INDEPENDENT AUDITOR'S REPORT

Slab Masters Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Slab Masters Retirement Plan, which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mass Mutual Life Insurance Company, the asset custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the asset custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the asset custodian as of and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the asset custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedule, as listed in the accompanying table of contents, as of December 31, 2020 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the asset custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1. DESCRIPTION OF PLAN

The following description of the Slab Masters Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Slab Masters, Inc. (the Company) who are age twenty one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute from 1% to 100% of pretax annual compensation, as defined in the Plan. Participants direct the investment of their contributions and any Company contributions into various investment options offered by the Plan. The Plan currently offers several mutual fund options for participants. The Company's safe harbor match contribution is equal to 100% of an eligible participant's elective deferral that do not exceed 3% of his or her compensation for the allocation period plus 50% of the participant's elective deferrals that exceed 3% of his or her compensation for the allocation period but do not exceed 5% of his or her compensation for the allocation period. The Company may also make a discretionary non elective contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also 100% vested in the safe harbor employer matching contributions. Vesting of all other nonelective contributions plus earnings thereon is based on years of continuous service. The Plan's vesting schedule is as follows:

Year of Service	Vested %
1 year of vesting service	20%
2 years of vesting service	40%
3 years of vesting service	60%
4 years of vesting service	80%
5 years of vesting service	100%

Participant Loans

Participants may borrow from their fund accounts up to a maximum of 50% of their vested account balance or $50,000, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in The Wall Street Journal plus two percentage points, which are commensurate with local prevailing rates. Principal and interest is paid ratably through monthly payroll deductions.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or have the payment made as a "direct rollover" to an individual retirement account or another tax qualified plan.

Plan Administration

The Plan is governed by the Company's Board of Trustees, which is comprised of members of the Company's management. Goldleaf Partners serves as the record keeper and Mass Mutual Life Insurance Company serves as the asset custodian.

Forfeited Accounts

Forfeited nonvested accounts totaled $7,938 and $7,286 for the years ended December 31, 2020 and 2019, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained on the modified cash basis. The modified cash basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States. Revenues are recognized when cash is received and expenses are recognized when cash is paid. Investments are recorded at fair value in the Statement of Net Assets Available for Benefits (modified cash basis) with the associated net investment gain or loss included in the Statement of Changes in Net Assets Available for Benefits (modified cash basis).

Investments

The Plan's investments are stated at fair value. Quoted market prices are used to value investments, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of investments are recorded on a trade-date basis. Dividends and interest are recorded on the modified cash basis.

Notes Receivable from participants

Participant loans are valued at their outstanding balances, which approximate fair value.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Company may pay the costs related to the administration of the plan in whole or in part. All expenses not paid by the Company shall be paid by the plan.

Use of Estimates

The preparation of financial statements in conformity with modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts differ from those estimates.

NOTE 3. INVESTMENTS

Unaudited Information Certified by the Asset Custodian.

The December 31, 2020 and 2019 Statements of Net Assets Available for Benefits (modified cash basis), the investment activities included on the Statement of Changes in Net Assets Available for Benefits (modified cash basis) for the year ended December 31, 2020, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the asset custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments and notes receivable from participants of $8,760,360 and $6,876,168 at December 31, 2020 and 2019, respectively, and related interest, dividends, and investment gain of $1,433,297 for the period ended December 31, 2020.

NOTE 4. FAIR VALUE MEASUREMENT

FASB Accounting Standards Codification 820, Fair Value Measurement and Disclosure, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority with Level 3 inputs having the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted market prices in an active market.

		Fair Value Measurements Using:		
December 31, 2020	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	$ 8,680,123	$ 8,680,123		

		Fair Value Measurements Using:		
December 31, 2019	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	$ 6,786,138	$ 6,786,138		

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the open tax years are those years ending December 31, 2017 through December 31, 2020. The 2020 tax return has not been filed as of the date of this report.

NOTE 7. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Mass Mutual Life Insurance Company. Mass Mutual Life Insurance Company is the asset custodian and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for administrative services amounted to $4,511 and $6,437 for the years ended December 31, 2020 and 2019.

These party-in-interest transaction are exempt from the prohibited transaction rules of ERISA.

NOTE 8. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through September 20, 2021. From this evaluation, no events were identified that met the requirement for disclosure.

NOTE 10. NEW ACCOUNTING PRONOUNCEMENT

In August 2018, the FASB issued ASU 2018-13 *Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurements.* The standard modifies disclosure requirements for the fair value measurements in Topic 820, including the elimination, modification to, and addition of certain disclosures. The guidance is effective for years beginning after December 15, 2019. The adoption of this new guidance did not have a material effect on the financial statements.
