1. DESCRIPTION OF THE PLAN

The following brief description of the Manning & Napier Advisors, LLC 401(k) and Profit Sharing Plan (the Plan) is provided for general information purposes only. For a more complete description of the Plan's provisions, participants should refer to the Plan document.

General

The Plan is a defined-contribution retirement plan covering all eligible employees of Manning & Napier Advisors, LLC (MNA LLC), as well as all eligible employees of Exeter Trust Company, Rainier Investment Management, LLC and, through August 2019, Manning & Napier Information Services, LLC and Perspective Partners, LLC (collectively, the Companies). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On August 31, 2019, the active employees of Perspective Partners, LLC and Manning & Napier Information Services, LLC transferred assets out of the Plan. As a result, assets of $1,319,287 were transferred out of the Plan during 2019.

Plan Administration

MNA LLC is the plan sponsor and plan administrator.

Prior to January 2020, State Street Bank and Trust Company was the trustee of the Plan's assets and Transamerica Retirement Solutions, LLC was the recordkeeper for the Plan.

.

Effective in January 2020, Great-West Trust Company, LLC became the trustee of the Plan's assets and Empower Retirement became the recordkeeper for the Plan.

Plan Changes

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 7, 2020 and provided relief options for retirement plan sponsors and participants who met certain eligibility requirements. The optional features that the Plan has operationally followed included, among others, allowing Coronavirus related distributions. Most of the provisions of the CARES Act expired on December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The Setting Every Community Up for Retirement Enhancement Act (SECURE Act) was signed into law on December 20, 2019. The SECURE Act included largely administrative and compliance-related changes, most of which were effective January 1, 2020. The SECURE Act did not have a material impact on the Plan.

Eligibility

Employees of the Companies at least 21 years of age and having completed one month of employment are generally eligible to participate in the Plan. Employees must have one year of service in order to be eligible for employer contributions.

1. DESCRIPTION OF THE PLAN (Continued)

Contributions

The Plan allows participants to contribute an amount from 1% to 75% of their annual compensation. Participants are subject to certain contribution limitations under Section 401(k) and Section 415 of the Internal Revenue Code. Participants that have reached the age of 50 may elect to defer additional amounts to the Plan. A participant may designate all or a portion of their elective deferral contribution as after-tax Roth elective deferrals.

The Plan includes an automatic enrollment provision. Newly eligible employees who have not affirmatively opted out of enrollment in the Plan are automatically enrolled. The Plan provides an automatic enrollment provision in which newly eligible participants and eligible participants not currently contributing to the Plan are enrolled to contribute a percentage of their annual salary, unless the participant elects otherwise. Prior to May 2020, the automatic enrollment percentage was 4%. Effective May 2020, the automatic enrollment percentage is 7%. As long as a participant does not opt out of the automatic increase provision, the participant's elective deferral amount will automatically increase by 1% at the beginning of each Plan year, up to a maximum of 10%.

The Companies may make discretionary matching contributions to the Plan. In 2020 and 2019, the Companies matched 50% of each participant's contribution not to exceed 3.5% and 3%, respectively, of their total compensation. Employer matching contributions totaled $1,329,479 and $1,298,561 in 2020 and 2019, respectively.

The Companies may also make discretionary profit sharing contributions to the Plan, subject to approval of senior management of MNA LLC. The profit sharing contributions for both 2020 and 2019 were $500,000, which were paid by the Companies in 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions, and investment earnings or losses, and is reduced by benefit payments and administrative expenses. Employer profit sharing contributions are allocated to participant accounts in the same proportion that each participant's eligible compensation for the Plan year bears to the total eligible compensation of all participants for the Plan year. Net earnings or losses from each investment fund are allocated to each participant's account based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant contributions and employer profit sharing contributions vest immediately. Contributions made through the employer match become 100% vested after three years of service.

Payment of Benefits

Normal retirement age is 65, at which time participants are entitled to 100% of their account balance. On termination of service due to death, disability, retirement or termination of the Plan, a participant may elect to receive a lump-sum, in installments, or direct rollover into an individual retirement account or another qualified plan, equal to the value of the participant's vested interest in his or her account. Actively-employed participants that have reached the age of 59 ½ may elect to receive in-service distributions. The Plan requires in-service distributions to actively-employed participants that have reached the age of 70 ½. Hardship withdrawals are also permitted from the Plan for actively-employed participants.

1. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits (Continued)

For termination of service for other reasons, participants with a nonforfeitable account balance of more than $1,000 may receive the value of the vested interest in his or her account as a lump-sum amount equal to the value of the participant's vested interest in his or her account or may leave the balance in the Plan. If the nonforfeitable account balance is $1,000 or less, a participant may only receive the value of the vested interest in his or her account as a lump-sum distribution. Expenses associated with initiating distributions are paid by the individual participants.

Forfeitures

If an employee terminates their employment before their account has become fully vested, they will forfeit the unvested balance of their account and the forfeitures are used to reduce the employer's contribution. The Companies used approximately $31,900 and $32,900 of forfeitures to reduce employer contributions in 2020 and 2019, respectively. The Companies used approximately $0 and $900 of forfeitures to pay administrative expenses in 2020 and 2019, respectively. Amounts forfeited by participants totaled approximately $5,100 and $31,800 in 2020 and 2019, respectively. Unapplied, forfeited, nonvested accounts totaled approximately $9,100 and $31,800 at December 31, 2020 and 2019, respectively.

Notes Receivable from Participants

Participants may borrow up to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined annually by the plan administrator. Expenses associated with initiating and maintaining notes receivable are paid by the individual participants.

Plan Termination

Although they have not expressed any intent to do so, the Companies have the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

The Plan’s investments are stated at fair value. The net appreciation or depreciation in the fair value of investments consists of both realized and unrealized gains and losses on the Plan’s investments. Purchases and sales are recorded on a trade date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements
FASB ASC 820 establishes a hierarchy for information and valuations used in measuring fair value that is broken down into three levels based on reliability. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable, either directly or indirectly. Level 3 valuations are based on information that is unobservable and significant to the overall fair value measurement. A description of where the Plan's assets fall within the ASC 820 hierarchy is provided in Note 3.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Administrative expenses include management fees, operating expenses, transaction fees, and loan servicing expenses. Administrative expenses totaled $65,155 and $92,183 in 2020 and 2019, respectively.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2019:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 41,814,522	$ -	$ -	$ 41,814,522

Investments, at net asset value				64,794,615
Total investments				$120,874,537

Following is a description of the valuation methodology used for assets measured at fair value.

Money market fund and mutual funds: valued at fair value based on quoted market prices.

Self-directed brokerage accounts: self-directed funds include cash, which is stated at cost, and money market and mutual funds, which are valued at the net asset value of shares held at year end based on quoted market prices in active markets.

Collective investment trusts: valued using the net asset value, based on the value of the underlying investments held at year end, divided by the number of units outstanding.

3. INVESTMENTS (Continued)

Investments in Entities that Calculate Net Asset Value
The Plan is invested in collective investment trusts that calculate net asset value on a daily basis.

The Plan's investments in collective investment trusts are invested in global and domestic equity and fixed income based investments. The net asset value of these investments is derived from the market value of the underlying investments. The unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are primarily based on observable inputs. These investments do not have any unfunded commitments. The Plan can redeem these investments daily. There are currently no redemption restrictions on these investments.

The methodology described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan has investments in mutual funds and collective investment trusts managed by MNA LLC. Therefore, transactions involving these investments constitute party-in-interest transactions. There were no administrative expenses paid by the Plan to MNA LLC for investment services for the years ended December 31, 2020 and 2019, respectively. Transactions involving notes receivable from participants also qualify as party-in-interest transactions.

5. TAX STATUS

Prior to May 2020, the Plan used a prototype plan document developed by Transamerica Retirement Solutions, LLC. Transamerica Retirement Solutions, LLC received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which stated that the prototype document satisfies the applicable provisions of the Internal Revenue Code (the Code).

Effective May 2020, the Plan uses a prototype plan document developed by Great-West Trust Company. Great-West Trust Company received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (the Code). The Plan itself has not received a determination letter from the IRS. However, the Plan's management and tax counsel believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

6. RECONCILIATION TO FORM 5500

While net assets available for benefits and change in net assets available for benefits agree between the financial statements and Form 5500 in total as of and for the years ended December 31, 2020 and 2019, certain classifications differ between the financial statements and Form 5500.

7. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 20, 2021, which is the date the financial statements were available to be issued.
