NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Pegasus Technical Services, Inc 401(K) Plan (the "Plan") is provided for general information purposes only. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants should refer to the Plan document for more complete information.

General

The Plan was established January 1, 2005 and was restated on November 1, 2015. All employees of Pegasus Technical Services, Inc. (the "Company") are eligible to participate in the Plan once they are hired. Normal retirement age is 65 years of age.

Contributions

Each year, participants may make voluntary contributions to the Plan up to 90% of their compensation, subject to certain Internal Revenue Code ("IRC") limitations. The Company has historically made a safe harbor nonelective contribution of at least 5% of each eligible participants' eligible compensation.

Participant Accounts

Each participants' account are credited with the participants' contribution, and an allocation of the Company's contributions and investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service due to death, disability, retirement, other termination of employment with the Company, or termination of the Plan, the participant's account is distributed under several options. Participants may choose to receive the benefit in the form of cash, an insurance contract, or an annuity. If a participant's vested interest is less than \$5,000, the Plan can distribute their balance without the participant's consent.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Participants are immediately vested in the Company's safe harbor nonelective contributions plus earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50 percent of their vested balance. The maximum loan period cannot exceed five years, unless the loan is used for the purchase of participant's primary residence. Loans bear interest at the Prime Rate published in the Wall Street Journal on the 14th day of each month, plus 1%. Participants are allowed to have one loan outstanding at a time.

Administrative Expenses

Certain expenses for administering the Plan are paid by the Company. The Company provides the Plan with certain accounting and administrative services for which no fee is charged.

PEGASUS TECHNICAL SERVICES, INC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2020 and December 31, 2019

NOTE 1 - DESCRIPTION OF PLAN (Continued)**Plan Operations**

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act of 2019 was signed into law. The SECURE Act had provisions that were effective for years beginning after December 31, 2019 and for years beginning after December 31, 2020. The Plan implemented the SECURE Act provision that changed the age of initiation for required minimum distributions ("RMDs") from 70.5 to age 72 for all retirement accounts subject to RMDs. This change for taking a participant's first RMD from age 70.5 to age 72 affects participants who had not attained age 70 ½ by December 31, 2019. The Plan intends to implement the SECURE Act provisions that are effective for years beginning after December 31, 2020 in 2021. Plan management intends to formally amend the Plan for these provisions before the end of the remedial amendment period to reflect such provisions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**Basis of Accounting**

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Common collective trusts are valued at the net asset value of the shares held by the Plan at year-end as a practical expedient, which is based on the fair value of the underlying assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and certain operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and certain operating expenses are reflected as a reduction of investment return for such investments.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

PEGASUS TECHNICAL SERVICES, INC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2020 and December 31, 2019

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Notes Receivables from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Adoption of New Accounting Pronouncement

In January 2016, FASB issued ASU No. 2016-01, Financial Instrument (Subject 825-10) – Overall Recognition and Measurement of Financial Assets and Liabilities. ASU No. 2016-01 amended ASC 825, Financial Instruments, which eliminates the requirements to disclose the fair value of financial instruments not recorded at fair value required under ASC 825. The ASU is effective for years beginning after December 15, 2018. ASU No. 2016-01 was adopted by the Plan on January 1, 2019 and did not have a significant impact on the Plan's financial statements.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 4 - INCOME TAX STATUS

The Plan has adopted a standardized prototype plan. The prototype plan has received an opinion letter dated July 16, 2014 from the Internal Revenue Service ("IRS") as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRS.

The plan administrator believes it is no longer subject to income tax examinations for the years prior to 2017. There are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2020 and December 31, 2019

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Reliance Trust Company (the trustee of the Plan):

	<u>December 31, 2020</u>	<u>December 31, 2019</u>

Mutual funds	\$ 5,299,250	\$ 4,213,473
Common collective trusts	<u>211,054</u>	<u>247,906</u>

Notes receivable from participants	\$ <u>49,128</u>	\$ <u>59,441</u>
Interest on notes receivable from participants	\$ <u>3,136</u>	

NOTE 6 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurement

Mutual Funds – Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts in the statement of net assets available for benefits.

Gains and losses (realized and unrealized) included in changes of net assets available for benefits for the year ended December 31, 2020 are reported in net appreciation (depreciation) in fair value of investments.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The investment in Common Collective Trusts for which fair value is measured using the net asset value per share practical expedient was \$211,054 and \$247,906 as of December 31, 2020 and December 31, 2019, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. As of December 31, 2020 and December 31, 2019, there were no unfunded commitments. The investment carries a daily redemption frequency, with a redemption notice period of 12 months at December 31, 2020 and December 31, 2019.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Reliance Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the administration services amounted to \$20,831 for the year ended December 31, 2020.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

To the Trustee and 401(K) Plan Committee of the
Pegasus Technical Services, Inc 401(K) Plan

We have conducted a DOL limited-scope audit of the financial statements of Pegasus Technical Services, Inc 401(K) Plan (the "Plan") for the year ended December 31, 2020 and have issued our report thereon dated September 13, 2021. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 7, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Pegasus Technical Services, Inc 401(K) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2020. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value of mutual funds as described in Note 6 are valued at quoted market prices. Common collective trusts are valued at the net asset value of the shares held by the Plan as a practical expedient. We evaluated the key factors and assumptions used to develop the fair value measurement of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no such misstatements noted.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 13, 2021.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of Pegasus Technical Services, Inc. and management of Pegasus Technical Services, Inc 401(K) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
