NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Orbis Holdings Group, LLC 401(k) Savings & Investment Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a multiple employer defined contribution profit-sharing plan and trust with a qualified cash or deferred 401(k) arrangement covering all employees, except nonresident aliens, of Orbis Holdings Group, LLC (the “Company”) and its adopting employers. The Orbis Holdings Group, LLC 401(k) Savings & Investment Plan was established by Orbis Holdings Group, LLC on January 1, 2003 and offers this 401(k) arrangement option to multiple employers. The Plan was amended and restated in its entirety on March 1, 2015, and amended effective September 15, 2017.

All participating employers of this multiple employer plan have signed adoption agreements that enable them to accept or modify the elections of a master plan document to meet their needs. Each Companies’ adopted plan agreement should be referred to by the participants for additional information regarding plan specifications. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Transamerica Life Insurance Company is the Plan’s trustee and also provides recordkeeping services to the Plan. The plan administrator has overall responsibility for the operation and administration of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) was signed into law December 29, 2019, and the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020. These laws, among other things, include several relief provisions available to tax-qualified retirement plans and their participants. The implementation of the provisions is at the discretion of plan management. Some of the more notable provisions under the CARES Act allow qualified individuals to take coronavirus-related distributions and loans, as defined in the CARES Act, of up to \$100,000 during 2020; provide relief of loan repayment by allowing a one-year deferral of loan repayments due between March 27, 2020 and December 31, 2020; provide a temporary suspension for 2020 required minimum distributions and delay the commencement date for required minimum distributions.

The Plan has elected to adopt the temporary provisions of the CARES Act. The Plan will be amended for any provisions elected in accordance with applicable law and IRS guidance.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Contributions

Participants may contribute 40% of annual eligible compensation, as defined in the Plan, and designate those contributions as either pre-tax or Roth. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company and participating employers' matching contributions are discretionary and determined as a percentage of participant elected deferrals. Each participating employers' discretionary match is determined by that employer each plan year.

Discretionary profit-sharing contributions are determined annually by the Company and participating employers. Profit sharing contributions are allocated to each participant based upon the ratio of the participant's compensation to the total compensation of the Company. There were no profit sharing contributions for the year ended December 31, 2020.

Contributions are subject to certain IRS limits. Participants direct the investment of their contributions, including their employer contribution, into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, employers' discretionary matching contributions and employers' discretionary profit-sharing contributions, as well as allocations of the Company's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their participant contributions plus earnings thereon. Vesting in the employer contribution portion of their accounts is based on years of service. After two years of service, a participant becomes 20% vested in employer contributions in the Plan; the vesting increases by 20% each year. A participant is 100% vested after six years of credited service, or upon reaching plan retirement age of sixty-five, death or disability. Each participating employer provides vesting of employer contributions; see specific plan agreements for service criteria, vesting percentages, and the policies regarding vesting upon termination.

INVESTMENT PLAN**
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of the participant's vested account balance, whichever is less. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1% above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of Vested Benefits

On termination of service due to death, disability or retirement, participants may elect to receive an amount equal to the value of the vested interest in their accounts in either a lump-sum amount or in installments, depending on the size of the participant's account balance at the time of termination. Participants with a vested account balance of less than or equal to \$5,000, the entire sum will be distributed as soon as possible following the participant's separation from service. If the participants vested balance is greater than \$5,000, they must elect to receive a lump-sum distribution or installments, annuities are not permitted. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump-sum distribution.

In-service distributions are allowed when a participant reaches age 59½. Rollover contributions may be withdrawn at any time. The Company may authorize certain withdrawals from a participant's account in the event of proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeitures

Forfeitures are used to reduce the participating employers' matching and profit-sharing contributions to the Plan or to pay Plan expenses. For the year ended December 31, 2020, forfeitures in the amount of \$256 were used to pay plan expenses. There were unallocated forfeitures of \$6,379 and \$9,337 at December 31, 2020 and 2019, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

INVESTMENT PLAN**
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Recent Accounting Pronouncements Adopted in the Current Year

The Financial Accounting Standard Board (“FASB”) issued Accounting Standard Update (“ASU”) No. 2018-13 *Fair Value Measurements Topic (820), Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurements*, in August 2018. ASU No. 2018-13 eliminates certain disclosures including the disclosure related to transfers between Level 1 and 2 investments, the valuation policies for Level 3 measurements, and for nonpublic entities, the change in the Level 3 investment unrealized gains and losses included in earnings. ASU No. 2018-13 also amends certain disclosures including disclosing purchases, sales, and transfers for Level 3 investments instead of the Level 3 roll forward. ASU No. 2018-13 is effective for periods beginning after December 15, 2019. The plan adopted the ASU effective January 1, 2020. There was no material impact on the Plan’s financial statements as a result of the adoption.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

INVESTMENT PLAN**
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with the corresponding reduction to contributions. The Plan did not distribute the 2020 excess contributions to the applicable participants prior to March 15, 2021, therefore the plan sponsor is subject to a 10% excise tax.

Other Receivable

Other receivable consists of funds owed by the Plan sponsor for fees paid during the year ended December 31, 2020.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Personnel and facilities of the Company have been used by the Plan for its accounting and other activities at no charge to the Plan.

Subsequent Events

The Plan Sponsor has performed a review of events subsequent to the statements of net assets available for benefits date through September 22, 2021, the date the financial statements were available to be issued, and has determined that there are no material events that have occurred during this period, except as disclosed in Note 10.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments and interest for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Transamerica Life Insurance Company (the trustee of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Pooled separate accounts: Valued at the net asset value (NAV) of units of the fund, which is based on the estimated market value of the underlying investments less its liabilities. The NAV is used as a practical expedient to estimate fair value.

Stable value fund: A stable value fund that is valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only.

NOTE 5 – PARTIES-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. During the year ended December 31, 2020, there were direct fees of \$47,751, and during the years ended December 31, 2020 and 2019, there were transactions involving the investment of plan assets in investment funds maintained by Transamerica Life Insurance Company and M Holding Securities, Inc., and auditing fees charged by UHY LLP, parties-in-interest as defined in Section 3(14) of ERISA. Indirect fees paid by the Plan for investment management services are included in the net appreciation of the fair value of investments.

NOTE 6 – PROHIBITED TRANSACTION

The Plan Sponsor failed to distribute all eligible contributions to a participant based on vesting percentages pursuant to the Plan document. Failure to distribute all eligible contributions based on vesting percentages constitutes a prohibited transaction. The Plan distributed the remaining funds of \$3,811 to the participant subsequent to December 31, 2020.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – TAX STATUS

The Plan is a volume submitter document plan for which the Internal Revenue Service has issued an advisory letter dated July 7, 2014, stating that while they do not issue a determination as to whether a specific employer's plan is qualified, any employer who adopts this plan document will be considered to have a plan qualified under code section 401(a) provided all the terms are not more favorable for officers, owners, or highly compensated employees than for other employees. Management believes that the Plan is operating in accordance with the terms provided in the volume submitter document.

The Plan is subject to examination by the Internal Revenue Service for the statutory period.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the COVID-19 pandemic, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, causing substantial fluctuations in the value of the Plan's investments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

NOTE 10 – SUBSEQUENT EVENT

Subsequent to December 31, 2020, two participating employers were added into the Plan, Indiana Spray Foam, LLC and MJ Assets, LLC who adopted the Plan effective January 1, 2021 and February 1, 2021, respectively.
