The Retirement Savings Plan is qualified under Section 401(a) of the Internal Revenue Code and is exempt from Federal Income Taxes under 501(a) of the Internal Revenue Code.

The Plan adopted, effective April 6, 2020, the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to $100,000, without being subject to the Sec. 72(t) 10% early distribution tax, from the Plan beginning on or after March 27, 2020 and before December 31, 2020.

The Internal Revenue Service has determined and informed the Company by a letter dated October 13, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

4. Description of Plan

The following description of The Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all full-time employees of the company who have sixty days of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Security Act (ERISA).

CONTRIBUTIONS

Each year, the Company contributes to the Plan a percentage of its current profits before profit-sharing costs and income taxes. Additional amounts may be contributed at the option of the Company's Board of Directors. Participants may contribute from 1% to 15% of their gross income, subject to the annual IRS dollar limitations.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participant's nonvested accounts as determined by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

VESTING

Participants are immediately vested 100% upon entering the Plan.

4. Description of Plan (Continued)

FORFEITURES

Since a participant is 100% vested in the plan there are no current forfeitures. A balance of $245 does remain in the Forfeiture account related to prior years when participants were not 100% vested until completing six years of service.

PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or annual installments as approved by the administrative committee.

ADMINISTRATIVE CHARGES

All administrative expenses of the Plan, except amounts paid for certain investments, advisory services and bank charges, are paid by participants.

5. Continuation of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. Participant Directed Investments

Investments held by the Plan represent participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various investments. As of December 31, 2020 and 2019, all investments were held in the following types of participant-directed accounts:

- Money Market Fund
- Mutual Funds

7. Party-in-Interest Transactions

Plan investments are money market accounts and mutual funds managed by Bank of America Merrill Lynch, an entity that is a party-in-interest with respect to the Plan. These transactions are exempt and covered by the Prohibited Transaction Exemption provisions of ERISA and the Code.

The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Auditing fees paid by the Company on behalf of the Plan were $10,610 and $11,918 for the years ended December 31, 2020 and 2019.

8. Information Certified by the Trustee (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information prepared and certified by a bank or insurance company, which is regulated, supervised and subject to periodic examination by a state or federal agency, need not be audited. The plan administrator has obtained certifications from the Bank of America, N.A. (custodian) that all information provided by them is complete and accurate. Information included in the accompanying financial statements and notes to financial statements as to investments, net appreciation (depreciation) in fair value of investments, interest income and all information in the Supplemental Schedule H, line 4i, Schedule of Assets (held at year end), is presented solely upon reliance on those certifications. The independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information in the financial statements, notes to financial statements, and supplemental schedule.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value Measurements Using:

December 31, 2020	Fair Value	Quoted Prices in Active Markets (Level 1)
Money Market Fund	$ 3,766,940	$ 3,766,940
Mutual Funds at Market Value	13,332,738	13,332,738
	$ 17,099,678	$ 17,099,678

10. Fair Value Measurements (Continued)

Fair Value Measurements Using:

December 31, 2019	Fair Value	Quoted Prices in Active Markets (Level 1)
Money Market Fund	$ 4,114,263	$ 4,114,263
Mutual Funds at Market Value	13,851,895	13,851,895
	$ 17,966,158	$ 17,966,158

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

11. Subsequent Events

The Company has evaluated subsequent events for potential recognition and disclosure through September 17, 2021, the date of financial statement issuance.
