1. DESCRIPTION OF PLAN

The following description of the North Coast Electric Company 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the official Plan document for complete information.

General

The Plan is a defined contribution plan covering all employees of North Coast Electric Company (the Company) who have completed one year of service with at least 1,000 hours and are age 20 or older. Effective April 1, 2018, employees are eligible to participate in the Plan upon date of hire and are age 20 or older. In addition, effective April 1, 2018, employees are eligible for Company matching contributions, as defined below, upon completion of 12 months of eligibility service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Fidelity Management Trust Company (Fidelity) serves as the trustee, Prudential Retirement Insurance & Annuity Co. (Prudential) serves as the Insurance Company for the group annuity contract and Fidelity Workplace Services LLC serves as the recordkeeper of the Plan.

Effective on the close of business on December 31, 2020, the net assets of the Plan were merged into the Sonepar USA 401(k) Plan (Sonepar Plan). The Plan merger is reflected in the statement of changes in net assets for the year ended December 31, 2020.

The following key provisions are disclosed prior to the Sonepar Plan merger.

Contributions

Each year, participants may contribute up to 60% of their annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants, may also, contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation. A participant's automatic contribution percentage will increase 1% (not to exceed 3%) annually on April 1. The participant may elect to cancel or change the automatic contribution.

Effective April 2020, the Plan was amended to change the Company match to a discretionary contribution. Prior to April 2020, the Company contributed 50% of each participant's eligible deferrals, limited to 6% of the participant's eligible compensation. Contributions are subject to certain Internal Revenue Service (IRS) limitations. The match was suspended in May 2020 and reinstated in October 2020 at which time the Company contributed 50% of each participant's eligible deferrals limited to 6% of the participant's eligible compensation through December 31, 2020.

1. DESCRIPTION OF PLAN – CONTINUED

Participant Accounts
Each participant's account is credited with the participant's contributions and the Company matching contributions, as well as allocations of Plan earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Participants direct the investment of contributions into various investment options offered by the Plan.

Vesting
Participants are immediately 100% vested in all contributions plus actual earnings thereof.

Investments
Participant direct the investment of their account into various investment options offered by the Plan. The Plan currently offers numerous mutual funds, common collective trust funds and one guaranteed investment contract in various combinations. Additionally, the Plan offers a self-directed brokerage option that allows participants to buy, sell and hold a broad array of stocks, exchange-traded funds, and mutual funds.

Notes Receivable from Participants
Participants may borrow from their fund accounts at a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and the loan term cannot exceed a term of five years unless the proceeds were used for the purchase of a principal residence, where the period may be up to ten years. Interest rates are determined by the Plan administrator based on the prevailing interest rates for loans made under similar circumstances. Principal and interest are paid ratably through payroll deductions.

Effective April 29, 2020, the Plan adopted the temporary loan repayment deferral provision of the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

Payment of Benefits
A participant's vested account balance is distributed in a lump-sum upon retirement, termination of employment, death, disability, or Plan termination. Participants may withdraw any part of their vested account any time after attaining age 59½. Participants may also receive hardship distributions, which are described by the Plan, from their deferral contribution account.

The Plan also adopted the provision of the CARES Act related to distribution. This provision allowed the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

1. DESCRIPTION OF PLAN – CONTINUED

Forfeited account
Forfeitures may be used to pay the Plan's administrative expenses and to reduce employer matching contributions. At December 31, 2020 and 2019, forfeited nonvested accounts representing excess employer matching contributions totaled $0 and $11,468, respectively.

Administrative Expenses
Plan administrative expenses are paid by the Company or through the application of forfeitures, or they may be charged to the Plan and deducted from participants' individual accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates and Risks and Uncertainties
The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value, except for the guaranteed investment contract which is stated at contract value. Shares of mutual funds are valued at the net asset value (NAV) of shares based on quoted market price of such funds held by the Plan. The valuations of the investment in the common collective trust funds are based upon the NAV as provided by the trustee. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The self-directed brokerage accounts are valued at quoted market prices in active markets of investments.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on investments bought and sold, as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits
Benefits are recorded when paid.

Expenses
All expenses incurred to administer the Plan are paid by the Company, with the exception of investment management fees and recordkeeping fees which are paid by the Plan.

3. GROUP ANNUITY CONTRACT

In 2019, the Plan entered into a fully benefit-responsive investment contract with Prudential. Prudential maintains the contributions in the Prudential general account. The account is credited with earnings on the underlying investments at guaranteed crediting rates and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. When establishing interest crediting rates for this contract, Prudential considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. These rates are established without the use of a specific formula.

Generally, there are no events that would limit the Plan's ability to transact at contract value with Prudential. The Plan administrator believes that as of December 31, 2020, the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

4. FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. FASB ASC Topic 820 defines fair value as the price would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identifiable assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

- Level 1 – Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities at the measurement date.
- Level 2 – Inputs are inputs, other than quoted prices included within Level 1, which are observable directly or indirectly, through corroboration with observable market data at the measurement date.
- Level 3 – Inputs are unobservable inputs that reflect management's best estimates of the (including assumptions about risk) that market participants would use in pricing the asset or liability at the measurement date.

The level in the fair value hierarchy within which a fair value measurement in its entirely falls in based on the lowest level input that is significant to the fair value measurement in its entirety.

The following table sets forth by level, within the fair value hierarchy, the Plan's participant-directed assets at fair value as of December 31, 2019. There were no transfers to or from Levels l, 2, or 3 of the fair value hierarchy in 2020 and 2019. The Plan's policy is to recognize transfers between levels as of the end of the reporting period.

	December 31, 2019		
	Level 1	Level 2	Total
Investments, at fair value			
Mutual funds	$ 55,737,829	$ -	$ 55,737,829
Common collective trust funds	-	21,050,156	21,050,156
Brokerage link account	953,973	-	953,973
Total investments, at fair value	$ 56,691,802	$ 21,050,156	$ 77,741,958

Due to the Sonepar Plan merger, there were no investments held as of December 31, 2020.

5. CERTIFIED INVESTMENTS

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan administrator has obtained certifications from the trustee that the following data is complete and accurate:

- Investments, with the exception of the fully benefit-responsive investment contract, as shown in the statements of net assets available for benefits as of December 31, 2020 and 2019;
- Investment activity (interest, dividend, and net appreciation in the fair value of investments), as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

6. RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Fidelity. Fidelity is the trustee for the Plan and; therefore, these transactions qualify as party-in-interest transactions. In addition, fees associated with participant-initiated transactions and other recordkeeping fees were paid to the recordkeeper; therefore, these also qualify as party-in-interest transactions. Investment related fees are included in the net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment from the Plan.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company reserves the right under the Plan to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their account balances.

8. TAX STATUS

The Plan has adopted a volume submitter Plan sponsored by Fidelity. The IRS has determined and informed the Fidelity by an advisory letter dated March 31, 2014, that the volume submitter Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The volume submitter Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for taxes has been included in the Plan's financial statements.

8. TAX STATUS – CONTINUED

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, including the IRS. The Plan is not currently under IRS examination for any Plan years.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 23, 2021, which is the date the financial statements were available to be issued and has determined that there are no subsequent events that require disclosure under FASB ASC Topic 855, *Subsequent Events*.
