NOTE 1 DESCRIPTION OF PLAN

The following description of Gachina Landscape Management, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established under Section 401(k) of the Internal Revenue Code. The Plan covers all full-time employees of Gachina Landscape Management, Inc. ("the Company") who have completed one year of service and are age twenty-one (21) or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions

Participants may elect to defer a percentage of their compensation up to the maximum allowed by law. They may also make a special salary deferral election where they may defer up to 100% of any bonus received. Catch up contributions for participants at least 50 years of age are also allowed. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans or individual retirement accounts. Participants direct the investment of their contributions into various pooled separate account investment options offered by the Plan.

The Company may contribute a discretionary percentage of the first 5% of base compensation that a participant contributes to the Plan. For the years ended December 31, 2020 and 2019, the Company made discretionary matching contributions of 15% of elective deferral contributions on the first 5% of the participants' eligible compensation.

Participant Accounts

The plan administrator maintains a separate account for each participant and each type of contribution. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Plan participants are immediately vested in salary reduction contributions, rollover contributions and actual earnings or losses thereon. Vesting in the Company's discretionary matching contributions, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after five years of credited service. A participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account, are repaid by payroll deductions in equal installments, and bear interest at rates determined when the loan is disbursed.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

On termination of service, or upon death, disability or retirement, a participant can elect to receive either a lump-sum or partial amount equal to the value of the participant's vested interest in his or her account or partial distribution. The Plan allows for automatic distribution for participant accounts that have a vested balance of $1,000 or less on date of separation.

Forfeited Accounts

Forfeitures are created when participants terminate employment before they become 100% vested in their account balance. Forfeitures are used to offset employer contributions and/or plan expenses. Forfeitures in the amount of $3,573 and $1,080 were used to offset the plan expenses for the years ended December 31, 2020 and 2019, respectively. There were no unallocated forfeitures as of December 31, 2020 and 2019.

CARES Act

In April 2020, certain provisions under the CARES Act relating to distributions and participant loans were enacted. The CARES act allows for utilization of these provisions immediately but requires formal adoption of the amendment no later than the last day of the plan year beginning on or after January 1, 2022.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income derived from underlying pooled separate account funds is comprised of interest, dividends (recorded on the ex-dividend date), and realized and unrealized gains and losses. The investment gain is reported net of investment charges.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding deduction to contributions. The Plan distributed the 2020 and 2019 excess contributions to the applicable participants prior to March 15, 2021 and March 15, 2020, respectively.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Certain fees are charged to the funds and are offset against plan investment income and losses as presented on the statement of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through September 14, 2021, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Minnesota Life Insurance Company, the insurance company, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2020.

NOTE 4 FAIR VALUE OF INVESTMENTS

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2020 and 2019.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Pooled Separate Accounts: Valued at the net asset value (NAV) of the units held by the Plan. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying investment assets owned by the fund, less operating expenses. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily unless the Plan commences a full redemption of the contract, in which a 60 day notice period is required.

In accordance with FASB Subtopic 820-10, all pooled separate account investments were measured at net asset value per share and, accordingly, have not been classified in the fair value hierarchy.

The following table summarizes investments for which fair value is measured using the net asset per share practical expedient as of December 31:

	Fair Value		Unfunded	Redemption	Redemption
Investment Type	2020	2019	Commitments	Frequency	Notice Period
Pooled Separate Accounts	$ 8,193,866	$ 6,419,472	N/A	Daily	Daily

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various pooled separate account funds. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2014, received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE 7 PLAN TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Plan investments are maintained in pooled separate account funds managed by Minnesota Life Insurance Company. This company is the insurance company as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Company provides to the Plan certain accounting and administrative services for which no fees are charged and absorbs certain plan expenses.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
