MORTON COMMUNITY BANK
401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 - PLAN DESCRIPTION

The following description of the Morton Community Bank 401(k) Retirement Plan (Plan), formerly the Morton Community Bank 401(k) Plan, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

On January 1, 2020 the Plan was amended to include all companies in the control group. Effective on that date, The David Vaughan Investments, LLC Profit Sharing Plan and the James Unland & Co. 401(k) Salary Reduction Plan and Trust merged into the Plan and were eligible to participate in the combined Plan. Morton Community Bank and James Unland & Co. are wholly-owned subsidiaries of Hometown Community Bancorp, Inc. Hometown Community Bancorp, Inc. also owns an 80.01% stake in David Vaughan Investments, LLC.

Also effective January 1, 2020, the Third Party Administrator and Recordkeeper for the Plan was changed from Alerus Financial to Alliance Pension Consultants. David Vaughan Investments, LLC became the Investment Advisor for the Plan and Charles Schwab Trust Bank became the Plan custodian.

In addition, effective January 1, 2020, the Plan's hardship distribution provisions were amended to expand the list of expenses and circumstances that qualify for a hardship distribution and to require that participants certify they have insufficient cash or other liquid assets available to meet their hardship need. Employees are also no longer required to temporarily suspend their elective deferrals for six months during a hardship period.

General

The Plan is a defined contribution plan covering all employees of Morton Community Bank (Bank) as well as employees of Affiliated Employers, which includes James Unland & Co. and David Vaughan Investments, LLC age 21 or older and having attained three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Employees are eligible for discretionary profit sharing contributions if they are age 21 years or older and have completed one year of service.

In 2020, the Plan was amended to allow certain former Associated Bank, N.A. employees hired between October 19, 2020 and December 12, 2020 to waive the three month service requirement to begin participating in the Plan.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, or the maximum permissible amount under law, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various mutual fund investment options, a common collective investment trust, or self-directed brokered accounts offered by the Plan.

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Participants direct the investment of their contributions into various mutual fund investment options, a common collective investment trust, or self-directed brokered accounts offered by the Plan.

Employer contributions to the Plan are at the sole discretion of the Bank and other Affiliated Employers and is invested as directed by the participants. There were no Bank contributions for the years ended December 31, 2020 and 2019. There was no employer contribution made by James Unland & Co. for the 2020 Plan year. An employer contribution discretionary contribution of $356,182 was made by David Vaughan Investments, LLC for the 2020 Plan year.

Participant Accounts

Each employers' participant's account is credited with the participant's contribution and allocations of (a) the employer's discretionary contributions and (b) Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on the participant's eligible compensation or participant's account balance or participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions. Employer contributions vest based on a percentage of the total amount credited to the participant's account determined on the basis of the participant's number of years of service as shown below.

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable From Participants

Participants may borrow from their account balances a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The notes are secured by the participant's vested account balance and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid over a level amortization not less frequently than quarterly.

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, retirement, or other termination, a participant or beneficiary may elect to either receive a lump sum amount equal to the value of the participant's vested account balance or equal monthly, quarterly, or annual installment payments over a period of years not longer than their life expectancy or the joint and last survivor life expectancies of the participant and their beneficiary. If a participant's vested account balance does not exceed $5,000 at termination, it is distributed either in a single lump sum amount or rolled over to an IRA.

Forfeited Accounts

Forfeited nonvested accounts can be used to reduce administrative expenses or employer contributions. There was a balance of $108 and $0 in forfeited nonvested accounts as of December 31, 2020 and 2019, respectively. There were forfeitures of $0 used to reduce Company contributions for the years ended December 31, 2020 and 2019.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are recorded when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding deduction to contributions. The Plan distributed the 2020 and 2019 excess contributions to the applicable participants prior to March 15, 2021 and 2020, respectively.

Administrative Expenses

Administrative and operating expenses are paid either by the Plan or by the Bank. Total administrative expenses incurred by the Plan for the years ended December 31, 2020 and 2019 were $61,720 and $63,911, respectively.

Subsequent Events

Management evaluated subsequent events through September 15, 2021, the date the financial statements were available to be issued.

NOTE 3 – CERTIFICATION OF INVESTMENT INFORMATION

For 2020, Charles Schwab Trust Bank, the trustee of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2020, the statements of changes in net assets available for benefits for the year then ended, and the supplemental schedule of assets (held at the end of the year) as of December 31, 2020.

Alerus Financial, N.A., the trustee of the Plan, has supplied this information as of and for the year ended December 31, 2019 and for the period ending January 8, 2020.

NOTE 4 - FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds and unit investment trusts are valued at the net asset value ("NAV"), based on quoted market prices in active markets, of shares held by the Plan at year end. There have been no changes in the valuation methodologies used at December 31, 2020 and 2019.

The collective investment trust is valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

NOTE 4 - FAIR VALUE OF INVESTMENTS (CONTINUED)

Self-directed brokerage accounts primarily consist of common stocks, unit investment trusts, and mutual funds that are valued on the basis of readily determinable market prices. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Assets at Fair Value as of December 31, 2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$14,712,253	$ -	$ -	$14,712,253
Collective investment trusts	-	188,665	-	188,665
Self-directed brokerage accounts	19,756,962	-	-	19,756,962
Total Investments at Fair Value	$ 34,469,215	$ 188,665	$ -	$ 34,657,880

	Assets at Fair Value as of December 31, 2019			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$10,966,342	$ -	$ -	$10,966,342
Self-directed brokerage accounts	887,594	-	-	887,594
Total Investments at Fair Value	$ 11,853,936	$ -	$ -	$ 11,853,936

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the statements of changes in net assets available for benefits.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

For the 2020 Plan year, David Vaughan Investments was the investment advisor for the Plan and Charles Schwab Trust Bank was the plan custodian. Fees paid to David Vaughan Investments for the year ended December 31, 2020 were $17,221. For the 2020 Plan year, Alliance Pension Consultants was the third party administrator of the Plan. Fees paid to Alliance Pension Consultants for the year ended December 31, 2020 were $36,964.

For the 2019 Plan year and through January 8, 2020, certain Plan investments were managed by Alerus Financial, N.A. Alerus Financial, N.A. was the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Alerus Financial, N.A. for the investment management services amounted to $63,911 for the year ended December 31, 2019.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the employers have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in this Employer contributions.

NOTE 7 - TAX STATUS

The Employers have adopted a non-standardized prototype plan designed by FIS Business Systems LLC. The IRS has determined and informed FIS Business Systems LLC by a letter dated March 31, 2014, that their prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The prototype plan has been adopted and amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – CORONAVIRUS

The World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic on March 11, 2020. The COVID-19 pandemic has had a significant effect on global financial markets, supply chains, businesses, and communities. Specific to the Plan, COVID-19 may have impacted the rate of return earned by participants on Plan assets during 2020 and may continue to impact returns in the future.

COVID-19 has not had any significant impact on the employment practices of the Plan Sponsor or lead to any significant layoffs or other practices that may directly impact the Plan. Employer Plan contributions during 2020 were not significantly impacted by the results of the pandemic, but could be in future years.

NOTE 9 – RECONCILIATION OF NET ASSETS AVAILABLE FOR BENEFITS WITH FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2020:
