### Note 1 - Plan Description

The following description of BHI Senior Living, Inc. Employee Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan sponsored by BHI Senior Living, Inc. (the "Company") for the benefit of a majority of its employees who are at least 21 years old. The Plan recognizes service from the predecessor employer, Baptist Homes of Indiana, Inc. Participating employers include SLDevelopment, Inc. and BHI Retirement Communities, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Contributions**

The Plan permits eligible employees through a salary deferral election to make annual contributions up to the maximum annual limit defined by Internal Revenue Code (IRC) limitations. Rollover, catch-up, and Roth contributions are also permitted. The Plan also provides for a safe harbor match of 100 percent up to salary deferrals of 5 percent of plan compensation. Additionally, a discretionary employer contribution can be allocated to participants based on a participant's annual salary, as defined in the Plan, for participants who have completed one year of service. The Company did not elect to make this discretionary employer contribution during 2020.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

#### **Vesting**

Participants are immediately 100 percent vested in their voluntary contributions and company safe harbor contributions, plus earnings thereon. Vesting in the Company's discretionary employer contribution portion of their accounts, plus actual earnings thereon, is based on years of service. Participants become fully vested after three years of service.

#### **Forfeitures**

In the case where an employee is terminated prior to being 100 percent vested, the nonvested portion of the employee's account balance is used to reduce the Company's contributions.

#### **Benefit Payments**

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

In accordance with the Coronavirus Aid, Relief, and Economic Security Act, between March and December 31, 2020, eligible participants could request a coronavirus-related distribution (CRD) of up to \$100,000 from their participant accounts without being subject to the Internal Revenue Service 10 percent early distribution tax. Participants may elect to repay some or all of their CRD within three years.

**December 31, 2020 and 2019****Note 1 - Plan Description (Continued)*****Participant Notes Receivable***

The plan document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. Effective January 1, 2019, the maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50 percent of the participant's vested account balance. Prior to January 1, 2019, the maximum amount of a participant's loan was determined by the available loan balance restricted to the lesser of \$15,000 or 50 percent of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full.

In accordance with the Coronavirus Aid, Relief, and Economic Security Act, the maximum amount a participant could borrow was increased to \$100,000 or 100 percent of the participant's vested account balance for eligible loans made between March 27, 2020 and September 22, 2020.

***Termination***

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

***Party-in-interest Transactions***

Certain plan assets are in investment funds managed by Great-West Trust Company, LLC (Great-West) or its affiliates. Great-West is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

**Note 2 - Summary of Significant Accounting Policies*****Investment Valuation***

The Plan's investments are stated at fair value.

The money market fund is valued at fair value based on its outstanding balance. All other investments are valued based on quoted market prices reported in active markets. See Note 5 for additional information.

***Participant Notes Receivable***

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

***Administrative Expenses***

Administrative expenses may be paid by the Company or the Plan at the employer's discretion.

***Benefit Payments***

Benefits are recorded when paid.

**December 31, 2020 and 2019**

**Note 2 - Summary of Significant Accounting Policies (Continued)**

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

***Subsequent Events***

The financial statements and related disclosures include evaluation of events up through and including September 20, 2021, which is the date the financial statements were available to be issued.

**Note 3 - Unaudited Information**

Great-West Trust Company, LLC (the "Trustee") holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Trustee.

**Note 4 - Tax Status**

The Plan is a prototype plan. The prototype plan has received a favorable opinion letter from the Internal Revenue Service (IRS) indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

**Note 5 - Fair Value Measurements**

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

***Level 1***

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

***Level 2***

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

***Level 3***

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

**Notes to Financial Statements****December 31, 2020 and 2019****Note 5 - Fair Value Measurements (Continued)**
