INDEPENDENT AUDITOR'S REPORT

Board of Trustees
The Cortland Savings and Banking Company 401(k) Plan
Cortland, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of The Cortland Savings and Banking Company 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019; the related statement of changes in net assets available for benefits for the year ended December 31, 2020; and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements, in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Cortland Savings and Banking Company 401(k) Plan as of December 31, 2020 and 2019, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Other Matter – Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of The Cortland Savings and Banking Company 401(k) Plan's management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Cortland, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of The Cortland Savings and Banking Company 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019; the related statement of changes in net assets available for benefits for the year ended December 31, 2020; and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements, in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Cortland Savings and Banking Company 401(k) Plan as of December 31, 2020 and 2019, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Other Matter – Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of The Cortland Savings and Banking Company 401(k) Plan's management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The Cortland Savings and Banking Company 401(k) Plan
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 – DESCRIPTION OF PLAN

The following description of The Cortland Savings and Banking Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Cortland Savings and Banking Company (the Bank). Full-time and part-time employees who are 18 years of age or older and are not considered seasonal employees are eligible to participate immediately upon their hire date. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors of the Bank is responsible for oversight of the Plan. The Compensation and Benefits Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors of the Bank.

Although it has not expressed any intent to do so, the Bank reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Contributions

Participants may make salary deferral contributions at their discretion. Participant contributions may not exceed the dollar limit set by law, which was \$19,500 and \$19,000 for the years ended 2020 and 2019, respectively. The Bank matches each participant's contributions up to a maximum of 5 percent of the participant's annual compensation. Additional amounts may be contributed at the discretion of the Board of Directors of the Bank, for which there were none in 2020 and 2019. The IRS allows individuals who are at least 50 years of age to make catch-up contributions. The maximum amount of the catch-up contributions was \$6,500 and \$6,000 for the years ended 2020 and 2019, respectively.

Participant-Directed Accounts

The participant's elective deferrals, Bank contributions, and an allocation of the Plan earnings and losses are allocated to participant-directed accounts. Allocations are based on participant compensation, contributions and account balances, as defined. The benefit to which a participant is entitled is the fair value of the participant's vested account.

Separate Investment Options

Each participant may direct contributions and earnings to be invested in one or more investment options in the Plan. The options are summarized as follows:

Cortland ER Stock Fund

These funds are invested in a unitized fund of Cortland Bancorp common stock.

Mutual Funds

These funds are invested in various mutual funds offered by the Plan.

Personal Brokerage Accounts

These funds are invested in self-directed brokerage accounts. All investments are directed by the participant.

Vesting

Participants are immediately vested in their salary deferral contribution, the Bank's matching contribution, and any earnings or losses thereon.

Payments of Benefits

The normal retirement date is the date a participant reaches age 65. When a participant reaches the normal retirement date, terminates employment with the Bank, becomes totally disabled, or dies while participating in the Plan, they are entitled to receive the vested amount in their individual account.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 – DESCRIPTION OF PLAN (continued)

If a participant dies before receiving all of the benefits in their account, the beneficiary will receive the remainder in the participant's account as a lump sum or in installments.

If benefits are elected to be received in installments, the installments may be made over a period of time not to exceed the participant's life expectancy or the joint life expectancy of the participant and designated beneficiary at the time the election is made.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50%. Rates are indexed using the Wall Street Journal Prime plus 1% fixed at inception. Principal and interest are paid ratably through payroll deductions for active employees and, inactive participants with outstanding loan balances have the option to make payment-in-full through the Plan participant website.

NOTE 2 – ACCOUNTING POLICIES

Basis of Presentation

The accompanying Statements of Net Assets Available for Benefits and Changes in Net Assets Available for Benefits are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. Generally Accepted Accounting Principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Valuation of Investments

Investments are stated at fair value as determined by quoted market prices. The market price for Cortland Bancorp common stock (trade symbol CLDB) held in the Cortland ER Stock Fund and Personal Brokerage Accounts was determined by prices quoted on the NASDAQ Capital Market. Prior to March 8, 2019, Cortland Bancorp common stock traded on the OTCQX Marketplace. Valuation methods are reviewed and approved by the Compensation and Benefits Committee.

Net Change in Aggregate Fair Value of Investments

In accordance with the policy of stating investments at fair value, the change in the aggregate fair value of investments for the year is reflected in the Statements of Changes in Net Assets Available for Benefits.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded as distributions when paid.

Administrative Expenses

Certain administrative functions are performed by officers and employees of the Bank. No such officer or employee receives compensation from the Plan. Audit and administrative fees are paid directly by the Bank. Such costs amounted to \$23,461 and \$24,687 for the years ended December 31, 2020 and 2019, respectively. Administrative expenses at the Plan relating to administrative and record-keeping fees are paid by the Plan and recorded as incurred.

The Cortland Savings and Banking Company 401(k) Plan
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 2 – ACCOUNTING POLICIES (continued)

Plan Termination

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would continue to be 100 percent vested in their employer contributions.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions at December 31, 2020 and 2019.

NOTE 3 – INVESTMENTS

The Plan's investments are administered by Voya International Trust Company (Voya) through an agreement dated March 1, 2001. The Plan's Personal Brokerage Account investments are administered by T.D. Ameritrade through the Voya Financial platform.

NOTE 4 – TAX STATUS

On September 1, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Voya Institutional Trust Company is the Trustee for the Plan. Voya Financial, Inc. provides recordkeeping and asset segregation services for the Plan. T.D. Ameritrade is the administrator for the Personal Brokerage Accounts and is responsible for recordkeeping and asset segregation of these accounts.

The Cortland ER Stock Fund is a unitized fund that is comprised solely of Cortland Bancorp common stock and cash and is administered by Voya.

NOTE 6 – CONCENTRATIONS OF RISK

The Plan has investments in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Since the assets held by the Plan include Cortland Bancorp common stock, the anticipated assets available for benefits in 2021 will be partially the result of the Company's future stock market performance, which is subject to various risk factors.

The fair value of Cortland Bancorp common stock held by the Plan through the Cortland ER Stock Fund and Personal Brokerage Accounts totaled \$2,160,211 and \$2,440,451 at December 31, 2020 and 2019, respectively.

The common stock is thinly traded. Thus, the fair value at the time of sale or purchase may be affected by the number of shares sold or bought, and/or other market conditions.

The Cortland Savings and Banking Company 401(k) Plan
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 7 – FAIR VALUE MEASUREMENTS

Accounting guidance affirms that the objective of fair value when the market for an asset is not active is the price that would be received to sell the asset in an orderly transaction, and clarifies and includes additional factors for determining whether there has been a significant decrease in market activity for an asset when the market for that asset is not active. Accounting guidance requires an entity to base its conclusion about whether a transaction was not orderly on the weight of the evidence.

The Plan groups assets recorded at fair value into three levels based on the markets in which the assets are traded and the reliability of the assumptions used to determine fair value. A financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement (with Level I considered highest and Level III considered lowest). A brief description of each level follows:

Level I: Quoted prices are available in active markets for identical assets as of the reported date.

Level II: Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reported date. The nature of these assets include items for which quoted prices are available but which trade less frequently, and items that are fair valued using other financial instruments, the parameters of which can be directly observed.

Level III: Assets that have little to no pricing observability as of the reported date. These items do not have two-way markets and are measured using management's best estimate of fair value, where inputs into the determination of fair value require significant management judgment or estimation.

Valuation techniques are designed to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Cortland ER Stock Fund: The unitized stock fund consists of Cortland Bancorp common stock and a short-term cash component that provides liquidity for daily trading. Cortland Bancorp common stock is valued at the closing price reported on the active market on which the individual securities are traded and the short-term cash investments are valued at cost, which approximates fair value.

Cortland Common Stock and Other Common Stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8 – RISKS AND UNCERTAINTIES

On March 11, 2020, the World Health Organization declared the outbreak of COVID-19 as a pandemic. The rapidly developing pandemic has generated significant uncertainty in the global economy and volatility in financial markets. The COVID-19 pandemic has affected and may continue to affect the market price of Cortland Bancorp common stock and other Plan assets. Due to the ongoing economic uncertainty and volatility caused by COVID-19, the resulting financial impact to the Plan cannot be reasonably estimated. Following the declaration, the U.S. Federal government passed the “Coronavirus Aid, Relief, and Economic Security (CARES) Act” on March 27, 2020. The CARES Act permits suspension of loan payments due for up to one year and permits individuals to stop receiving 2020 required minimum distributions. The Plan has implemented the required changes.
