 - d. Amendments to the Plan document during the year or subsequently.
 - e. Derivative financial instruments such as futures, forwards, swaps or options, or other financial instruments.
 - f. Securities lending arrangements, including the associated collateral and policy for requiring collateral.

purchases, loans, transfers, leasing arrangements and guarantees, have been disclosed to you, and have been appropriately accounted for and disclosed in the financial statements in accordance with the requirements of accounting principles generally accepted in the United States.

10. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:
 - a. Management, whether material or not.
 - b. Employees who have significant roles in internal control, whether material or not.
 - c. Others when the fraud could have a material effect on the financial statements.
11. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements received in communications from employees, former employees, participants, analysts, regulators, service providers, third party administrators, or others.
12. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices that could have a material effect on the financial statements in the event of noncompliance.
13. We believe the effects of cybersecurity risks and actual breaches are properly accounted for and disclosed in the financial statements.
14. The Plan and trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. The Plan sponsor has operated the Plan and trust in a manner that has not jeopardized this tax exempt status. The Plan has complied with fee disclosure requirements to participants under DOL Regulation Section 2550.404a-5, and has received the required disclosures from service providers under ERISA Section 408(b)(2). We understand that failure to comply could cause the Plan to enter into a prohibited transaction. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
15. All required filings of Plan and trust documents have been filed with the appropriate agencies. The Plan obtained its latest determination letter on October 2, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
16. There are no -
 - a. Nonexempt transactions with parties in interest, as defined in ERISA section 3(14) and related regulations, that were not disclosed in the supplemental schedules or financial statements.
 - b. Investments, loans, or leases in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - c. Reportable transactions as defined in ERISA section 103(b)(3)(H) and related regulations that were not disclosed in the supplemental schedules.
 - d. Untimely remittances of participant contributions to trusts containing assets for the Plan, as determined by the Department of Labor's participant contribution regulation (29 C.F.R. Sec 2510.3-102), that were not properly disclosed in the supplemental schedules.

17. The Plan has complied with the fidelity bonding requirements of ERISA.
18. There are no violations of any laws or regulations (including ERISA, DOL and IRS) whose effects should be considered for disclosure in the financial statements or as a basis for reporting a loss contingency, or other material liabilities or gain or loss contingencies that are required to be accrued or disclosed.
19. The Plan has satisfactory title to all owned assets. None of the Plan's assets were mortgaged, assigned, pledged, or encumbered by law in any other manner. No security agreements have been executed under the provisions of the Uniform Commercial Code, there are no liens or encumbrances on assets, and no assets have been pledged.
20. The Plan had no purchase commitments for investments at prices in excess of fair value at the date of the financial statements, no agreements to repurchase items previously sold, and no sales commitments at prices expected to result in losses on fulfillment.
21. All investments are valued at fair value, as defined by FASB ASC 820. Quoted prices in active markets for identical investments are used to determine fair values, when available. All matters of judgment involved in the calculation and determination of the fair values of investments, and all related valuation methods and assumptions and financial statement disclosures, including the reporting of investments within the fair value hierarchy defined by ASC 820, are the responsibility of management. The valuation methods and assumptions used are reasonable and supportable, have been determined in compliance with ASC 820, and have been adequately disclosed in the financial statements for all periods presented.

24. The form and content of the information included in the financial statements and supplemental schedule are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
25. We have complied with the applicable reporting and disclosure requirements under ERISA relating to the Summary Plan Description, Summary of Material Modifications, and the Summary Annual Report, as applicable.

27. There are no present intentions to terminate the Plan.
28. We have disclosed to you all known actual or possible litigation, claims and assessments whose effects should be considered by management when preparing the financial statements. These matters have been accounted for and disclosed in conformity with accounting principles generally accepted in the United States. The Plan, Plan Administrator, or Plan Sponsor on behalf of the Plan has not consulted with or been represented by legal counsel, during the period audited to the date of this letter, regarding any litigation, claims, or assessments asserted or unasserted, or qualification matters relating to the Plan.

CATALENT PHARMA SOLUTIONS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Catalent Pharma Solutions, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the summary plan description or the plan document for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan which was established effective April 18, 2007, covering substantially all U.S. employees of Catalent Pharma Solutions, LLC not covered by a collective bargaining agreement upon their date of hire, as well as employees of other participating employers. The Plan is sponsored by Catalent Pharma Solutions, LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Contributions to the Plan may consist of participant elective contributions, rollover contributions, safe harbor company matching, transition benefit, qualified non-elective contributions, special and discretionary employer contributions. Effective January 1, 2015 each participant who becomes eligible to participate in the Plan and who does not make an affirmative election either to contribute or not contribute to the Plan or to make elective deferrals at a specified level, shall be deemed to have elected to contribute 6% of their eligible compensation on a before-tax basis. In 2020, contributions to the Plan consisted of participant elective contributions, rollover contributions, safe harbor company matching, and qualified non-elective contributions.

Participants may elect to contribute up to 50% of their eligible compensation (subject to certain limitations), as defined by the Plan. Participants who have or will attain at least age 50 by the end of the Plan year may elect to contribute up to an additional \$6,000 during 2020 as a catch-up contribution.

Effective February 1, 2010, the Company amended the Plan to reinstate discretionary employer contributions. For the year ended December 31, 2020, the Company did not make a discretionary employer contribution.

Effective January 1, 2019 the Company amended and restated the plan document to match 100% of each participant's deferral contributions that do not exceed 4% of the participant's compensation. The Company shall not match any elective deferral amounts contributed by the participant in excess of 4% of compensation. Prior to January 1, 2019 employer matching contributions were at the discretion of the Company.

Transition benefits are contributed to certain qualifying participant accounts based on compensation levels and years of service. For the year ended December 31, 2020, the Company did not make any transition benefit contributions.

Participants direct the investment of their contributions in 1% increments into various investment options offered by the Plan. The Company's contributions are also invested as directed by participants.

Rollovers: Rollover contributions are permitted into the Plan in accordance with Internal Revenue Service ("IRS") regulations and plan provisions.

Participant Accounts: A separate account is maintained for each participant. Each participant's account is credited with his or her contribution, the Company's matching contribution and any additional Company contributions, as well as the investment earnings on their account balance. Each participant's account is charged with his or her withdrawals and an allocation of administrative expenses and Plan gains and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment elections at any time through the Plan's record-keeper.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Vesting: Plan participants are vested immediately in their elective deferral, safe harbor matching and transition benefit contributions, plus actual earnings thereon. Plan participants are vested after three years of service in the Company's discretionary, special and non-safe harbor contributions and become fully vested if the participant dies, becomes disabled, or reaches retirement age, as defined by the plan document, while employed by the Company.

Administrative and Investment Management Expenses: The Company may, at its discretion, pay for any administrative expenses incurred, with the exception of loan processing fees, which are paid by the participants. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Forfeited Accounts: Forfeited balances of participants' non-vested accounts are used to reduce future employer contributions or to pay for administrative expenses of the Plan. During the year ended December 31, 2020, \$21,795 of forfeitures were used to reduce employer contributions and \$40,374 of forfeitures were utilized to pay administrative expenses. At December 31, 2020 and 2019 unallocated forfeitures totaled \$12,576 and \$39,964, respectively.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 less the highest outstanding balance during the prior 12 months or 50% of their vested account balance. Primarily, loan terms range from 1 to 5 years or up to 15 years for the purchase of a primary residence. Participant loans are secured by the remaining vested balance in the participant's account and bear interest at a reasonable rate, currently Prime plus 1%, set monthly for the life of the loan. Loan repayments, including interest and applicable loan fees, are generally repaid through payroll deductions.

Effective March 27, 2020, qualified individuals may elect to suspend loan repayments due on or before December 31, 2020 per the CARES Act. The loan will be extended for one year from the date the loan was originally due to be repaid.

Distributions: A Participant may elect to receive a distribution at any time after his or her termination of employment or disability. Benefits will also be distributed to a participant's beneficiary upon his or her death. Benefits are distributed under one or both of the following methods: (i) a single lump-sum payment in cash or in property and (ii) installments over a period of no longer than a participant's assumed life expectancy determined at the time of distribution.

Effective March 27, 2020, qualified participants may take one or more COVID-19 related distributions from the nonforfeitable portion of their accounts not to exceed \$100,000 per the CARES Act.

Hardship Withdrawals: Participants may withdraw their employee pre-tax contributions and rollover contributions, if applicable, to satisfy immediate and heavy financial needs. In accordance with IRS regulations, participants must first exhaust all other assets available before obtaining a hardship withdrawal. All hardship withdrawals must be approved by the plan administrator.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported and related disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with an allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefit payments to participants are recorded when paid.

Excess Contributions: To satisfy relevant non-discrimination provisions of the Plan, certain active participants are required to have excess deferral contributions returned to them. There were no excess contribution distributions required for the year ended December 31, 2020.

NOTE 3 - UNAUDITED INFORMATION – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income (loss) and interest earned on notes receivable from participants, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by independent accountants.

NOTE 4 - FAIR VALUE MEASUREMENTS

A fair value hierarchy has been established which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs are described below that may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: Valued at quoted prices in active markets which represent the net asset value of the shares held by the Plan at year-end.

Collective trust: The fair value of participation units held in the collective trust is valued at net asset value of the shares, as determined by the underlying investments held by the plan at year-end and reported by the fund manager. The collective trust provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Wilmington Trust, N.A. Mid Cap Value Fund: The investment objective of this fund is to seek long-term capital gains and income.

Wilmington Trust, N.A. Victory RS Small Cap Growth Fund: The fund will be invested solely in units of the Victory RS Small Cap Growth Collective Fund, which seeks to deliver long-term capital growth through a disciplined, research-intensive approach that discovers and invests in dynamic, small-cap companies exhibiting sustainable earnings growth potential that can grow to mid and large-cap companies.

The following table sets forth the plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Collective trust fund*	\$ -	\$ -	\$ -	\$ 129,657,926
Mutual funds	388,638,536	-	-	388,638,536
Total	<u>\$ 388,638,536</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 518,296,462</u>

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth the plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2019:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Collective trust fund*	\$ -	\$ -	\$ -	\$ 18,112,976

Total	<u>\$ 375,492,515</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 393,605,491</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for plan benefits.

NOTE 5 - RISK AND UNCERTAINTIES

The Plan invests in various securities including mutual funds and collective trust funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is reasonably possible that changes in the values of investment securities will occur in the near term and, that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan's exposure to concentration of credit risk is limited by diversification of investments across all participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into various financial instruments.

A portion of the underlying assets of the collective trusts in which the Plan has invested may include derivative financial instruments. The Plan does not own any of these instruments directly. These instruments are used primarily to hedge exposures associated with currency exchange rates, interest rates, and other factors which may affect the value of securities.

In December 2019, a novel strain of coronavirus surfaced in Wuhan, China, and has spread around the world, with resulting business and social disruption. The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020. The ultimate impact of the coronavirus on the Plan and the Company will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others. The impact on the financial markets has not had a significant impact in the fair value of investments of the Plan.

NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 6 - FEDERAL INCOME TAX STATUS

The Plan received a favorable determination letter dated October 2, 2014 from the Internal Revenue Service indicating that the Plan is qualified and exempt under Section 401 of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE 7 - PLAN TERMINATION

Although the Company has not expressed any intention to do so, the Company reserves the right to modify, suspend, amend or terminate the Plan in whole or in part at any time subject to the provisions of ERISA. If the Plan is terminated, the amounts credited to the employer contribution accounts of all participants become fully vested.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain Plan investments are shares of mutual funds issued by an affiliate of the Plan trustee and a collective trust fund issued by the Plan trustee. Transactions within these investments, as well as expenses paid directly and indirectly by the Plan and notes receivable from participants are considered party-in-interest transactions.

NOTE 9 - SUBSEQUENT EVENTS

The Company has evaluated subsequent events for recognition and disclosure through September 29, 2021, the date which the financial statements were available to be issued.
