REPORT OF INDEPENDENT AUDITORS

To the Board of Trustees of the
PCCA Employees' 401(k) Savings Plan

We were engaged to audit the accompanying financial statements of PCCA Employees' 401(k) Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Prudential Bank & Trust, F.S.B. and Prudential Retirement Insurance and Annuity Company, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained a certification from the trustees as of and for the years ended December 31, 2020 and 2019, that the information provided to the Plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020, which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PCCA EMPLOYEES' 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

A. Description of the Plan

General

The following brief description of PCCA Employees' 401(k) Savings Plan (the "Plan") is provided for general information purposes only. The Plan is sponsored by Professional Compounding Centers of America, Inc. (the "Company"). Participants should refer to the Plan document for more complete information. The Company's corporate offices are located in Houston, Texas.

The Plan was originally established on May 1, 1993, and was most recently restated, effective January 1, 2019. The Plan is a defined contribution plan available to all employees of the Company, who have attained age 21 and completed six months of service. All employees are eligible to participate in the Plan, except for those employees covered by a collective bargaining agreement, non-resident aliens, Puerto Rican employees, and leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to encourage the Company's employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the "Code") as defined in the Plan Document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. In addition, unless these participants opt out of participation, their deferral rate increases by 1% (up to 10%) each January 1.

Contributions are subject to certain limitations. The participant must complete a year of service and 1,000 hours to be eligible for the employer safe harbor non-elective contribution of 3% of eligible compensation each pay period.

A. Description of the Plan – continued

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in the participant and employer contributions credited to their account plus actual earnings thereon.

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 and up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range up to five years, or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Company. As of December 31, 2020 and 2019, interest rates range from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

Benefit Payments

Participants withdrawing during the year for reasons of military service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses for the participant, their spouse, or dependents; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) funeral expenses for the participant, their spouse, or dependents; or, (6) certain expenses to repair damage to the participant's primary residence that would qualify for a casualty loss deduction under Code §165.

A. Description of the Plan – continued

Benefit Payments – continued

Effective January 1, 2019, the Plan's hardship withdrawal provisions were updated in connection with the Bipartisan Budget Act. Participants will no longer (1) be required to obtain a loan prior to requesting a hardship withdrawal; (2) participant deferral contributions will no longer be suspended after receipt of a hardship withdrawal; and (3) earnings on elective deferral contributions in a participant's account will be included as part of a hardship withdrawal. The reasons for heavy financial need were expanded to include repair of a primary residence, even if that repair would not otherwise qualify for the casualty loss deduction.

Forfeitures

Forfeited balances of terminated participants' non-vested amounts are used to offset against future safe harbor contributions or to pay Plan expenses. For the years ended December 31, 2020 and 2019, the Plan used $30 and $11,455, respectively, in forfeitures to reduce employer contributions. For the years ended December 31, 2020 and 2019, the Plan used $0, respectively, in forfeitures to pay Plan expenses. Unallocated forfeitures outstanding as of December 31, 2020 and 2019 were $803 and $81, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Plan pays substantially all costs relating to asset charges and recordkeeping.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

B. Summary of Significant Accounting Policies – continued

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted in accordance with salary deferral agreements.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value (except for investment in insurance contracts, which are reported at contract value) as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, established a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per share net asset value of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.

- Pooled separate accounts ("PSA") are valued daily based on the market value of the underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 and/or 2 quoted pricing inputs which are used to determine the unit value of the PSA which is not publicly quoted. These PSAs are classified as Level 2. The redemption frequency of each of these PSA is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investment in PSAs.

There have been no changes in the methodologies used at December 31, 2020 or 2019. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2020 and 2019. The Plan has no assets classified within Level 3 of the valuation hierarchy.

C. Fair Value Measurements – continued

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$30,398,888	$ -	$ -	$30,398,888
Pooled separate accounts	-	3,712,664	-	3,712,664
Total investments at fair value	$30,398,888	$ 3,712,664	$ -	$34,111,552

	2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 24,537,704	$ -	$ -	$ 24,537,704
Pooled separate accounts	-	3,724,966	-	3,724,966
Total investments at fair value	$ 24,537,704	$ 3,724,966	$ -	$ 28,262,670

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

D. Fully Benefit-Responsive Insurance Contract

The Plan holds a group annuity insurance contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The group annuity insurance contract held by the Plan is a guaranteed income fund. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, but may not be less than 1.5%. The contract cannot be terminated before the scheduled maturity date.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also limit the ability of the Plan to transact at contract value with the participants.

E. Information Certified by the Trustees

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the investment information certified by Prudential Bank & Trust, F.S.B. and Prudential Retirement Insurance and Annuity Company, the trustees, which included total investments as of December 31, 2020 and 2019, the total investment income for the years ended December 31, 2020 and 2019, and all information included in the Supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

F. Tax Status

Effective January 1, 2014, the Plan was amended and restated by the adoption of the Prudential Insurance Company of America Volume Submitter Defined Contribution Plan with CODA, which has a favorable advisory letter from the Internal Revenue Service ("IRS") dated April 29, 2014. This advisory letter states that the form of the volume submitter plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

H. Parties-In-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The assets of the Plan have been held by Prudential Retirement Services, which is an operating division of Prudential Financial. The operations of Prudential Retirement Services are conducted principally through Prudential Retirement Insurance and Annuity Company ("PRIAC"), a wholly-owned subsidiary of Prudential Financial. PRIAC is responsible for, among other things, the custody and investing of the assets of the Plan and for the payment of benefits to eligible participants. Prudential Bank & Trust Company, FSB, a wholly-owned subsidiary of Prudential Financial, serves as the trustee for which PRIAC is the record keeper. Certain Plan investments are managed by PRIAC, including pooled separate accounts and an insurance contract. Therefore, these transactions qualify as party-in-interest transactions. The Plan also invests in mutual funds and group annuity contracts managed by Prudential Retirement Services, which acts as the trustee for only those investments as defined by the Plan. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States of America. COVID-19 has adversely affected, and may continue to adversely affect, the macro-economic environment and global economy. Due to the disruption of COVID-19 on the global economy, the values of investment securities have become subject to increased volatility and have been or may be adversely affected. The impact to the Plan cannot be reasonably estimated at this time.

J. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net increase in assets available for benefits as of December 31, 2020 and 2019, per the accompanying financial statements to the Form 5500:

	2020	2019
Net increase in assets available for benefits per the financial statements	$ 5,726,687	$ 7,190,228
Current year employer contributions receivable per the financial statements	-	-
Current year employee contributions receivable per the financial statements	-	-
Prior year employer contributions receivable per the financial statements	-	27,632
Prior year employee contributions receivable per the financial statements	-	33,893
Net increase in assets available for benefits per the Form 5500	$ 5,726,867	$ 7,251,753

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements. There were no reconciling items for the net assets available for benefits per the financial statement to the Plan's Form 5500 as of December 31, 2020 and 2019, respectively.

K. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through September 10, 2021, the date the financial statements were available for issuance.

REPORT OF INDEPENDENT AUDITORS

To the Board of Trustees of the
PCCA Employees' 401(k) Savings Plan

We were engaged to audit the accompanying financial statements of PCCA Employees' 401(k) Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Prudential Bank & Trust, F.S.B. and Prudential Retirement Insurance and Annuity Company, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained a certification from the trustees as of and for the years ended December 31, 2020 and 2019, that the information provided to the Plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020, which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PCCA EMPLOYEES' 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

A. Description of the Plan

General

The following brief description of PCCA Employees' 401(k) Savings Plan (the "Plan") is provided for general information purposes only. The Plan is sponsored by Professional Compounding Centers of America, Inc. (the "Company"). Participants should refer to the Plan document for more complete information. The Company's corporate offices are located in Houston, Texas.

The Plan was originally established on May 1, 1993, and was most recently restated, effective January 1, 2019. The Plan is a defined contribution plan available to all employees of the Company, who have attained age 21 and completed six months of service. All employees are eligible to participate in the Plan, except for those employees covered by a collective bargaining agreement, non-resident aliens, Puerto Rican employees, and leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to encourage the Company's employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the "Code") as defined in the Plan Document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. In addition, unless these participants opt out of participation, their deferral rate increases by 1% (up to 10%) each January 1.

Contributions are subject to certain limitations. The participant must complete a year of service and 1,000 hours to be eligible for the employer safe harbor non-elective contribution of 3% of eligible compensation each pay period.

A. Description of the Plan – continued

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in the participant and employer contributions credited to their account plus actual earnings thereon.

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 and up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range up to five years, or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Company. As of December 31, 2020 and 2019, interest rates range from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

Benefit Payments

Participants withdrawing during the year for reasons of military service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses for the participant, their spouse, or dependents; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) funeral expenses for the participant, their spouse, or dependents; or, (6) certain expenses to repair damage to the participant's primary residence that would qualify for a casualty loss deduction under Code §165.

A. Description of the Plan – continued

Benefit Payments – continued

Effective January 1, 2019, the Plan's hardship withdrawal provisions were updated in connection with the Bipartisan Budget Act. Participants will no longer (1) be required to obtain a loan prior to requesting a hardship withdrawal; (2) participant deferral contributions will no longer be suspended after receipt of a hardship withdrawal; and (3) earnings on elective deferral contributions in a participant's account will be included as part of a hardship withdrawal. The reasons for heavy financial need were expanded to include repair of a primary residence, even if that repair would not otherwise qualify for the casualty loss deduction.

Forfeitures

Forfeited balances of terminated participants' non-vested amounts are used to offset against future safe harbor contributions or to pay Plan expenses. For the years ended December 31, 2020 and 2019, the Plan used $30 and $11,455, respectively, in forfeitures to reduce employer contributions. For the years ended December 31, 2020 and 2019, the Plan used $0, respectively, in forfeitures to pay Plan expenses. Unallocated forfeitures outstanding as of December 31, 2020 and 2019 were $803 and $81, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Plan pays substantially all costs relating to asset charges and recordkeeping.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

B. Summary of Significant Accounting Policies – continued

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted in accordance with salary deferral agreements.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value (except for investment in insurance contracts, which are reported at contract value) as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, established a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per share net asset value of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.

- Pooled separate accounts ("PSA") are valued daily based on the market value of the underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 and/or 2 quoted pricing inputs which are used to determine the unit value of the PSA which is not publicly quoted. These PSAs are classified as Level 2. The redemption frequency of each of these PSA is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investment in PSAs.

There have been no changes in the methodologies used at December 31, 2020 or 2019. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2020 and 2019. The Plan has no assets classified within Level 3 of the valuation hierarchy.

C. Fair Value Measurements – continued

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$30,398,888	$ -	$ -	$30,398,888
Pooled separate accounts	-	3,712,664	-	3,712,664
Total investments at fair value	$30,398,888	$ 3,712,664	$ -	$34,111,552

	2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 24,537,704	$ -	$ -	$ 24,537,704
Pooled separate accounts	-	3,724,966	-	3,724,966
Total investments at fair value	$ 24,537,704	$ 3,724,966	$ -	$ 28,262,670

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

D. Fully Benefit-Responsive Insurance Contract

The Plan holds a group annuity insurance contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The group annuity insurance contract held by the Plan is a guaranteed income fund. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, but may not be less than 1.5%. The contract cannot be terminated before the scheduled maturity date.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also limit the ability of the Plan to transact at contract value with the participants.

E. Information Certified by the Trustees

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the investment information certified by Prudential Bank & Trust, F.S.B. and Prudential Retirement Insurance and Annuity Company, the trustees, which included total investments as of December 31, 2020 and 2019, the total investment income for the years ended December 31, 2020 and 2019, and all information included in the Supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

F. Tax Status

Effective January 1, 2014, the Plan was amended and restated by the adoption of the Prudential Insurance Company of America Volume Submitter Defined Contribution Plan with CODA, which has a favorable advisory letter from the Internal Revenue Service ("IRS") dated April 29, 2014. This advisory letter states that the form of the volume submitter plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

H. Parties-In-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The assets of the Plan have been held by Prudential Retirement Services, which is an operating division of Prudential Financial. The operations of Prudential Retirement Services are conducted principally through Prudential Retirement Insurance and Annuity Company ("PRIAC"), a wholly-owned subsidiary of Prudential Financial. PRIAC is responsible for, among other things, the custody and investing of the assets of the Plan and for the payment of benefits to eligible participants. Prudential Bank & Trust Company, FSB, a wholly-owned subsidiary of Prudential Financial, serves as the trustee for which PRIAC is the record keeper. Certain Plan investments are managed by PRIAC, including pooled separate accounts and an insurance contract. Therefore, these transactions qualify as party-in-interest transactions. The Plan also invests in mutual funds and group annuity contracts managed by Prudential Retirement Services, which acts as the trustee for only those investments as defined by the Plan. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States of America. COVID-19 has adversely affected, and may continue to adversely affect, the macro-economic environment and global economy. Due to the disruption of COVID-19 on the global economy, the values of investment securities have become subject to increased volatility and have been or may be adversely affected. The impact to the Plan cannot be reasonably estimated at this time.

J. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net increase in assets available for benefits as of December 31, 2020 and 2019, per the accompanying financial statements to the Form 5500:

	2020	2019
Net increase in assets available for benefits per the financial statements	$ 5,726,687	$ 7,190,228
Current year employer contributions receivable per the financial statements	-	-
Current year employee contributions receivable per the financial statements	-	-
Prior year employer contributions receivable per the financial statements	-	27,632
Prior year employee contributions receivable per the financial statements	-	33,893
Net increase in assets available for benefits per the Form 5500	$ 5,726,867	$ 7,251,753

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements. There were no reconciling items for the net assets available for benefits per the financial statement to the Plan's Form 5500 as of December 31, 2020 and 2019, respectively.

K. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through September 10, 2021, the date the financial statements were available for issuance.

REPORT OF INDEPENDENT AUDITORS

To the Board of Trustees of the
PCCA Employees' 401(k) Savings Plan

We were engaged to audit the accompanying financial statements of PCCA Employees' 401(k) Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Prudential Bank & Trust, F.S.B. and Prudential Retirement Insurance and Annuity Company, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained a certification from the trustees as of and for the years ended December 31, 2020 and 2019, that the information provided to the Plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020, which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PCCA EMPLOYEES' 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

A. Description of the Plan

General

The following brief description of PCCA Employees' 401(k) Savings Plan (the "Plan") is provided for general information purposes only. The Plan is sponsored by Professional Compounding Centers of America, Inc. (the "Company"). Participants should refer to the Plan document for more complete information. The Company's corporate offices are located in Houston, Texas.

The Plan was originally established on May 1, 1993, and was most recently restated, effective January 1, 2019. The Plan is a defined contribution plan available to all employees of the Company, who have attained age 21 and completed six months of service. All employees are eligible to participate in the Plan, except for those employees covered by a collective bargaining agreement, non-resident aliens, Puerto Rican employees, and leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to encourage the Company's employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the "Code") as defined in the Plan Document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. In addition, unless these participants opt out of participation, their deferral rate increases by 1% (up to 10%) each January 1.

Contributions are subject to certain limitations. The participant must complete a year of service and 1,000 hours to be eligible for the employer safe harbor non-elective contribution of 3% of eligible compensation each pay period.

A. Description of the Plan – continued

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in the participant and employer contributions credited to their account plus actual earnings thereon.

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 and up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range up to five years, or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Company. As of December 31, 2020 and 2019, interest rates range from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

Benefit Payments

Participants withdrawing during the year for reasons of military service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses for the participant, their spouse, or dependents; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) funeral expenses for the participant, their spouse, or dependents; or, (6) certain expenses to repair damage to the participant's primary residence that would qualify for a casualty loss deduction under Code §165.

A. Description of the Plan – continued

Benefit Payments – continued

Effective January 1, 2019, the Plan's hardship withdrawal provisions were updated in connection with the Bipartisan Budget Act. Participants will no longer (1) be required to obtain a loan prior to requesting a hardship withdrawal; (2) participant deferral contributions will no longer be suspended after receipt of a hardship withdrawal; and (3) earnings on elective deferral contributions in a participant's account will be included as part of a hardship withdrawal. The reasons for heavy financial need were expanded to include repair of a primary residence, even if that repair would not otherwise qualify for the casualty loss deduction.

Forfeitures

Forfeited balances of terminated participants' non-vested amounts are used to offset against future safe harbor contributions or to pay Plan expenses. For the years ended December 31, 2020 and 2019, the Plan used $30 and $11,455, respectively, in forfeitures to reduce employer contributions. For the years ended December 31, 2020 and 2019, the Plan used $0, respectively, in forfeitures to pay Plan expenses. Unallocated forfeitures outstanding as of December 31, 2020 and 2019 were $803 and $81, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Plan pays substantially all costs relating to asset charges and recordkeeping.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

B. Summary of Significant Accounting Policies – continued

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted in accordance with salary deferral agreements.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value (except for investment in insurance contracts, which are reported at contract value) as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, established a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per share net asset value of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.

- Pooled separate accounts ("PSA") are valued daily based on the market value of the underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 and/or 2 quoted pricing inputs which are used to determine the unit value of the PSA which is not publicly quoted. These PSAs are classified as Level 2. The redemption frequency of each of these PSA is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investment in PSAs.

There have been no changes in the methodologies used at December 31, 2020 or 2019. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2020 and 2019. The Plan has no assets classified within Level 3 of the valuation hierarchy.

C. Fair Value Measurements – continued

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$30,398,888	$ -	$ -	$30,398,888
Pooled separate accounts	-	3,712,664	-	3,712,664
Total investments at fair value	$30,398,888	$ 3,712,664	$ -	$34,111,552

	2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 24,537,704	$ -	$ -	$ 24,537,704
Pooled separate accounts	-	3,724,966	-	3,724,966
Total investments at fair value	$ 24,537,704	$ 3,724,966	$ -	$ 28,262,670

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

D. Fully Benefit-Responsive Insurance Contract

The Plan holds a group annuity insurance contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The group annuity insurance contract held by the Plan is a guaranteed income fund. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, but may not be less than 1.5%. The contract cannot be terminated before the scheduled maturity date.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also limit the ability of the Plan to transact at contract value with the participants.

E. Information Certified by the Trustees

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the investment information certified by Prudential Bank & Trust, F.S.B. and Prudential Retirement Insurance and Annuity Company, the trustees, which included total investments as of December 31, 2020 and 2019, the total investment income for the years ended December 31, 2020 and 2019, and all information included in the Supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

F. Tax Status

Effective January 1, 2014, the Plan was amended and restated by the adoption of the Prudential Insurance Company of America Volume Submitter Defined Contribution Plan with CODA, which has a favorable advisory letter from the Internal Revenue Service ("IRS") dated April 29, 2014. This advisory letter states that the form of the volume submitter plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

H. Parties-In-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The assets of the Plan have been held by Prudential Retirement Services, which is an operating division of Prudential Financial. The operations of Prudential Retirement Services are conducted principally through Prudential Retirement Insurance and Annuity Company ("PRIAC"), a wholly-owned subsidiary of Prudential Financial. PRIAC is responsible for, among other things, the custody and investing of the assets of the Plan and for the payment of benefits to eligible participants. Prudential Bank & Trust Company, FSB, a wholly-owned subsidiary of Prudential Financial, serves as the trustee for which PRIAC is the record keeper. Certain Plan investments are managed by PRIAC, including pooled separate accounts and an insurance contract. Therefore, these transactions qualify as party-in-interest transactions. The Plan also invests in mutual funds and group annuity contracts managed by Prudential Retirement Services, which acts as the trustee for only those investments as defined by the Plan. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States of America. COVID-19 has adversely affected, and may continue to adversely affect, the macro-economic environment and global economy. Due to the disruption of COVID-19 on the global economy, the values of investment securities have become subject to increased volatility and have been or may be adversely affected. The impact to the Plan cannot be reasonably estimated at this time.

J. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net increase in assets available for benefits as of December 31, 2020 and 2019, per the accompanying financial statements to the Form 5500:

	2020	2019
Net increase in assets available for benefits per the financial statements	$ 5,726,687	$ 7,190,228
Current year employer contributions receivable per the financial statements	-	-
Current year employee contributions receivable per the financial statements	-	-
Prior year employer contributions receivable per the financial statements	-	27,632
Prior year employee contributions receivable per the financial statements	-	33,893
Net increase in assets available for benefits per the Form 5500	$ 5,726,867	$ 7,251,753

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements. There were no reconciling items for the net assets available for benefits per the financial statement to the Plan's Form 5500 as of December 31, 2020 and 2019, respectively.

K. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through September 10, 2021, the date the financial statements were available for issuance.
