Auditor's Responsibility for the 2020 Financial Statements

Our responsibility is to express an opinion on the 2020 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Such information is the responsibility of the Plan's management, and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statement themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. NOTE 1 – PLAN DESCRIPTION

The following description of the American Allwaste LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. American Allwaste LLC (the "Company") is the Plan Sponsor. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan that provides retirement savings benefits to eligible employees of the Company. The Plan, which commenced effective January 1, 2015, and was amended and restated effective February 20, 2019, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC").

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law. The CARES Act allows retirement plans, among other things, to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. The Plan has adopted certain optional features within the CARES Act. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Plan Custodian and Trustee – Mid Atlantic Trust Company (the "Custodian") is the Custodian maintaining custody of all investments held by the Plan. Among other duties, the Custodian receives contributions, holds and invests the fund assets in accordance with the directions of participants, and makes distributions as directed by the Company. Paychex Retirement Services maintains the Plan's participant account balances and provides recordkeeping services to the Plan. An employee of the Company serves as the Trustee of the Plan.

Eligibility **and Plan Entrance Date** – Employees who are age 21 or older, and are not union employees covered by a collective bargaining agreement, non-resident aliens, or employees who became employees as a result of a Code Section 410(b)(6)(c) transaction are permitted to participate in the Plan. Eligible employees may enter the Plan on the first day of the fourth, seventh, and tenth months of the Plan year after the eligibility requirements are met.

Contributions – The Plan permits eligible employees to contribute, on a before-tax or Roth basis, up to 92% of eligible compensation as defined by the Plan, subject to the annual deferral limit established by the IRC, which is $19,500 for 2020. Participants who have attained 50 years of age before the end of the Plan year are eligible to make catch-up contributions up to the maximum amount allowed annually under the IRC, which is $6,500 for 2020.

Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan provides for Safe Harbor Employer matching contributions. For the Plan year ended December 31, 2020, the Employer made Safe Harbor matching contributions to the Plan on behalf of participants in an amount equal to 100% of participants' elective contributions up to a maximum of 3% and 50% of the next 2% of eligible compensation. The Company may also make discretionary profit sharing contributions. No discretionary profit sharing contributions were made during the year ended December 31, 2020.

Participant Accounts – Each participant's account is credited with the participant's and Company's matching contributions and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – PLAN DESCRIPTION – continued

Participant-Directed Investments – All assets of the Plan are participant-directed investments. Participants have the option of directing their account balances to one or more investment options offered by the Plan. The Plan has selected various investment options, as more fully described in the Plan Document, to which participants may designate the allocation of their account balances. The funds vary in types of investments, rates of return, and investment risk.

Vesting – Participants are vested immediately in their contributions, Safe Harbor Employer matching contributions, and Employer profit sharing contributions, plus actual earnings thereon.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the Prime rate, as defined. Principal and interest are paid ratably through payroll deductions and are due in equal installments not less frequently than quarterly.

Pursuant to the CARES Act, Plan participants may request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note was re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in their account, a partial withdrawal, or installment payments. Vested account balances of less than $5,000 are immediately distributable in a lump sum under the terms of the Plan without the participant's consent. A participant may withdraw all or a portion of their vested account balance in the event of a financial hardship, as defined by the Plan. Additionally, in-service withdrawals are permitted upon attainment of age 59 ½.

For coronavirus-related distributions made before December 31, 2020 to qualified individuals, as defined in the CARES Act, the maximum distribution is the lesser of the vested portion of the participant's account balance in the Plan or $100,000. In addition, for active employees, a coronavirus-related distribution may be repaid at any time during a three-year period beginning on the day after the date on which the distribution was received.

The age at which required minimum distributions must begin was increased from 70½ to 72 pursuant to the Setting Every Community Up for Retirement Enhancement Act ("SECURE" Act) enacted in December 2019. In addition, pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 payment, and participants who were due to receive the first required distribution in 2020 had the distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits – Benefit payments are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses specifically incurred by, or attributable to, a participant will be paid from that participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Recent Accounting Pronouncements – In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. The amendments in this ASU modify the disclosure requirements on fair value measurements in Topic 820, including the removal, modification, and addition of certain disclosure requirements. The updated guidance is effective for fiscal years beginning after December 15, 2019, with early adoption permitted. The Plan has adopted ASU 2018-13 and the ASU did not have a material impact on its financial statements or disclosures.

Subsequent Events – The Company has evaluated subsequent events through August 31, 2021, the date the financial statements were available to be issued. See Note 9.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 3 – FAIR VALUE MEASUREMENTS – continued

- **Level 3** – Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

- *Mutual Funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within level 1 of the valuation hierarchy.
- *Money Market Fund* – This investment is recorded at cost, which approximates fair value and is classified within level 1 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,909,921	$ -	$ -	$ 1,909,921
Money market fund	14,907	-	-	14,907
Investments at fair value	$ 1,924,828	$ -	$ -	$ 1,924,828

	Assets at Fair Value as of December 31, 2019 (unaudited)			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,161,109	$ -	$ -	$ 1,161,109
Money market fund	10,963	-	-	10,963
Investments at fair value	$ 1,172,072	$ -	$ -	$ 1,172,072

NOTE 4 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by the Custodian, and as such, these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to service providers.

The Plan has notes receivable from participants as of December 31, 2020 and 2019. As a result, these receivables and all related transactions qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions under ERISA

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The Plan operates under an adoption agreement in connection with a prototype non-standardized profit sharing plan sponsored by Paychex Inc. (the "Sponsor"). This prototype plan document was filed with the appropriate agency, and the Sponsor has obtained a determination letter from the IRS dated April 10, 2014 stating that the prototype plan constitutes a qualified plan under Section 401 of the IRC, and that the related trust was a tax exempt as of the financial statement date. The Plan has not filed individually with the IRS for a letter regarding the Plan's qualified tax status; however, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. As such, there has been no provision for income taxes made in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2020 and 2019 to the Form 5500:

	2020	(Unaudited) 2019
Net assets available for benefits per the financial statements	$ 1,985,882	$ 1,203,523
Employer contributions receivable	(4,081)	-
Participant contributions receivable	(7,081)	-
Net assets available for benefits per Form 5500	$ 1,974,720	$ 1,203,523

The following is a reconciliation of the net increase in net assets per the financial statements to the Form 5500 for the year ended December 31, 2020:

Net increase in net assets per the financial statements	$ 782,359
Less: employer contributions receivable, end of year	(4,081)
Less: participant contributions receivable, end of year	(7,081)
Net income per Form 5500	$ 771,197

NOTE 9 – SUBSEQUENT EVENTS

Effective January 21, 2021, Reliance Trust Company ("Reliance") was appointed as the new custodian of the Plan. As a result of the change in custodian, the assets of the Plan transferred from Mid Atlantic Trust Company to Reliance (collectively, the "Custodians"). Due to the change in custodians and transfer of net assets, there was a blackout period from January 1, 2021 until February 15, 2021. During this period, participants could not direct or diversify investments, and could not obtain a loan or distributions from the Plan. The Plan also changed recordkeepers from Paychex Retirement Services to ADP, LLC Retirement Services effective January 21, 2021.
