September 28, 2021

To the Plan Administrator and Management of  
Ergomed - PrimeVigilance 401(k) Plan  
Cary, North Carolina

We were engaged to perform a DOL limited scope audit of the financial statements of the Ergomed - PrimeVigilance 401(k) Plan (the "Plan") for the year ended December 31, 2020, and have issued our report thereon dated September 28, 2021. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. Professional standards require that we provide you with the following information related to our audit.

## **Our Responsibility Under Auditing Standards Generally Accepted in the United States**

As stated in our engagement letter dated February 8, 2021, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States (US GAAS) except that, as permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974* (ERISA) and as instructed by you, we did not perform any auditing procedures with respect to the information prepared and certified by Reliance Trust Company, the Trustee, in accordance with DOL Regulation 2520.103-5, other than comparing the information with the related information included in the financial statements.

As part of our audit, and except that we did not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information prepared and certified to by Trustee, we considered the internal control of the Ergomed - PrimeVigilance 401(k) Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

## **Planned Scope and Timing of the Audit**

We performed the audit according to the planned scope and timing previously communicated to your representatives in our discussions about planning matters, in addition to our engagement letter dated February 8, 2021, accepted by Ellen Jackman.

## **Significant Audit Findings**

### ***Qualitative Aspects of Accounting Practices***

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2020. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We had no significant differing opinions regarding management's accounting estimates.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements is as follows:

The disclosure of investment balances in Note 3 to the financial statements provides a basis to determine the level of market risk inherent in the participants' accounts.

The disclosures in the financial statements are neutral, consistent, and clear.

### ***Supplemental Schedule Accompanying Audited Financial Statements***

Our responsibility for the supplemental information accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the supplemental information, other than that derived from the information certified by the Trustee, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### ***Other Information in Documents Containing Audited Financial Statements***

The auditor's responsibility for other information in documents containing audited financial statements does not extend beyond the financial information identified in our report, and we have no obligation to perform any procedures to corroborate other information contained in a document.

Our responsibility is to read the other information and consider whether such information, or the manner of its presentation, is materially inconsistent with information appearing in the financial statements. We have read Form 5500, Annual Report of Employee Benefit Plan, and have found no material inconsistencies with the information appearing in the audited financial statements.

We are not aware of any documents or other information containing audited financial statements and, furthermore, management has not requested us to devote attention to any documents containing audited financial statements.

***Significant Difficulties Encountered During the Audit***

We encountered no significant difficulties in dealing with management in performing and completing our audit.

***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No such known or likely misstatements were identified during our audit.

In addition, we did not discuss any items that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

***Disagreements With Management***

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

***Management's Consultation With Other Accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters. To our knowledge, management has not obtained any opinions from other independent accountants on the application of accounting principles generally accepted in the United States that would affect the Plan's financial statements or on the type of opinion that may be rendered on the financial statements.

***Management Representations***

We have requested certain representations from management that are included in the management representation letter dated September 28, 2021, a copy of which accompanies this letter.

### ***Other Audit Findings or Issues***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors for the preceding year. However, these discussions occurred in the normal course of our professional relationship and our responses were not, in our judgment, a condition of our retention.

### **Independence**

There were no relationships between Wipfli LLP and the Plan that would reasonably be thought to bear on our independence.

### **Internal Control Related Matters Identified During the Audit**

Except as discussed in the Our Responsibility Under Auditing Standards Generally Accepted in the United States paragraph, in planning and performing our audit of the financial statements of the Ergomed - PrimeVigilance 401(k) Plan as of and for the year ended December 31, 2020, in accordance with US GAAS, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing an opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses; therefore, there can be no assurance that all such deficiencies have been identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We identified the following deficiencies in internal control that we consider to be significant deficiencies.

***Late Remittance of Employee Deferral Contributions (Time Delays Not Exceeding 15<sup>th</sup> Business Day)***

During our audit we noted sufficient controls do not appear to be in place to ensure employee contributions are remitted to the Plan in a timely manner. Employee contributions for various payrolls during the plan year had unexplained time delays between the payroll pay date and the remittance date to the Plan. Under DOL Reg. 2510.3-102(b), employers are required to remit the employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but in no event later than the fifteenth business day following the end of the month in which employee contributions are withheld or received by the employer. Failure to remit employee contributions to the Plan in a timely manner results in penalties to the Plan Sponsor. Please note that because you have evidenced your ability to deposit employee contributions within 3 to 4 days of the payroll pay date, the DOL would expect all deposits be made on the same timely basis. Deposits remitted outside of that time period may very likely constitute prohibited transactions by the DOL. We recommend the Plan Sponsor review the procedures involved in remittance of employee contributions to the Plan and institute the necessary controls to ensure employee contributions are remitted on a consistent and timely basis.

**Conclusion**

We appreciate the opportunity to be of service to PrimeVigilance USA Inc. We are prepared to address any questions you may have regarding our independence or the quality of the Plan's accounting principles as addressed throughout this letter.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of Ergomed-PrimeVigilance 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (US GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole.

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Reliance Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.
