To the Plan Administrator
MBH Architects, Inc. Employee Stock Ownership Plan

We have audited the financial statements of MBH Architects, Inc. Employee Stock Ownership Plan for the year ended December 31, 2020, and have issued our report thereon dated September 9, 2021. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 16, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by MBH Architects, Inc. Employee Stock Ownership Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2020. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates affecting the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Either there were no misstatements or none of the misstatements detected as a result of audit procedures were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management
For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations
We have requested certain representations from management that are included in the management representation letter dated September 9, 2021.

Management Consultations with Other Independent Accountants
In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues
We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters
With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

The Company resolved to terminate the Plan effective March 31, 2021 and intend to file an application with the Internal Revenue Service for the determination letter associated with the termination of the Plan.

This information is intended solely for the use of the Plan Administrator and management of MBH Architects, Inc. Employee Stock Ownership Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Certified Public Accountants

Independent Auditors' Report

To the Administrative Committee
MBH Architects Employee Stock Ownership Plan

We have audited the accompanying financial statements of MBH Architects, Inc. Employee Stock Ownership Plan, which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

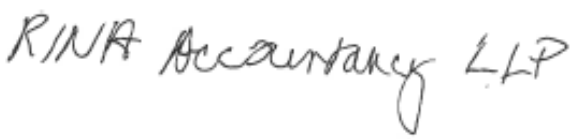

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of MBH Architects, Inc. Employee Stock Ownership Plan as of December 31, 2020 and 2019, and the changes in its net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information:

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

MBH ARCHITECTS, INC. EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2020 AND DECEMBER 31, 2019

Note 1. PLAN DESCRIPTION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following description of the MBH Architects, Inc. Employee Stock Ownership Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General:

MBH Architects, Inc. (Company) established the Plan effective as of January 1, 2014. The Plan operates as an employee stock ownership plan (ESOP) and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue code of 1986 and is subject to the applicable provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The Plan is administered by an Employee Benefits Administration Committee comprising up to two persons appointed by MBH Architects, Inc. board of directors. The trust department of an independent third-party administrator is the Plan's trustee.

Eligibility:

Employees of the Company are generally eligible to participate in the Plan after one year of service and worked at least 1,000 hours during such plan year.

Employer contributions:

Contributions to the Plan are determined by MBH Architects on an annual basis. MBH Architects made no contributions to the Plan during the year ended December 31, 2020.

Participant accounts:

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each plan year with an allocation of shares of the Company's common stock released by the trustee from the unallocated account and forfeitures of terminated participant' non-vested accounts. Allocations are based on a participant's eligible compensation, relative to total eligible compensation. Plan earnings are allocated to each participant's account based on the ratio of the participant's account balance.

Vesting:

If a participant's employment with the Company ends for any reason other than retirement, permanent disability, or death, he or she will vest in the balances in his or her account based on total years of service with the Company. Participants are vested in increments of 20% for each year after one year of employment. After year two, employees are 20% vested. After six years, employees are 100% vested.

Forfeitures of participant’s non-vested account balances are reallocated to the remaining participants. For the year ended December 31, 2020, forfeited non-vested account balances reallocated to the remaining participants totaled $22,778.

Payment of benefits:

On termination of employment, distributions shall be made in a single lump sum payment if participant's account is under $5,000, or in substantially equal installments over a period of five years if participant's account is over $5,000.

MBH ARCHITECTS, INC. EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2020 AND DECEMBER 31, 2019

Note 1. PLAN DESCRIPTION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Payment of benefits (continued):

Distributions are made in cash or, if a participant elects, in the form of Company common stock plus cash for any fractional share of common stock.

Under the provisions of the Plan, the Company is obligated to repurchase participant shares, which have been distributed under the terms of the Plan. During 2020, the Plan did not distribute, and the Company did not repurchase any shares from participants.

Benefit payments are recorded when paid.

Method of accounting:

The financial statements are presented on the accrual basis of accounting.

Cash and cash equivalents:

Cash equivalents are considered to be short-term, highly liquid investments with original maturities of three months or less.

Note 2. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosure. Accordingly, actual results could differ from those estimates.

Note 3. CONCENTRATIONS OF CREDIT RISK:

Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of cash. The Plan places its cash with high credit quality financial institutions. At times, the account balances may exceed the institution's federally insured limits. The Plan has not experienced any losses in such accounts.

Note 4. INVESTMENTS:

As of December 31, 2020 and 2019, the Plan had $2,670,099 and $2,688,237 in interest-bearing cash, respectively.

Note 5. TAX STATUS:

The Plan is a defined contribution plan and is intended to qualify as an Employee Stock Ownership Plan, as defined in section 4975(e)(7) of the Internal Revenue Code and as a stock bonus plan under section 401(a) of the Internal Revenue Code. The plan administrator and the plan sponsor is waiting for a determination letter from the Internal Revenue Service wherein the Plan is deemed to be acceptable under Section 401(a) and section 4975(e)(7).

Generally, contributions to a qualified plan are deductible by the Company when made, earnings of the trust are tax exempt, and participants are not taxed on their benefits until withdrawn from the Plan.

Note 5. TAX STATUS (Continued):

The plan administrator is unaware of any variations in the operation of the Plan from the terms of the plan documents. The plan administrator believes the Plan is qualified under the applicable sections of the Internal Revenue Code and ERISA.

Note 6. PLAN TERMINATION:

The Company has established the Plan with the express intention and expectation that it will continue the Plan. However, if circumstances make it impossible or inadvisable to continue the Plan, the Company reserves the right to terminate it at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Benefits will be held in the trust fund which will remain in existence until the Capital Accumulations of all participants have been distributed.

Note 7. COVID-19:

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 8. SUBSEQUENT EVENTS:

Subsequent events were evaluated through September 9, 2021, which is the date the financial statements were available to be issued.

The Company resolved to terminate the Plan effective March 31, 2021 and intend to file an application with the Internal Revenue Service for the determination letter associated with the termination of the Plan.
