RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following description of the Delphos Herald Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan which was formed for the purpose of providing retirement benefits to substantially all non-union employees of Delphos Herald, Inc. and related companies (collectively the "Company"). Employees become eligible to participate in the Plan upon reaching age 21 and completing one year of service, with 1,000 hours, as defined. The Plan is subject to the provisions of the Employee's Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance. The Plan has also adopted a plan year of December 31st through December 30th.

Contributions

Each year, participants may contribute up to 100% of their pre-tax annual compensation, or make Roth contributions, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). At the discretion of the Company's Board of Trustees, additional discretionary matching contributions may be authorized for the related year. These contributions are funded in the year subsequent to their authorization. Allocation of the company's matching contributions are given only to participants employed at the end of the plan year who have completed at least 1,000 hours of service during the plan year and are based on a participant's contribution for the plan year. Matching contributions authorized for 2020 were \$21,811. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant-Directed Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions into any of several investment options with varying degrees of risk and volatility, allowing participants to allocate their investments in accordance with their own risk tolerances and time horizons. Participants may change their investment options at any time.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching contributions is based on years of continuous service. A participant is 100% vested after 6 years of credited service.

DELPHOS HERALD
RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined at inception, is set at 1% above the Prime interest rate (3.25% and 4.75% at December 30, 2020 and 2019, respectively), as defined, in accordance with the Plan's loan policy. Principal and interest is paid ratably through payroll deductions. See Note 10 which describes temporary provisions adopted due to the CARES Act.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination for other reason, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a future period, for participants subject to lifetime RMDs, as defined. For in-service allowable distributions, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or partial withdrawals at amounts specified by the participant. Distributions of a participant's vested account balance may be authorized at any time by the plan administrator under certain hardship conditions. See Note 10 which describes temporary provisions adopted due to the CARES Act.

Forfeited Accounts

Forfeited nonvested accounts are used to offset employer contributions. At December 30, 2020 and 2019, forfeited nonvested accounts totaled \$81 and \$56, respectively. During 2020, \$412 was used to reduce employer matching contributions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

DELPHOS HERALD
RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 30, 2020 and 2019.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan, including participant recordkeeping, are paid by the Company and are excluded from these financial statements. Certain fees related to distributions, administration of notes receivable from participants, and plan audit fees are charged directly to participant accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

Plan management has evaluated subsequent events through September 30, 2021, the date the financial statements were available to be issued.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CAPITAL BANK & TRUST

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 30, 2020 and 2019, and net appreciation in fair value of investments, interest and dividends for the year ended December 30, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Capital Bank & Trust, the trustee of the Plan.

NOTE 4: FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

DELPHOS HERALD
RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 30, 2020 and 2019.

Mutual and money market funds: Valued at the daily closing price as reported by the fund. Mutual and money market funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value by level, within the fair value hierarchy, are comprised of the following at December 30, 2020:

	Level 1	Level 2	Level 3	Total
<u>Description</u>				
Mutual Funds	\$ 5,162,221	\$ -	\$ -	\$ 5,162,221

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Assets measured at fair value by level, within the fair value hierarchy, are comprised of the following at December 30, 2019:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 6,259,623	\$ -	\$ -	\$ 6,259,623

Investments at fair value	<u>\$ 6,478,572</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,478,572</u>

For the years ended December 30, 2020 and 2019, the Plan did not hold any Level 3 assets.

NOTE 5: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by American Funds and Capital Bank & Trust. American Funds is the custodian and record keeper, and Capital Bank Trust is the trustee as defined by the Plan and, therefore, such transactions and associated administrative expenses qualify as party-in-interest transactions.

The plan also paid auditor fees to Rea & Associates, Inc., which qualifies as a party-in-interest transaction.

Additionally, the Plan holds party-in-interest receivables of \$46,310 and \$61,193 as of December 30, 2020 and 2019, respectively, in the form of notes receivable from participants.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 7: TAX STATUS

American Funds Distributors, Inc., sponsor of the prototype non-standardized profit-sharing plan with CODA, has obtained an opinion letter dated March 31, 2014, in which the IRS stated that the restated non-standardized prototype plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The plan sponsor adopted this restated non-standardized prototype plan document on May 1, 2015. The non-standardized prototype plan opinion letter has been relied upon by this Plan. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 7: TAX STATUS (CONTINUED)

In accordance with GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 30, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2020 statement of net assets available for benefits.

As of December 30, 2020, the Plan held \$4,575,536 of American Funds investments, which was approximately 80% of total net assets available for benefits. Therefore, net assets available for benefits are particularly sensitive to changes related to these investments.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 30, 2020 and 2019, to the Form 5500:

The following is a reconciliation of total contributions per the financial statements for the year ended December 30, 2020 to the Form 5500

NOTE 10: CARES ACT

The CARES Act had impact on several matters and the Plan adopted the following provisions:

- Participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived.
- Eligible Plan participants were allowed to request penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons included adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19.
- Eligible Plan participants were allowed to request loans of up to \$100,000 or 100% of their vested balance from date of signing of the CARES Act through September 23, 2020.
- Temporary loan repayment deferrals allowed qualified Plan participants with Plan loan repayments to defer such repayments until December 31, 2020.

The Plan has not formalized an amendment regarding the adoption of provisions related to the CARES Act as of December 30, 2020. Under the terms of the CARES Act adoption of a formalized amendment is not required until December 31, 2022.
