## NOTE 1 – DESCRIPTION OF PLAN

The following description of the SD Commercial, LLC 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan covers substantially all employees of SD Commercial, LLC (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). SD Commercial, LLC is the Plan's Sponsor and serves as the Plan Administrator. The Plan Administrator is responsible for oversight of the Plan as well as determining and reviewing the appropriateness of the Plan's investment offerings.

The Plan is a defined contribution plan under the provision of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan became effective on January 1, 1999 and was restated in its entirety effective August 1, 2018. The Company contracted with Principal Life Insurance Company to serve as Custodian of the Plan's assets and to provide plan recordkeeping and administrative services. An officer of the Company is the Trustee of the Plan.

### Eligibility

Employees age 21 and older are eligible to participate in the Plan upon completing 1 year of service, which is achieved by completing 1,000 hours of service. Eligible employees can enter the Plan on the first day of the month following the date on which eligibility requirements are met.

### Participant Contributions

Participants may contribute a portion of their annual compensation, as defined by the Plan, into a pre-tax deferral account and/or an after-tax Roth account subject to the limits under the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans.

### Employer Contributions

The Company may provide the following contributions on an annual basis: safe harbor matching, discretionary matching and/or profit-sharing contributions, as determined by the Company. For the year ended December 31, 2020, the Company made a discretionary match of 2.5% of employees' eligible compensation not to exceed employee deferrals. There were no safe-harbor or profit-sharing contributions made or declared for the year ended December 31, 2020.

### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investments**

Participants direct the investment of all assets attributable to their account. Each participant designates the percentage of any one or more of their accounts that is to be invested in each of several authorized investment funds designated by the Plan Administrator.

**Notes Receivable from Participants**

The Plan allows participants to borrow against their vested account balances up to a maximum of two loans within a 12-month period. Loans may not be made for less than $1,000 and may not exceed the lesser of $50,000 or 50% of a participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest determined by the Plan Administrator and remains fixed throughout the duration of the loan. Principal and interest are paid ratably through payroll deductions not to exceed five years.

In April 2020, the Plan adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to delay certain required loan repayments for one year. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020, and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans plus the suspension period. Qualified participants are permitted to take a loan up to $100,000, but no more than 100% of their vested account balance. There were no transactions under this provision during the year ended December 31, 2020.

**Payment of Benefits**

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive a lump-sum distribution, installment payments, direct rollover to an individual retirement account (IRA) or to another employer's tax qualified plan. Active participants may withdraw any part of their account in a single sum on attainment of age of 59 ½ or an in-service distribution of a rollover account at any time. Participants may also obtain hardship distributions if certain financial requirements are met. If a terminated participant's account is $5,000 or less, the Plan may distribute the account balance in one lump sum to an IRA account without prior approval of the participant.

In April 2020, the Plan implemented CARES Act provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants are permitted to take a CRD of up to $100,000 from the Plan. The 10% early withdrawal tax will be waived on any amount up to $100,000 withdrawn from their account until December 31, 2020. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to Federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020. There were no transactions under this provision during the year ended December 31, 2020.

**Vesting**

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions is based on years of continuous service. A year of service is obtained with the completion of 1,000 hours of service during a year. A participant is vested in the Company's contributions based on the following schedule:

| Years of Service | Percentage |
|---|---|
| Less than 2 | 0% |
| 2 | 20% |
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 or more | 100% |

**Forfeited Accounts**

Generally, a participant's unvested portion of the Company discretionary matching contribution is forfeited upon termination of employment. Forfeitures are maintained in a separate account and can be used to reduce matching contributions or pay Plan expenses.

Non-vested forfeited account balances at December 31, 2020 and 2019 were $217 and $198, respectively. During the year ended December 31, 2020, no forfeitures were used by the Company.

**Administrative Expenses**

Fees related to the administration of loans and distributions are deducted from participant accounts that initiate the transaction and are included in administrative expenses. Other expenses of the Plan are deducted on a pro-rata basis from participant accounts and are included in these financial statements.

Certain investment management fees and other charges paid to the Custodian are offset against fund performance in the net appreciation section of the Statement of Changes in Net Assets Available for Benefits and are not, therefore, separately reflected as investment expenses. Certain Plan expenses are paid by the Company; therefore, they are excluded from these financial statements.

**Plan Termination Provision**

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become fully vested in their account balances.

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting which is in accordance with accounting principles generally accepted in the United States of America (GAAP). Employee and employer contributions are recognized in the period that contributions are due.

**Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policy utilizing information provided by the Plan Custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Benefits to Participants**

Benefits are recorded when paid.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded.

**Recent Accounting Pronouncements**

In August 2018, the Financial Accounting Standards Board (FASB) issued ASU 2018-13, *Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 modifies the disclosure requirements on fair value measurements in *Topic 820*. The amendments in this update remove disclosures that no longer are considered cost beneficial, modify and/or clarify the specific requirements of certain disclosures and add disclosure requirements identified as relevant. ASU 2018-13 is effective for annual and interim periods beginning after December 15, 2019. The Plan adopted ASU 2018-13 on January 1, 2020 which did not have a material impact on the accompanying financial statements.

## NOTE 3 – FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2020 and 2019.

*Registered investment companies (mutual funds):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily closing price and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective investment trust*: Valued at the net asset value (NAV) per unit of the bank collective trust. The NAV is based on the underlying investments held by the fund less its liabilities. Participant transactions may occur daily. Since the NAV is a readily determinable value, it is included in the fair value hierarchy table.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

| | Assets at Fair Value as of December 31, 2020 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 3,480,744 | $ - | $ - | $ 3,480,744 |
| Common collective trust | - | 568 | - | 568 |
| Total investments, at fair value | $ 3,480,744 | $ 568 | $ - | $ 3,481,312 |

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019:

| | Assets at Fair Value as of December 31, 2019 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 2,801,953 | $ - | $ - | $ 2,801,953 |
| Common/collective trust | - | 415 | - | 415 |
| Total investments, at fair value | $ 2,801,953 | $ 415 | $ - | $ 2,802,368 |

## NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company, the Custodian of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019.

- Net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020.

## NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments and notes receivable are managed by Principal Life Insurance Company, the Custodian as defined by the Plan and, therefore, these transactions are considered to be exempt party-in-interest transactions. Administrative expenses paid by the Plan to service providers are considered to be exempt party-in-interest transactions.

## NOTE 6 – TAX STATUS

The IRS has informed the Plan sponsor by a letter dated March 31, 2014 for the prototype plan adopted by the Plan, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

## NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The outbreak of the novel coronavirus (COVID-19), which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

## NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated the activity of the Plan through September 29, 2021, the date the financial statements were available to be issued, and has determined that no subsequent events have occurred that would require recognition or disclosure in the financial statements or in the notes to the financial statements.
