Independent Auditor's Report

To the Administrative Committee of
the ABC Security Service, Inc. Profit Sharing Plan

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of ABC Security Service, Inc. Profit Sharing Plan, which comprise the statements of net assets available for benefit as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Standard Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets held at end of year as of the year ended December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2020

Note 1. DESCRIPTION OF PLAN:

The following description of the ABC Security Service, Inc. (Company) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service (defined as twelve consecutive months and at least 1,000 hours). As of April 1, 2010, an employee must attain the age of 21 before entering the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). It was created on January 1, 1993 and has been amended various times since then. This note includes the provisions of the Plan as amended.

Contribution and allocation information:

Non-elective profit sharing contributions are discretionary and are set by the Company's board of directors. An employee must work 1000 hours during the Plan year and be an employee on the last day of the Plan year to receive an allocation of the profit sharing contribution in proportion to their compensation for the Plan year. These rules will be waived in the case of termination of employment on or after 1) full retirement age (65) or 2) early retirement age (55) and six years of service.

Participant accounts:

Each participant's account is credited with an allocation of (a) the Company's contribution and, (b) Plan earnings. Allocations are based on participant earnings or annual compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant receives 20% vesting for each year of credited service and is 100% vested after five years if the first day of employment was on or before September 1, 1999. If the first day of employment was after September 1, 1999, a participant starts vesting after three years of service and receives 20% vesting for each year thereafter and is 100% vested after seven years. If the first day of employment was on or after April 1, 2010, a participant starts vesting after two years of service and is 100% vested after six years. While a participant is an employee, he or she will become 100% vested upon death, total and permanent disability or upon reaching normal retirement age. During 2010 participants were allowed to contribute to their accounts. The feature was terminated in 2011. However, participants are immediately vested in their contributions plus actual earnings thereon.

Payment of benefits:

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in either a lump-sum amount, substantially equal installments, or partial withdrawals of $1,000 or more.

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2020

Note 1. DESCRIPTION OF PLAN (Continued):

Plan expenses:

Plan expenses may be paid by the Company. Expenses for operating and maintaining the Plan that are not paid by the Company will first be paid from forfeitures available for allocation and then from individual accounts, except that any expenses attributable to the single sum benefit payment fee for a distribution other than at death, total and permanent disability or retirement and the loan administration fee shall be charged against that participant's individual account.

Forfeitures:

All forfeitures will be deposited into a suspense account and will be applied toward Plan expenses and toward employer contributions as they accrue. Forfeitures reallocated to participants during the year ended December 31, 2020 totaled $7,361. The balance of the suspense account at December 31, 2020 was $12,001.

Note 2. SUMMARY OF ACCOUNTING POLICIES:

Basis of accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Plan's stable value fund within its group annuity contract with Standard Insurance Company (SIC) is believed to be fully benefit responsive. Accordingly, the Statement of Net Assets Available for Benefits presents the insurance contract at contract value that approximates fair value.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits:

Benefits are recorded when paid.

Note 3. GROUP ANNUITY CONTRACT AND PARTICIPANT DIRECTED INVESTMENTS (Unaudited):

Through March 31, 2010, the Plan was funded with a group annuity contract with Standard Insurance Company (SIC) at which time JP Morgan Chase became the Trustee of the Plan. On November 19, 2010, the Trustee of the Plan changed from JP Morgan Chase to Reliance Trust Company. On January 1, 2011, the Plan terminated the Trust Agreement with Reliance Trust Company as well as the Administrative Services Agreement with Automatic Data Processing. On the same date, the Plan adopted the Standard Retirement Services, Inc. Volume Submitter Profit Sharing Plan and entered into

ABC SECURITY SERVICE, INC.
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2020

Note 3. GROUP ANNUITY CONTRACT AND PARTICIPANT DIRECTED INVESTMENTS (Unaudited) (Continued):

a group annuity contract with Standard Insurance Company (SIC). The assets were transferred to SIC on February 1, 2011. SIC maintains the contributions in a pooled separate account. The separate account is composed of mutual funds and a stable value fund. The account is credited with actual earnings on the underlying investments and charged for Plan withdrawals and administration expenses charged by SIC. Investments are directed by the participants.

The December 31, 2020 and December 31, 2019 Statements of Net Assets Available for Benefits for the years then ended and the accompanying notes to the financial statements were prepared from information certified by SIC to be complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of $1,025,323 and $898,658 at December 31, 2020 and December 31, 2019 respectively and the related income and deductions of $106,665 for the year ended December 31, 2020.

The stable value fund within the separate account is believed to be fully benefit responsive and is appropriately valued at contract value which approximates fair value. Certain events may limit the ability of the plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. The plan administrator does not believe that the occurrence of any such value event is probable.

Note 4. TAX STATUS:

The Plan obtained its determination letter on March 2, 1995, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter and the Plan has adopted and relied on the prototype or volume submitter plans of various institutions over the years and has relied on the corresponding opinion letters from the Internal Revenue Service. On January 1, 2011, the Plan adopted the Standard Insurance Company Group Annuity Contract under a volume submitter profit sharing plan. The most recent opinion letter received by the volume submitter plan was effective March 31, 2014. The plan was amended effective November 1, 2014 to be in compliance with legislative and regulatory changes. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2020

Note 5. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

Following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2020 and 2019 to Form 5500:

	December 31, 2020	December 31, 2019
Net assets available for benefits per the financial statements	$1,105,323	$ 998,658
Contributions receivable	(80,000)	(100,000)
Net assets available for benefits per Schedule H of Form 5500	$1,025,323	$ 898,658

Following is a reconciliation of the increase in net assets per the financial statements for the year ended December 31, 2020 to Form 5500:

Increase in net assets per the financial statements	$106,665
Change in contributions receivable	20,000
Net income per Schedule H of Form 5500	$126,665

Note 8. FAIR VALUE MEASUREMENTS:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation

techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and December 31, 2019:

		Fair Value Measurements Using

ABC SECURITY SERVICE, INC.
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2020

Note 8. FAIR VALUE MEASUREMENTS (Continued):

The underlying mutual funds of the Separate Account certified by SIC are traded daily on an active market although the Separate Account is not itself publicly traded. SIC buys and sells shares of mutual funds through its Separate Account. SIC then allocates portions of that fund to its retirement plan clients by establishing a unit value which incorporates changes in market value of the underlying mutual funds, reinvestment of all dividends and capital gains received from the fund company, any revenue sharing SIC expects to receive from the fund company and SIC's fee calculated on a daily basis and based on the total underlying assets of the Plan. The Stable Asset Fund II is not actively traded and significant other observable inputs are not available. Thus, the contract value of the Stable Asset Fund II represents net deposits plus interest credited. Crediting rates are reset periodically and in advance and are guaranteed per the terms of the contract. The average crediting rate is .47% for 2020 and .59 for 2019.

Note 9. PARTY IN INTEREST TRANSACTIONS:

Certain plan investments are shares of mutual funds through separate pooled accounts managed by Standard Insurance Company (SIC). SIC is the custodian, as defined by the plan, and qualifies as a party in interest.

Note 10. SUBSEQUENT EVENTS:

Subsequent events were evaluated through September 2, 2021, the date on which the financial statements were available to be issued.

Note 11. COVID-19 PANDEMIC:

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 (COVID-19) as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to increased volatility in financial markets and has affected, and may continue to affect, the market price of the Plan's investments. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

The Plan is operating under the provisions of the following new legislation: Bi-Partisan Budget Reconciliation Act, Secure Act and Cares Act until formal amendments can be drafted. In the meantime, the IRS allows plan sponsors to comply in good faith until the amendment is signed. The major provisions affecting the Plan are as follows: Allow for increased penalty-free distributions, Remove the required minimum distribution requirement for 2020 and change the required minimum distribution age to 72.
