
| *Level 2:* | | |
| Corporate bonds | 938,814 | 951,835 |
| Total investments, at fair value | $ 22,921,759 | $ 19,363,917 |

## 5. INCOME TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code, therefore, the funds of the Plan are intended to be exempt from Federal income taxes under Section 501(a). The Plan has not applied for a tax determination letter; however, the plan's administrator has received a favorable tax determination letter for this Plan's prototype. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, was qualified as of the financial statement date.

Management of the Plan Sponsor evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements.
