Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company (Fidelity), the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that Fidelity holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2020, and for the year then ended, that the information provided to the Plan administrator by the trustee is complete and accurate.

The supplemental schedules, Schedule H, line 4i—schedule of assets (held at end of year) at December 31, 2020, and Schedule H, line 4a—schedule of delinquent participant contributions for the year ended December 31, 2020, are required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedules.

Other Matter – 2019 Financial Statements

The financial statements of Dorchester Collection 401(k) Plan as of December 31, 2019, were audited by White Nelson Diehl Evans LLP, whose partners and professional staff joined CliftonLarsonAllen LLP as of November 1, 2020, and has subsequently ceased operations. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed White Nelson Diehl Evans LLP not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated August 28, 2020, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Dorchester Collection 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1988. It is a defined contribution plan covering all employees of Sajahtera, Inc. dba The Beverly Hills Hotel (the Company) who are not covered by a collective bargaining agreement, have completed one year of eligible service, and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's administrative committee oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Although it has not expressed the intention to do so, the Company has the right under terms of the Plan to discontinue its contributions at any time and to terminate the Plan subject to ERISA provisions.

Contributions

Employee contributions to the Plan (voluntary contributions) are deferrals of the employee's compensation made through a direct reduction of compensation in each payroll period of up to 60% of compensation. Subsequent to meeting eligibility requirements, employees are automatically enrolled in the Plan at a 6% deferral rate unless they elect to opt out. After a full year is completed of deferring contributions at this automatic rate, the deferral rate is increased by 1% at the beginning of each year until a maximum of 9% is reached or the participant elects to stop or change the deferral amount. Upon enrollment in the Plan, a participant may direct employee contributions in various investment options. Participants may change their options at any time. The maximum tax deferred contribution may not exceed the Internal Revenue Service (IRS) limit. Upon reaching the age of 50, eligible employees may make additional catch-up contributions as limited by the IRS. Participants may change the percentage they contribute as of the beginning of each month and may stop deferring at any time.

The Company makes a matching contribution of 100% of each participant's deferral for up to 6% of eligible compensation each pay period. The amount of compensation that may be taken into account each Plan year may not exceed the IRS limit. Participants are eligible for Company contributions upon completion of two years of service.

Additionally, the Plan allows for discretionary contributions by the Company. Discretionary contributions are allocated to participants based on a formula using total participants' compensation for the Plan year. There were no discretionary contributions for the year ended December 31, 2020.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and all the Company's matching and discretionary contributions and an allocation of Plan earnings and losses, net of investment management fees and administrative expenses. Allocations are based on participant account balances, as defined, and the specified investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Each participant's interest in all contributions is vested immediately.

Payment of Benefits

Upon termination, death, disability, or retirement, participants or their beneficiaries are entitled to payment of the total vested value of their account balances. Account balances less than $1,000 are distributed in a single lump sum cash payment to the participant or beneficiary. Additionally, under certain circumstances of financial hardship or upon attainting the age of 59-1/2, participants are allowed to withdraw portions of their funds from the Plan.

Forfeited Accounts

Amounts of nonvested matching contributions revert to the Company and may be used to pay Plan administrative expenses or to reduce future matching contributions. For the year ended December 31, 2020, no forfeitures were used to reduce employer contributions or Plan expenses. The forfeited nonvested account balances totaled $1,024 and $432 at December 31, 2020 and 2019, respectively.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000, or 50% of their total vested account balance. Loan transactions are treated as a transfer to (from) the respective investment fund from (to) the participant's loan fund. A participant must repay the loan within five years, unless he or she is terminated, retires, or becomes disabled, in which case the loan becomes immediately due and payable. Loans taken for the purpose of buying a primary residence must be repaid within 10 years. Loans bear a reasonable rate of interest as determined by the Plan sponsor. Principal and interest are paid ratably through payroll deductions and credited to the participant's fund balance. The loans are secured by the vested account balance in the participant's account, and a participant can only have one loan outstanding at any time.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. Some administrative expenses incurred by the Plan are absorbed by the Company, except for fees related to the administration of withdrawal processing fees, recordkeeper fees, and trustee fees, which are deducted from the applicable participants' accounts. Participant fees are allocated to participant accounts based on relative account balance.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Administrative Expenses (Continued)

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation on investments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). References to the "ASC" hereafter refer to the Accounting Standards Codification established by the Financial Accounting Standards Board (FASB) as the source of authoritative U.S. GAAP.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. At December 31, 2020 and 2019, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. As further described in Note 6, fair value of the Plan's investment in the pooled separate account and common collective trusts is measured using the net asset value per share (NAV) as a practical expedient. The Plan's administrative committee determines the Plan's valuation policies.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits in net appreciation in fair value of investments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Contributions Receivable

Contributions receivable represent amounts that have been contributed prior to year-end, but not received by the Plan until subsequent to year-end.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur and that such changes in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and earnings on investments and interest and dividends for the Plan year ended December 31, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company (Fidelity), the trustee of the Plan.

NOTE 5 INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820*, Fair Value Measurements and Disclosures* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under this FASB framework are described as follows:

Level 1 – Defined as observable inputs such as quoted prices in active markets.

Level 2 – Defined as inputs other than quoted prices in active markets that are either directly or indirectly observable.

NOTE 5 INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Defined as unobservable inputs in which little or no market data exists therefore requiring an entity to develop its own assumptions.

The Plan uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There were no Plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on the quoted price of the shares held by the Plan at year-end. Mutual funds totaled $28,709,342 and $24,194,211 at December 31, 2020 and 2019, respectively. The fair value of the pooled separate account and common collective trusts is based on NAV provided by the issuer and is not included in the fair value hierarchy inputs.

NOTE 6 NET ASSET VALUE PER SHARE

Fair value of the Plan's pooled separate account and common collective trusts is measured using NAV at December 31, 2020 and 2019, as a practical expedient. The NAV practical expedient is based on the fair value of the underlying assets owned by the investments, minus its liabilities, and then divided by the number of units outstanding. The following tables set forth a summary of the Plan's investments whose fair value is estimated using NAV (or its equivalent):

December 31, 2020	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled Separate Account	$ 7,940,547	None	Daily	None	None
Common Collective Trusts	24,110,842	None	Daily	None	None
Total	$ 32,051,389				

December 31, 2019	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled Separate Account	$ 7,791,536	None	Daily	None	None
Common Collective Trusts	24,398,648	None	Daily	None	None
Total	$ 32,190,184				

NOTE 7 TAX STATUS

The Plan adopted the Volume Submitter Profit Sharing Plan with a cash or deferred arrangement sponsored by Fidelity Management & Research Company (FMRC). The IRS has determined and informed FMRC by a letter dated March 31, 2014, that the volume submitter plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the volume submitter plan has been amended since receiving the determination letter, the Plan administrator believes that the volume submitter plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan; it has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants represent loans to employees and therefore qualify as party-in-interest transactions. The Plan also has a number of service providers. Such providers are parties in interest under ERISA.

NOTE 9 DELINQUENT CONTRIBUTIONS

In 2020, the Plan had withholdings of employee contributions that were not allocated to participants' accounts within the time-frame guidelines outlined by the Department of Labor. These contributions are considered prohibited transactions and are reported on Schedule H, line 4a—schedule of delinquent participant contributions. The Company will complete the process of correcting these delinquent contributions in 2021.

NOTE 10 SUBSEQUENT EVENTS

The Company has evaluated subsequent events through September 29, 2021, which is the date the accompanying financial statements were available to be issued.

Administrative Committee
Dorchester Collection 401(k) Plan
Beverly Hills, California

We have conducted a Department of Labor limited-scope audit of the financial statements of the Dorchester Collection 401(k) Plan (the Plan) as of and for the year ended December 31, 2020, and have issued our report thereon dated September 29, 2021. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information prepared and certified to by Fidelity Management Trust Company, the trustee, in accordance with Department of Labor Regulation 2520.103-5, other than comparing the information with the related information included in the financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules taken as a whole. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. Professional standards also require that we communicate to you the following information related to our audit.

Significant audit findings

Qualitative aspects of accounting practices

Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Dorchester Collection 401(k) Plan are described in Note 2 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2020.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There are no sensitive estimates affecting the financial statements.

Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were

reported in Note 9 regarding the disclosure of the nonexempt transactions and discusses the untimely remittances of employee deferrals and loan repayments.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management did not identify and we did not notify them of any uncorrected financial statement misstatements.

Corrected misstatements

None of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations

We have requested certain representations from management that are included in the management representation letter dated September 29, 2021.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other information in documents containing audited financial statements

With respect to the supplemental schedules required by the Department of Labor accompanying the financial statements, we performed certain audit procedures, as we considered necessary, to express an opinion on whether the form and content of the information included in the supplemental schedules, other than that derived from the information certified by the trustee, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Also, as required by professional standards, we read the supplemental schedules required by the Department of Labor in order to identify material inconsistencies between the audited financial statements and the supplemental schedules. We did not identify any material inconsistencies between the supplemental schedules and the audited financial statements.

Other information is being included in documents containing the audited financial statements and the auditors' report thereon. Our responsibility for such other information does not extend beyond the financial information identified in our auditors' report. We have no responsibility for determining whether such other information is properly stated and do not have an obligation to perform any procedures to corroborate other information contained in such documents. As required by professional standards, we read the Form 5500 (the other information) in order to identify material inconsistencies between the audited financial statements and the other information. We did not identify any material inconsistencies between the other information and the audited financial statements.
