Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

United Independent Union Welfare Fund
Notes to Financial Statements
For the Years Ended December 31, 2020 and 2019

A. Purpose of Organization

United Independent Union Welfare Fund (“The Fund”) was established on October 1, 1962 as a multiemployer Health and Welfare Fund to provide quality health and welfare benefits to all participants under the terms of the collective bargaining agreement in effect.

B. Description of the Plan

The following description of the United Independent Union Welfare Plan provides only general information. Participants should refer to the Plan agreements for a more complete description of the Plan's provisions.

General

The Plan provides health and death benefits covering substantially all eligible employees of participating companies. An employee is eligible if they work for a contributing employer who is obligated to make contributions to the Plan on their behalf. The length of the eligibility period and the date the participant enters the Plan is dependent on the terms of the collective bargaining agreement with the employer that the participant works. Effective January 1, 1994, the Plan provides legal benefits and services to all eligible members and their family group. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

Insured Benefits

The Plan offers one Point of Service Plan held with Independence Blue Cross that provides health benefits (hospital, surgical and major medical). The Plan also fully insured dental, vision, and life insurance benefits for basic life and accident coverage. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-Insured Benefits

Sickness and accident benefits are sixty percent of weekly base earnings not to exceed the maximum. Maximum benefits for home illness participants are \$100 per week up to thirteen weeks with a fifteen day waiting period. Maximum benefits for hospital stay participants are paid \$125 per week up to twenty-six weeks with no waiting period.

Legal benefits service and representation shall be provided by the Plan Attorney without charge as provided by the Plan or at a discounted rate. For those cases where a fee or charge is indicated, payment is the responsibility of the plan member. Each year, each family group will be entitled to four consultations with the Plan Attorney at his office.

Prescription Benefits are processed through a Pharmacy Benefit Manager (PBM) under an administrative service only (ASO) arrangement. The claims processor pays claims directly to providers and then is reimbursed by the Plan. Despite the use of the claims processor, the ultimate responsibility for payments to providers is retained by the Plan.

C. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

United Independent Union Welfare Fund
Notes to Financial Statements
For the Years Ended December 31, 2020 and 2019

C. Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments processed by claims processors or pharmacy benefit managers are recorded as paid when the Plan reimburses the service provider. Amounts due to claims processors or pharmacy benefit managers that have not yet been reimbursed by the Plan are recorded in the Statement of Plan Benefit Obligations.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisers, custodians, and insurance company. See note H for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

The employer contributions are made in accordance with the collective bargaining agreements or amendments between the employers and the Union. These contributions are recognized as an addition to net assets in the month they become due.

Employers' contributions receivable represents amounts due as of December 31, 2020 and 2019 under the terms of the collective bargaining agreement in effect. Periodically the Plan evaluates its contributions receivable and establishes an allowance for doubtful accounts based on historical experience and collections. Interest is accrued on receivables in an amount equal to the greater of the rate set by U.S.C.A. 6621 or liquidated damages set at 20% of the unpaid contributions.

Furniture and Equipment

Furniture and equipment are stated at cost and are being depreciated under the straight-line method and depreciated over ten year lives.

Rebates and Refunds

Refunds due from the Plan's Insurance carrier are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Rebates totaling \$44,441 and \$100,932 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020 and 2019 respectively.

C. Summary of Significant Accounting Policies, continued

Date of Management's Review

Subsequent events have been evaluated through July 29, 2021, which is the date the financial statements were available to be issued.

D. Benefit Obligations

Plan benefit obligations represent health costs incurred by participants and their beneficiaries and dependents during the year ended December 31, 2020 or 2019 but not yet paid. It is the present intention of the Plan to continue obtaining insurance coverage for benefits.

E. Commitments

The Fund leased certain office equipment under long-term operating lease arrangements for a period of five-years ending May 31, 2025, and the total operating lease payment for office equipment was \$9,306 per year. During the years ended December 31, 2020 and 2019, equipment rental expenses were \$3,991 and \$3,867 respectively.

The United Independent Union leases space to the Fund. The Fund paid rent of \$12,504 and \$12,357 for the years ended December 31, 2020 and 2019 respectively. The lease is for a five-year period ending July 31, 2024 with minimum monthly lease payments of \$1,021.

Future minimum lease payments at December 31, 2020 are:

	Amount
2021	\$ 21,810
2022	21,810
2023	21,810
2024	21,810
2025	3,878

F. Plan Termination

It is the intent of the trustees to continue the Plan in full force and effect. However, in the event the obligation of employers to make contributions shall terminate, the trustees shall continue to apply the Plan to the purpose for which it was formed. Upon disbursement of the entire Plan, the trust shall terminate. Discontinuance or termination shall not permit any part of the Plan to be used for, or diverted to, purposes other than exclusive benefit of the participants.

G. Related Party Transactions

The Fund entered into an administration agreement with United Independent Union to provide administrative services on a shared cost basis. A percentage of the costs are shared with United Independent Union Pension Fund.

For years ending December 31, 2020 and 2019 the Fund paid \$85,148 and \$86,862, respectively for these administrative services. Additionally, the Fund has a lease agreement with United Independent Union for the rental of office space, see footnote E for additional details.

United Independent Union Welfare Fund
Notes to Financial Statements
For the Years Ended December 31, 2020 and 2019

G. Related Party Transactions, continued

The Fund pays certain administration expenses for which it is reimbursed a percentage of these expenses from the United Independent Union and the Pension Fund. For the years ending December 31, 2020 and 2019 the total amount reimbursed was \$21,675 and \$35,589, respectively.

The third party administrator is also a contributing employer with the Fund and made contributions of \$59,826 and \$72,406 during the years ending December 31, 2020 and 2019. The Fund paid the third party administrator \$70,478 and \$68,856 for services rendered during the years ended December 31, 2020 and 2019.

H. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
Level 2	Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as: a. Quoted prices for similar assets or liabilities in active markets b. Quoted prices for identical or similar assets or liabilities in inactive markets c. Inputs other than quoted prices that are observable for the asset or liability d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs that are unobservable inputs for the asset or liability.

There have been no changes in the methodologies used at December 31, 2020 and 2019.

All investments are valued at the daily closing price as reported by the fund. Investments consist of a money market fund and open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The investments are deemed to be actively traded.

K. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

L. Tax Status

The Internal Revenue Service has determined and informed the Trustees that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2018.
