INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Software Guidance and Assistance, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Software Guidance and Assistance, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H - line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Information Required by ERISA (Continued)

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Software Guidance and Assistance, Inc. 401(k) Profit Sharing Plan and Trust

We were engaged to audit the accompanying statement of net assets available for benefits of Software Guidance and Assistance, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by John Hancock Life Insurance Company of New York, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of December 31, 2019, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

1. DESCRIPTION OF PLAN

The following description of Software Guidance and Assistance, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and was established on January 1, 1995, by Software Guidance and Assistance, Inc. (the "Company" or "Plan Sponsor"). The Plan covers all employees who have three months of service and are not covered by a collective bargaining agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has implemented certain requirements of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"). This law permit the Plan to delay the commencement date for required minimum distributions from age 70-1/2 to age 72 beginning January 1, 2020. A written amendment to the Plan document to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

Participant Contributions

Participants are permitted to make contributions of up to 50% of their annual base salary. Participants are also permitted to make Roth 401(k) contributions. The amount deferred in any calendar year may not exceed the limits specified under Internal Revenue Code ("IRC") Sections 401(k), 404 and 415. The Plan includes an automatic contribution arrangement in which all employees hired on or after July 1, 2017, were automatically enrolled in the Plan with a 3% contribution rate upon satisfying eligibility requirements (six months of service). The automatic contribution began on the first day of the following month a participant satisfied the eligibility requirements. A participant may elect to opt out of enrolling into the Plan in which no contributions will be made. Effective January 1, 2019, the Plan was amended in which all employees hired prior to July 1, 2017, were automatically enrolled in the Plan with a 3% contribution rate upon satisfying eligibility requirements (reduced to 3 months of service), unless opted out or an alternative contribution rate was elected. The automatic contribution begins on the first day of the following month a participant satisfies the eligibility requirements. A participant could elect to opt out of enrolling into the Plan in which no contributions were made. This amendment also includes an automatic escalation feature in which all participants who have been automatically enrolled in the Plan will be subject to a 1% contribution rate increase on the first day of each subsequent Plan year up to a maximum of 10%.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

A participant may, with the consent of the Plan administrator, make a rollover contribution to the Plan at any time. Rollover contributions are assets transferred to the Plan from a qualified savings plan in which employees participated prior to their employment by the Company.

1. DESCRIPTION OF PLAN (CONTINUED)

Employer Contributions

Employer profit sharing contributions are permitted to the Plan at the discretion of the Company. Profit sharing contributions will be allocated to all employees eligible to participate in the Plan. There were no employer profit sharing contributions made for the year ended December 31, 2020.

Effective January 1, 2019, the Plan was amended to provide a discretionary tiered employer matching contribution to eligible employees based on their hire dates who satisfied the eligibility requirements of the Plan, worked 1,000 hours of service and be employed on the last day of the Plan year. The discretionary matching contribution amounted to $55,680 for the year ended December 31, 2020.

Investment Options

The Plan's assets are held by John Hancock Life Insurance Company of New York ("the Custodian"). Contributions by or on behalf of participants have been invested at their election in the pooled separate accounts and stable value fund administered by the Custodian.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution (if any) and (b) Plan earnings, and charged with transaction fees, if any and, an allocation of other administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. In addition, the Plan provides for participant withdrawals in the event of hardships, as defined in the Plan document.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate at the inception of the loan plus 1%. The maximum term for loans is generally five years unless the loan is used for the purchase of participant's primary residence. Loans used to purchase a primary residence may be repaid within a period of no more than 30 years. Principal and interest are paid ratably through payroll deductions.

If a participant fails to make a payment when a loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately, and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit to which a participant would otherwise be entitled to from the Plan.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions and the Company's discretionary profit-sharing contributions plus actual earnings thereon. All participants entering the Plan will have a nonforfeitable right to a percentage of the employer contributions based on the following schedule:

Years* of Vesting Service	Nonforfeitable Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

* A participant completing at least 1,000 hours of service during a vesting computation period receives credit for a year of service.

All participants entering the Plan will have a nonforfeitable right to 100% of the non-elective contributions.

Participant Distributions

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account or annual installments over a period of not more than their assumed life expectancy as determined at the time of distribution. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship Withdrawals

The Plan allows participant withdrawals for hardship in accordance with provisions of the Plan agreement. The distribution will be limited to the participant's elective deferrals. In addition, the participant will be prohibited from making any elective deferrals into the Plan for the six-month period following the date of the hardship distribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

The investments in pooled separate accounts and the common collective trust are valued at the net asset value (the "NAV") per share, as determined by the Custodian at year end. The NAV is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the assets held by the fund less its liabilities, and then divided by the number of shares outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, such management fees and operating expenses are reflected in the net appreciation or depreciation in the fair value of such investments.

Investment Alternatives

The Plan has an investment contract with the Custodian. Under the terms of the contract, the Custodian maintains the contributions in a pooled separate account and a common collective trust. Each participant establishes his or her own separate investment accounts within the pooled separate account. Investment accounts are sub-accounts within the pooled separate account, which primarily consists of mutual funds. The pooled account is entirely segregated from the general funds of the Custodian and is subject to the investment direction of the participants. Contributions into a participant's investment account purchase units of the sub-accounts. An investment in a fund will fluctuate in value to reflect the investment results of the fund's holding. The value of an account is determined by the value of the sub-account multiplied by the number of units in the account. Any income, gains or losses, whether realized or unrealized, will be credited to or charged against the account without regard to the other income, gains or losses of the Custodian. The sub-accounts are subject to an annual investment charge. The Plan allows inter-account transfers.

Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The administrative expenses of the Plan, other than transaction fees and other certain costs, are paid by the Plan Sponsor.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Company has evaluated subsequent events through September 21, 2021, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

3. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. RISKS AND UNCERTAINTIES (CONTINUED)

During 2020, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern." The pandemic has disrupted economic markets and the financial impact, duration and spread of the COVID-19 virus are uncertain at this time. The financial performance of the Plan's investments may be impacted by the market's response to the uncertainty of the situation; however, the duration of disruption and related financial impact cannot be reasonably estimated at this time.

4. FAIR VALUE MEASUREMENTS

Assets measured at fair value are based on the NAV used as the practical expedient for the pooled separate accounts and common collective trust.

5. FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NET ASSET VALUE PER SHARE

The following tables set forth a summary of the Plan's investments with a reported NAV per share at December 31, 2020 and 2019:

	Fair Value Estimated Using Net Asset Value per Share December 31, 2020				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trust	$ 666,555	$ -	Daily	None	None
Pooled separate accounts:					
Retirement funds (a)	5,516,683	-	Daily	None	None
Lifestyle funds (b)	787,996	-	Daily	None	None
Growth funds (c)	1,065,244	-	Daily	None	None

Aggressive funds (e)	1,104,622	-	Daily	None	None
Balanced funds (f)	14,004	-	Daily	None	None
Total pooled separate accounts	8,806,380	-	Daily	None	None
Total	$ 9,472,935	$ -			

5. FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NET ASSET VALUE PER SHARE (CONTINUED)

	Fair Value Estimated Using Net Asset Value per Share December 31, 2019				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trust	$ 482,563	$ -	Daily	None	None
Pooled separate accounts:					
Retirement funds (a)	4,688,487	-	Daily	None	None
Lifestyle funds (b)	584,328	-	Daily	None	None
Growth funds (c)	1,080,492	-	Daily	None	None
Fixed-income funds (d)	161,322	-	Daily	None	None
Aggressive funds (e)	461,034	-	Daily	None	None
Balanced funds (f)	25,502	-	Daily	None	None
Total pooled separate accounts	7,001,165	-	Daily	None	None
Total	$ 7,483,728	$ -			

The fair values of the investments have been estimated using the NAV of the investments:

(a) The retirement funds seek high total return through a target retirement date, with a greater focus on income beyond the date. Under normal market conditions, the portfolio will invest primarily in an array of underlying funds. This asset allocation strategy is designed for investors who expect to retire at a certain time and remain invested in the portfolio throughout their retirement years.

(b) The lifestyle funds portfolio seeks long-term growth of capital. Current income is also a consideration. To pursue this goal, the portfolio, which is a fund of funds, normally invests approximately 80% of its assets in underlying funds that invest primarily in equity securities, and approximately 20% in underlying funds that invest primarily in fixed-income securities. The portfolio offers instant and broad diversification with exposure to a wide range of asset classes and investment styles.

(c) The growth funds portfolio seeks long-term growth of capital. Current income is a consideration. To pursue this goal, the portfolio, which is a fund of funds, normally invests its assets in underlying funds that invest primarily in the common stocks of large and medium-sized companies (U.S. and foreign). The portfolio offers instant and broad diversification with exposure to a wide range of asset classes and investment styles.

(d) The fixed-income funds portfolio seeks a high level of current income by primarily investing in foreign debt securities of developed and emerging markets, U.S. government and agency securities, and U.S. high yield bonds. The funds may also invest in preferred stock and other types of debt securities.

5. FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NET ASSET VALUE PER SHARE (CONTINUED)

(e) The aggressive funds portfolio seeks long-term growth of capital. Current income is not a consideration. To pursue this goal, the portfolio, which is a fund of funds, normally invests approximately 100% of its assets in underlying funds that invest primarily in equity securities. The portfolio offers instant and broad diversification with exposure to a wide range of asset classes and investment styles.

(f) The balanced funds portfolio seeks current income, long-term growth of capital and income, and preservation of capital. To pursue these goals, the funds allocate their investments among a diversified mix of debt and equity securities. With regard to the funds' equity securities, the managers look for companies that appear to be undervalued compared to their historical valuations relative to the market. The funds' debt securities are used to enhance current income and provide some stability.

6. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2020 and 2019, and for the year ended December 31, 2020, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the Custodian and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Custodian that such information is complete and accurate.

	2020	2019
Investments:		
Pooled separate accounts	$ 8,806,380	$ 7,001,165
Common collective trust	666,555	482,563
Non-interest bearing cash	833	-
Total investments	9,473,768	7,483,728
Notes receivable from participants	65,466	89,047
Total certified assets	$ 9,539,234	$ 7,572,775

	2020
Net appreciation in fair value of investments	$ 1,048,220
Interest income on notes receivable from participants	$ 4,242

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are entitled to the entire amount of their employer contributions.

8. TAX STATUS

The Plan uses a volume submitter profit sharing plan document and received an opinion letter from the IRS dated March 31, 2014, which states that the prototype document satisfied the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the third-party administrator received its opinion letter from the IRS, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

9. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Additionally, certain administrative expenses are paid directly by the Plan Sponsor.

Certain assets of the Plan are held by a co-advisor of the Custodian; as such, these transactions qualify as party-in-interest transactions.
