## Note 1 - Plan Description

The following description of Extended Care Consulting 401(k) PS Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering all eligible employees, nonunion employees of Extended Care Consulting/Clinical, LLC and its affiliates (collectively, the "Company"), and the union employees of South Suburban Nursing and Rehabilitation Center LLC; Briar Place, Ltd.; and Wheaton Care Center, LLC who have completed 12 months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Contributions***

The Plan provides for employee salary deferral contributions up to a maximum of 100 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Company may make discretionary matching and profit-sharing contributions in an amount determined by the Company. The participant must be employed as of the last day of the plan year to be eligible for any matching and profit-sharing contributions that may be made for the plan year. Participants should refer to the plan agreement for the allocation of the profit-sharing contributions. For the year ended December 31, 2020, there were no discretionary matching or profit-sharing contributions made to the Plan.

During 2020 and 2019, certain participant contributions were paid after the time frame specified by the Department of Labor. The Company remitted the nontimely contributions from 2019 in 2019. The related lost earnings for 2019 were remitted to the Plan in 2020. The nontimely contributions from 2020 were remitted in 2020. The related lost earnings for 2020 will be remitted to the Plan in 2021.

***Participant Accounts***

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

***Participant Notes Receivable***

Participants may borrow from their accounts subject to certain minimum and maximum amounts prescribed in the Plan and in the Internal Revenue Code. Notes receivable are collateralized by the participant's account balance and bear interest at a market rate.

In accordance with the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the maximum amount a participant could borrow was increased to $100,000 or 100 percent of the participant's vested account balance for eligible loans made between March 27, 2020 and September 22, 2020.

***Benefit Payments***

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account. Account balances less than $5,000 are paid in a single lump sum upon termination.

## Note 1 - Plan Description (Continued)

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

In accordance with the CARES Act, between March and December 31, 2020, eligible participants could request a coronavirus-related distribution (CRD) of up to $100,000 from their participant accounts without being subject to the Internal Revenue Service 10 percent early distribution tax. Participants may elect to repay some or all of their CRD within three years.

***Vesting***

Participants are immediately 100 percent vested in their employee deferrals and rollover contributions and related earnings. A participant is 100 percent vested in the discretionary matching and profit-sharing portion of their account after five years of credited service.

***Forfeitures***

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions or to pay administrative expenses of the Plan.

***Party-in-interest Transactions***

Certain plan assets are in investment funds managed by John Hancock Life Insurance Company (U.S.A.) or its affiliates. John Hancock Life Insurance Company (U.S.A.) is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

***Termination***

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan document and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

## Note 2 - Summary of Significant Accounting Policies

***Investment Valuation***

The Plan's investments are stated at fair value.

The pooled separate accounts are valued at net asset value per share (NAV) (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets. There are no redemption restrictions or unfunded commitments on these investments. See Note 4 for additional information.

***Participant Notes Receivable***

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

***Benefit Payments***

Benefits are recorded when paid.

***Administrative Expenses***

Various administrative costs are paid by the Company.

## Note 2 - Summary of Significant Accounting Policies (Continued)

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

***Subsequent Events***

The financial statements and related disclosures include evaluation of events up through and including September 14, 2021, which is the date the financial statements were available to be issued.

In 2021, the Plan changed custodians from John Hancock Life Insurance Company (U.S.A.) to Fidelity Management Trust Company.

## Note 3 - Unaudited Information

John Hancock Life Insurance Company (U.S.A.) (the "Custodian") holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Custodian.
