1. DESCRIPTION OF PLAN

The following description of the SPR Packaging, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of SPR Packaging, LLC ("the Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the Plan Sponsor and Plan Administrator. Sunwest Trust, Inc. (Sunwest), serves as the trustee of the Plan, and Betterment for Business, LLC (Betterment) serves as the recordkeeper to the Plan.

Eligibility

Employees of the Company that are not nonresident aliens or represented by a collective bargaining agreement are eligible to participate in the Plan. Employees of the Company are eligible to participate in the Plan upon the attainment of 18 years of age and completion of one month of service. Contributions begin on the first day of the calendar month coincident with the payroll period following completion of each of these eligibility requirements. Eligibility for any of the Company's discretionary profit-sharing contributions requires the participant to be employed on the last day of the Plan year.

Contributions

The Plan allows participants to contribute up to 100% of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. The Plan provides an automatic enrollment provision in which newly eligible participants are enrolled to contribute 6% of their annual salary, unless the participant elects otherwise.

The Plan provides for a safe harbor matching contribution. Under this provision, the Company contributes an amount equal to 100% of employee contributions not to exceed 3% and 50% of the amount of employee contributions in excess of 3%, but not to exceed 5%. The Company may also make a discretionary additional non-safe harbor match or profit-sharing contribution on behalf of participants. The Company elected not to make any discretionary profit sharing contributions during 2020 or 2019.

Participant Accounts

Participant accounts are credited with participant contributions, company safe harbor matching and discretionary contributions, and actual earnings and losses thereon. Plan expenses are allocated based on participant account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting
Participants are vested immediately in all employee and employer contributions and actual earnings and losses thereon.

Benefit Payments
Upon termination due to retirement, death, resignation or permanent and total disability, the value of the participant's account may be paid in a lump sum or rolled over to another qualified plan. The normal retirement age is the date a participant reaches the age of 65. Additionally, the Plan provides for in-service withdrawals once a participant has reached the age of 59 ½, even if still employed.

Benefit payments from the Plan will be made in a lump sum distribution if the balance is less than $1,000 and the participant does not direct the Plan otherwise.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted from a participant's account.

Notes Receivable from Participants
Participants may borrow up to the lesser of $50,000 or 50% of their vested account balance, with a minimum required borrowing of $1,000. Loan terms range from one to five years but may be extended if proceeds are used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. Participants are limited to one loan outstanding at any time during the Plan year.

Administrative Expenses
The Plan pays certain administrative expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Company.

Plan Termination
Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participant accounts are fully vested.

Coronavirus Aid, Relief and Economic Security Act
The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020 and provided relief options for retirement plan sponsors and participants who met certain eligibility requirements. The optional features that the Plan has operationally followed included, among others, allowing Coronavirus related distributions, loan repayment deferrals, and suspending required minimum distributions. Most of the provisions of the CARES Act expired on December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments and Income Recognition
Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements – Definition and Hierarchy
Financial Accounting Standards Board Accounting Standards Codification 820 (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Risks and Uncertainties
Investment securities are exposed to various risks, such as interest rate, market, economic conditions, world affairs, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the accompanying financial statements.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Benefit Payments
Benefits are recorded when paid.

Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Sunwest as of and for the years ended December 31, 2020 and 2019:

	2020	2019
Investments	$ 7,928,869	$ 5,872,843
Notes receivable from participants	$ 436,872	$ 461,283
Investment income	$ 624,713	$ 906,708
Interest on notes receivable from participants	$ 25,050	$ 22,672
Schedule of assets (held at end of year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2020:

	Level 1	Level 2	Level 3	Total
Exchange-traded funds	$ 7,928,869	$ -	$ -	$ 7,928,869

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2019:

	Level 1	Level 2	Level 3	Total
Exchange-traded funds	$ 5,872,843	$ -	$ -	$ 5,872,843

The following is a description of the valuation methodology used for assets measured at fair value:

Exchange-traded funds: Valued at fair value based on quoted market prices in active markets.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Sunwest Trust, Inc. is the trustee of the Plan. As such, transactions involving Sunwest Trust, Inc. and the Plan qualify as party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions, as well as transactions between the Company and the Plan.

6. INCOME TAX STATUS

The Plan is designed from a prototype plan provided by Betterment. The IRS has determined and informed Betterment, by the letter dated March 31, 2014, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan itself has not received a determination letter from the IRS. However, the Plan Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 at December 31:

	2020	2019
