INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and those charged with Governance
Ben's Restaurant Group Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Ben's Restaurant Group Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of I Ben's Restaurant Group Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Matrix Trust Company as of December 31, 2020 and for the period from March 31, 2020 to December 31, 2020, and TD Ameritrade Trust Company as of December 31, 2019 and for the period from January 1, 2020 to March 31, 2020 stating that the certified investment information, as described in Note K to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ben's Restaurant Group Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ben's Restaurant Group Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ben's Restaurant Group Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ben's Restaurant Group Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule: Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2020 is presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and those charged with Governance
Ben's Restaurant Group Retirement Savings Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Ben's Restaurant Group Retirement Savings Plan, as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note K, which was certified by TD Ameritrade Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2019 Financial Statement

The form and content of the information included in the 2019 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

BEN'S RESTAURANT GROUP RETIREMENT SAVINGS PLAN

Notes to Financial Statements

A. Description of Plan

The following description of the Ben's Restaurant Group Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General. The Plan is a defined contribution plan covering all full-time employees, with the exclusion of collective bargaining (union) employees and non-resident aliens, of Ben's Restaurant Group, Inc., Bay Terrace Kosher Restaurant Corp, Ben's of Boca Raton, Inc., Better Restaurant Services Corp., Business Resources Services, Inc., Country Glen Kosher Restaurant, Inc., South Westchester Eatery at 718 Central, Inc. dba Ben's of Scarsdale, West 38 Kosher Deli, Inc., Wheatley Kosher Restaurant Corp., Woodbury Village Kosher Restaurant, Inc. (hereafter, collectively referred to as the "Company"), who have 1 year of service and are age 21 or older. Entry dates are semi-annual (the first day of the first month and of the seventh month) of the Plan year. The Plan was established on January 1, 2010 and is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA) as amended.

2. Contributions. Each year, participants may contribute pre-tax deferrals as a percent of annual compensation as defined in the Plan to the maximum allowed by the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

   The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions are invested in a designated fund until changed by the participant.

   The Company does not make safe harbor contributions to the Plan.

   Each year, the Company may elect to make matching and/or discretionary non-elective profit sharing contributions as determined by the Company's Board of Directors. The matching and discretionary contributions are invested as directed by the participant. For the years ended December 31, 2020 and 2019, the Company provided matching contributions equal to 50% of a participant's deferrals not exceeding 3% of the participant's compensation.

A. Description of Plan (continued…)

3. Participant accounts. Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting. Participants are vested immediately in their contributions plus actual earnings on the contributions. Vesting in the Company's matching and discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after 6 years of credited service.

5. Notes receivable from participants. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rates are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

6. Payment of benefits. Participants may elect to receive a distribution up to an amount equal to the value of the participant's vested interest in his or her account due to termination of service, death, disability, or retirement. A participant may receive an in-service withdrawal after attaining age 59-1/2.

   In the event of a participant's death, his or her designated beneficiary may request a distribution of his or her account.

   Withdrawals may also be made in conjunction with IRS hardship distribution regulations.

7. Forfeited accounts. Upon termination of employment the non-vested portion of a participant's account is forfeited. Forfeitures may be used to pay eligible administrative expenses of the Plan as they come due or used to reduce the Company's contributions. Forfeited account balances were $86 and $1,004 as of December 31, 2020, and 2019 respectively.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

B. Summary of Accounting Policies (continued…)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding increase to corrective distributions.

Payment of Benefits

The Plan does not accrue non-distributed benefits related to participants who have withdrawn from the Plan, but recognizes such benefits as a deduction from net assets in the period in which such benefits are paid.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 10, 2021, the date the financial statements were available to be issued.

C. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

C. Fair Value Measurements (continued…)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds and common collective trusts. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

MetLife Stable Value Fund. Units of the Fund are valued each day on which the New York Stock Exchange ("NYSE") is open for trading in accordance with the valuation procedures established by the Trustee. The NAV per unit is calculated as of the close of trading on the NYSE. The NAV per unit is computed by dividing the total contract value of the assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

C. Fair Value Measurements (continued…)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

12/31/2020	Level 1	Level 2	Level 3	Total
Mutual funds	4,362,859			4,362,859
Other	-			-
Total assets in the fair value hierarchy	4,362,859	-	-	4,362,859
Investments measured at net asset value*				258,526
Investments at fair value	4,362,859	-	-	4,621,385

12/31/2019	Level 1	Level 2	Level 3	Total
Mutual funds	3,918,235			3,918,235
Other	-			-
Total assets in the fair value hierarchy	3,918,235	-	-	3,918,235
Investments measured at net asset value*				363,770
Investments at fair value	3,918,235	-	-	4,282,005

Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020, and 2019, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Fund	12/31/20 Fair Value	12/31/19 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
MetLife Stable Value Fund	258,526	363,770	N/A	Daily	None

Transfers between Levels

For years ended December 31, 2020 and 2019, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3. and no changes in Fair Value of Level 3 Assets and Related Gains and Losses.

D. Fully Benefit-Responsive Investment Contracts

The Plan did not hold any investments recorded at contract value as of December 31, 2020 and 2019.

E. Rollover Contributions

Rollovers may be accepted from all Participants who are Employees. Distributions may be made at any time from a participant's rollover account.

F. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by various mutual fund companies. Fees incurred within these mutual funds are included in net appreciation in fair value of investments.

During 2020, fees were paid to TD Ameritrade Trust Company and Matrix Trust Company, the custodians as defined by the Plan, and to BlueStar Retirement Plan Services, for their advisory and administrative services to the Plan. These fees included investment fees, third party administrative fees, and other professional service fees, and are based on customary charges as agreed upon by the Plan. These transactions qualify as party-in-interest transactions for which there is a statutory exemption.

Certain administrative functions are performed by officers or employees of the Plan's sponsor. No such officer or employee receives compensation from the Plan.

G. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts. Any unallocated assets of the plan may be allocated to participant accounts or distributed in such a manner as the Company may determine.

H. Tax Status

Although the Plan has not received a determination letter from the Internal Revenue Service, it has adopted a pre-approved Prototype Plan The Plan has been amended and the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable provisions of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS/DOL. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 pandemic could have a continued material adverse impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Company, its performance, and its financial results. The COVID 19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of the Plan's investments. The potential economic impact and the duration of COVID 19 is difficult to assess or predict.

J. Reconciliation of Financial Statements to Form 5500

Certain differences may exist between the recording of accruals for financial reporting purposes and IRS/Department of Labor's (DOL) Form 5500 purposes. There were no such differences as of and for the years ended December 31, 2020 and 2019.

K. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company and TD Ameritrade Trust Company (the trustees of the Plan). TD Ameritrade Trust Company was the Plan's custodian for the period from January 1, 2020 to March 31, 2020 and Matrix Trust Company was the Plan's custodian for the period from March 31, 2020 to December 31, 2020
