Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the RDF Logistics, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 (in liquidation) and 2019 (ongoing), and the related statement of changes in net assets available for benefits (in liquidation) for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the Trustee as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the governing body of the Plan approved a plan of liquidation in February 2020, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2019 financial statements to the liquidation basis used in presenting the 2020 financial statements. Our opinion is not modified with respect to this matter.

Report on Supplementary Information

The supplemental schedule of assets (held at end of year) (in liquidation) as of December 31, 2020 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

RDF LOGISTICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of the RDF Logistics, Inc. 401(k) Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Participation – The Plan is a defined contribution plan, established as of January 1, 2017, covering eligible employees of RDF Logistics, Inc. and affiliated employers adopting this plan (collectively, the "Company"). Eligible employees may participate in the Plan on the first day of the month following the attainment of three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration – The Plan is administered by the Company which is responsible for controlling and managing the operations and administration of the Plan.

Contributions – Participants may elect to make contributions from 1% to 90% of their eligible earnings on a "pre-tax" or Roth basis subject to certain limitations of the Plan and the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company's matching contribution is 100% of the participant's elective deferrals that do not exceed 2% of the participant's compensation.

Participant Accounts – The Company maintains an individual account for each participant. These accounts are credited with participants' contributions, Company contributions and related earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. Participants elect to maintain their aggregate contributions in the investment funds offered by the Plan. Separate accounting for each of the funds is made pursuant to the participant's designated election. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants, net – The Plan allows loans to participants subject to certain regulatory restrictions. The amount of the loans cannot exceed \$50,000 or 50% of the participant's vested balance. Interest is charged based on the prime rate at the time of the loan plus two percentage points. Repayments of principal and interest are credited to the participant's separate account within the funds as elected by the participant, paid through payroll deductions. Until such repayments are received, the loan receivable is accounted for in the participant loan fund.

Vesting – Participants are at all times vested in their elective and voluntary contributions and earnings thereon. Participants become 50% vested in the Company contributions after two years of service and 100% vested after three years of service, or in the event of disability, death or retirement of the participant.

Payment of Benefits – A participant, upon retirement, termination, disability or the attainment of age 59½, or a participant's beneficiary upon the participant's death, may elect to either rollover the funds or receive a lump-sum amount equal to the value of his or her account. In the case of a severe financial hardship, the plan administrator, in its sole discretion, may direct distribution of all or a portion of the participant's elective and/or voluntary contributions, subject to certain restrictions.

RDF LOGISTICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Forfeitures – At December 31, 2020 and 2019, there were no forfeited nonvested accounts. These accounts are used to offset Company contributions or administrative expenses. Forfeitures of \$10 were used in 2020 to offset employer match contributions.

Termination Provisions – In February 2020, the decision was made by the Company to terminate the Plan as of April 30, 2020. At that time, all participants became 100% vested in their accounts. Management believes the assets remaining in the Plan will be allocated and distributed to participants by December 31, 2021.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the liquidation basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties – The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by Reliance Trust Company, the Trustee of the Plan. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividends are recorded when received. There is no material difference between the cash and accrual basis relative to the Plan's investment holdings at December 31, 2020 and 2019. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants, net – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments, the plan administrator deems the participant loan to be in default. Allowances of \$8,081 and \$2,069 have been recorded for these defaulted loan balances at December 31, 2020 and 2019, respectively. The change in this allowance each year is reflected as deemed distributions on the statement of changes in net assets available for benefits and is net of previously defaulted loans of former participants who took full distribution of their accounts in the current year.

RDF LOGISTICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – All administrative fees of the Plan are paid by the Company or the Plan at the option of the Company. In addition, any participants who elect to receive a loan, distribution or withdrawal are charged an administrative fee.

Subsequent Events – The Plan has evaluated subsequent events through September 21, 2021, the date the financial statements were available to be issued.

Note 3. Unaudited Information

The Plan has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the statements of net assets available for benefits at December 31, 2020 and 2019, the supplemental schedule at December 31, 2020, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 4. Party-in-Interest Transactions

Administrative expenses paid to ADP, the plan administrator, from the Plan were \$7,046 in 2020.

Note 5. Income Tax Status

The Internal Revenue Service has previously ruled by a letter dated July 8, 2014, that the prototype standardized model on which this Plan is based qualifies under Section 401(a) of the IRC and is, therefore, not subject to tax under present income tax laws. The Plan has been amended since adopting the approved prototype; however, the plan administrator believes the adopted Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 6. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

RDF LOGISTICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 6. Fair Value Measurements (Continued)

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for plan assets measured at fair value:

- The fair values of registered investment companies are determined based on their quoted closing market prices in active markets for identical investments, and are classified as Level 1.
- The investments in the common/collective trusts are held and managed by Invesco and State Street. The fair value of investments held in these accounts is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs and the market value of the underlying investments, and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2019 to 2020. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 7. COVID-19 Global Pandemic

On January 30, 2020, the World Health Organization declared the outbreak of the coronavirus disease 2019 ("COVID-19") a global health emergency and subsequently declared the COVID-19 outbreak a global pandemic in March 2020. The pandemic has adversely affected domestic and global economic activity and the full impact continues to evolve as of the date of this report. However, because the values of individual investments fluctuate with market conditions, and due to market volatility, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined.

Note 8. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2019 to Form 5500:
