Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Columbiana County Mental Health Clinic 403(b) Thrift Plan, which comprise the statements of net assets available for benefits- modified cash basis as of December 31, 2020 and 2019, and the related statements of changes in net assets available for benefits- modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the presentation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Mutual of America Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule H, line 4i - schedule of assets (held at end of year), as of December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A – DESCRIPTION OF PLAN

The following description of the Columbiana County Mental Health Clinic 403(b) Thrift Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering all employees of the Columbiana County Mental Health Clinic (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions
Participants may elect to contribute, on a wage reduction basis, a portion of their pretax annual compensation but not to exceed certain limitations. There is no minimum age or service requirement for participants to make contributions into the Plan. In addition, the Company, at its sole discretion, may contribute an employer base contribution to the Plan as determined by the Company’s Board of Directors. Participants must be at least 21 years of age and have completed at least six months of service in order to receive the employer base contribution.

Participant Accounts
Each participant’s account is credited with the participant’s contributions and an allocation of the Company’s discretionary contribution and the Plan earnings and losses and administrative expenses. Allocations of the Plan’s earnings and losses are based on the proportion that each participant’s account bears to the total of all participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

The Company’s discretionary contributions are allocated based on a percentage of wages to participants who were actively employed on the last day of the plan year. During the years ended December 31, 2020 and 2019, no discretionary contributions were made by the Company.

Vesting
Participants are immediately fully vested in their voluntary contributions plus actual earnings thereon. A participant becomes 100% vested in employer base discretionary contributions after three years of service.

Plan Loans
Participants may borrow amounts directly from the Plan custodian. Plan loans may be requested by a participant, using their account as collateral for the Plan loan. A Plan loan is not treated as a distribution from the Plan and is not considered a Plan asset. Therefore, Plan loans are not reported on the statements of net assets available for benefits. A participant may apply for a Plan loan to be made from his or her vested account balance in the Plan not to exceed the lesser of (i) $50,000 or (ii) 50% of the participant’s vested account balance in the Plan. Loans may be further limited by the funding vehicles.

At December 31, 2020 and 2019, there was $16,052 held within participant accounts in the Interest Accumulation Account on the statement of net assets available for benefits, which served as collateral against outstanding Plan loan balances. At December 31, 2020, variable interest rates of Plan loans were 2.70%.

NOTE A – DESCRIPTION OF PLAN (continued)

Payment of Benefits
Benefits are payable in an amount equal to the value of the participant's vested interest in his or her account, either in a lump-sum payment, specified payment option as defined by the Plan, or in a direct rollover to an IRA or other employer plan.

Forfeitures
If a participant is not vested upon termination, the nonvested portion of their account balance contributed by the employer and the earnings thereon are forfeited. Forfeited amounts are first used to pay certain plan expenses. Any remaining amount will be used to reduce the employer base discretionary contribution. Forfeited non-vested accounts were not utilized to pay plan expenses, or reduce employer discretionary contributions for the years ended December 31, 2020 and 2019. At December 31, 2020 and 2019, forfeited nonvested accounts totaled $5,926 and $5,869, respectively.

Plan Termination
Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting
The accounting records of the Plan are maintained on the modified cash basis of accounting. The modified cash basis for presentation differs principally from accounting principles generally accepted in the United States of America in that there are no provisions for employee or employer contributions receivable and no provision for any liabilities of the Plan. Contributions and earnings are recorded when received by the Plan and distributions and expenses are recorded when paid by the Plan.

Use of Estimates
The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded when received. Dividends are recorded on the settlement date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits
Benefits are recorded when paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses
Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2020 and 2019 and net change in investment income and expenses for the years ended December 31, 2020 and 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Plan's custodian, Mutual of America Life Insurance Company.

NOTE D – FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 fair value inputs are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions.

Level 3 fair values are based on at least one significant unobservable input for the asset. Level 3 securities contain unobservable market inputs and as a result considerable judgment may be used in determining the fair values.

Certain investments are measured at fair value using the net asset value (NAV) per share, or its equivalent, as a practical expedient. These investments include commingled funds which may include money market funds, common collective trusts and pooled separate accounts which are typically valued using the NAV provided by the administrator of the fund. The Plan assets include pooled separate accounts. In accordance with accounting guidance, these investments have not been classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

NOTE D – FAIR VALUE MEASUREMENTS (continued)

Pooled Separate Accounts (PSA) – As a practical expedient, net asset value (NAV) of each of the separate accounts is calculated in a manner consistent with the modified cash basis of accounting for investment companies and is determinative of their fair value and represents the price at which the Plan would be able to initiate a transaction. Several of the separate accounts invest in publicly quoted mutual funds or actively managed stocks. The fair value of the underlying mutual funds or stocks is used to determine the NAV of the separate account, which is not publicly quoted. Some of the separate accounts also invest in fixed income securities. The fair value of the underlying securities is based on quoted prices of similar assets and used to determine the NAV of the separate account.

General Account: As a practical expedient, valued at NAV of units held at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019

	Assets Measured at Fair Value at December 31, 2020 on a Recurring Basis			
	Level 1	**Level 2**	**Level 3**	**Total**
Investment at net asset value:				
Pooled separate accounts	**$ -**	**$ -**	**$ -**	**$ 1,619,712**
General account	**-**	**-**	**-**	**1,074,124**
Total	**$ -**	**$ -**	**$ -**	**$ 2,693,836**

	Assets Measured at Fair Value at December 31, 2019 on a Recurring Basis			
	Level 1	Level 2	Level 3	Total
Investment at net asset value:				
Pooled separate accounts	$ -	$ -	$ -	$ 1,389,797
General account	-	-	-	1,097,709
Total	$ -	$ -	$ -	$ 2,487,506

None of the pooled separate accounts are currently subject to withdrawal limitations. Unfunded commitments typically are found in private equity funds and therefore not applicable to pooled separate accounts or mutual funds. Pooled separate accounts can be redeemed on a daily basis.

NOTE E – TAX STATUS

The Plan has been individually designed to qualify under Section 403(b) of the Internal Revenue Code ("Code"). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS). The Plan has not obtained a determination letter from the IRS because there is currently no IRS determination letter program for individually designed 403(b) plans. The Plan custodian (Mutual of America Life Insurance Company) has applied for an opinion letter under the 403(b) pre-approved program and is awaiting a response from the IRS. Management of the plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and has no income subject to unrelated business income tax, therefore, the Plan was qualified and tax-exempt as of the financial statement date.

NOTE F – PARTY-IN-INTEREST

Certain parties provide services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. These services are parties-in-interest transactions. The Plan also invested in pooled separate accounts within a group annuity contract managed by Mutual of America Life Insurance Company, the custodian of the Plan's investments. These transactions also qualify as party-in-interest transactions.

NOTE G – RISKS AND UNCERTAINTIES

The Plan provides various investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits – modified cash basis.

During March 2020, the outbreak of the COVID-19 virus created a public health emergency disrupting business activities at all levels. As a result, economic uncertainties have arisen which are likely to negatively impact future operating results. However, the related financial impact and duration cannot be reasonably estimated at this time.

NOTE H – SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 24, 2021, which is the date the financial statements were available to be issued.

Effective July 1, 2021, the Plan was amended by the employer to allow employer matching contributions to the Plan for eligible participants. Each participant shall receive an amount equal to 50% of their salary reduction contributions that were deferred during the Plan year, not to exceed 5% of their compensation received during the Plan year.
