International Bonded Couriers, Inc.
Tax Sheltered Plan

Notes to Financial Statements
December 31, 2020

1. Description of Plan

The following description of the International Bonded Couriers, Inc. Tax Sheltered Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of International Bonded Couriers, Inc., Jet Mail Services, Inc. and Zipx Package Service (collectively the "Company"). An employee is eligible for participation in the Plan upon completion of six months of service and attainment of age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On March 27, 2020, the President signed into law the U.S. Coronavirus Aid, Relief and Economic Security Act (the "CARES Act"). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to Plan participants under the CARES Act and has implemented the following provisions:

- Eligible coronavirus distributions up to $100,000;
- The loan limit increased to the lesser of $100,000 or 100% of a participant's vested balance;
- Suspension of required minimum distributions; and
- Extend the period for loan repayments, if applicable, up to one year.

Contributions

Each year, participants may elect to have a percentage deducted on a pre-tax or after-tax (Roth) basis from their eligible compensation as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Eligible employees will automatically be enrolled in the Plan at a 2% elective deferral rate, unless they affirmatively elect otherwise within the reasonable period established by the plan administrator. A participant may elect to increase, decrease or suspend their contributions according to procedures established by the Company. There is an annual limit as to the amount that can be contributed that is determined by the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified plans.

In addition, the Company may make discretionary matching contributions on behalf of each participant in the amount equal to the percentage declared by the Company for the contribution period. For the year ended December 31, 2020, the Company did not make any discretionary matching contributions to the Plan.

Vesting

A participant is 100% vested in their accounts including allocated earnings thereon at all times. A participant vests in the Company matching contributions at a rate of 20% after one year of service with full vesting upon completion of five years of service.

1. Description of Plan *(continued)*

Forfeitures

At December 31, 2020 and 2019, forfeited non-vested accounts both totaled $0. Forfeitures are used to reduce future employer contributions. During 2020, no forfeitures were used to reduce employer contributions.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of $1,000 up to a maximum amount equal to the lessor of $50,000 or 50 % of their account balance. The maximum number of loans that can be outstanding at any time is two. Participant loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions. As previously discussed, the loan limit increased to the lesser of $100,000 or 100% of a participant's vested balance and loan repayments were extended as a result of the CARES Act implementation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings (losses). Employer contributions, if any, are allocated based on a percentage determined by the Company. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient are not categorized within the fair value hierarchy.

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The common/collective trust is valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Investment related expenses are included in the NAV of the respective funds and, consequently, those expenses are not separately reflected but are a component of net appreciation in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is August 25, 2021.

3. Information Certified (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all the investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, the related investment and notes receivable from participants activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020, and the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2020		
	Level 1	Other Investments Measured at NAV *	Total
Common/collective trust	$ -	$ 767,149	$ 767,149
Mutual funds	7,757,062	-	7,757,062
	$ 7,757,062	$ 767,149	$ 8,524,211

	2019		
	Level 1	Other Investments Measured at NAV *	Total
Common/collective trust	$ -	$ 637,500	$ 637,500
Mutual funds	6,639,120	-	6,639,120
	$ 6,639,120	$ 637,500	$ 7,276,620

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trust

The Reliance Trust Company Stable Value Fund (the "Fund") is a collective investment trust that was formed for the purpose of allowing plan sponsors of defined contribution plans qualified under Sections 401(a) and 501(a) of the IRC to invest in the MetLife Group Annuity Contract 20053 and MetLife Group Annuity Contract 37000. Both contracts were issued by Metropolitan Life Insurance Company to Reliance Trust Company, who is the trustee of the Fund.

Units of the Fund are valued daily. Unit purchases and redemptions are transacted at the NAV determined as of the close of business each day. The NAV per unit is computed by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

At December 31, 2020 and 2019, the Fund represents approximately 9% and 8% of the Plan's net assets available for benefits.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

7. Tax Status

The Plan's prototype plan document preparer has obtained an opinion letter dated July 16, 2014 from the Internal Revenue Service ("IRS") stating that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Party-in-Interest Transactions

Certain Plan investments are managed by Reliance Trust Company. Reliance Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants on the statements of net assets available for benefits.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2020 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
