# 401(K) AUDIT STATUS

We have completed a DOL limited-scope audit of the financial statements of Apollo Export Warehouse, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

- Our responsibility was to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

- As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information which was certified by Mid Atlantic Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements.

- The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

- The scope of the work performed is consistent with those described to you in our engagement letter dated May 20, 2021.

- This communication is intended solely for the information and use of the Trustees and Management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

We would like to thank the Company's Management and staff for their assistance and cooperation extended to us during the course of our audit. We will be pleased to discuss any comments with management, and if desired, assist in any future endeavors.

# RESULTS OF THE AUDIT

The following summarizes the most significant required communications related to our limited-scope audit in addition to information for your consideration regarding anticipated updates due to global economic impacts.

## COMMUNICATION WITH MANAGEMENT

We have conducted a DOL limited-scope audit of the financial statements of Apollo Export Warehouse, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan) for the year ended December 31, 2020 and have issued our report thereon dated September 28, 2021. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information summarized in Note 3 and 4 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 20, 2021. Professional standards also require that we communicate to you the following information related to our audit.

## QUALITATIVE ASPECTS OF ACCOUNTING PRACTICES

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Apollo Export Warehouse, Inc. 401(k) Profit Sharing Plan & Trust are described in the notes of the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2020. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

## ESTIMATES

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

- Management's estimate of the fair value of investments as described in Note 3 of the financial statements, in accordance with accounting guidance for the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

## DISCLOSURES

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

- The disclosure of fair value measurements that describes the method utilized to determine fair value.

The financial statement disclosures are neutral, consistent, and clear.

## DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no significant difficulties in performing and completing our audit.

## CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

## DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

## MANAGEMENT REPRESENTATIONS

We have requested certain representations from management that are included in the management representation letter dated September 28, 2021.

### MANAGEMENT CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Company's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### OTHER AUDIT FINDINGS OR ISSUES

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

## INTERNAL CONTROL

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Apollo Export Warehouse, Inc. 401(k) Profit Sharing Plan & Trust as of and for the year ended December 31, 2020, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We did not identify any deficiencies in internal control that we consider to be a significant deficiency.

### *Other Disclosures*

Effective July 27, 2020 the DOL is adopting a new rule which allows plan administrators who satisfy specified conditions to provide participants and beneficiaries with a notice that certain disclosures will be made available on a website, or to furnish disclosures via email. Individuals who prefer to receive disclosures on paper can request paper copies of disclosures and opt out of electronic delivery entirely. The Department expects the rule to enhance the effectiveness of ERISA disclosures and significantly reduce the costs and burden associated with furnishing many of the recurring and most costly disclosures[1].

[1] "New Electronic Disclosure Rule." *U.S. Department of Labor*, Employee Benefits Security Administration, Department of Labor, 27 May 2020, www.dol.gov/agencies/ebsa/laws-and-regulations/laws/erisa/new-electronic-disclosure-rule.

*ERISA Section 103(a)(3)(C)*

In July 2019, the AICPA Auditing Standards Board ("ASB") issued as a final standard, Statement on Auditing Standards ("SAS") No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA ("EBP SAS"). The EBP SAS prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974 ("ERISA") and changes the form and content of the related auditor's report. The SAS is effective for audits of financial statements for periods ending on or after December 15, 2020. Early implementation is not permitted.

# IMPACT OF COVID-19

During March 2020, the World Health Organization identified a viral disease, COVID-19, as a pandemic. The viral disease began to disrupt business operations in the United States and worldwide during the first quarter of 2020 including supply chains, closures of certain lines of business and/or full closure of business operations. This pandemic may have a significant negative impact on the operations and profitability of the plan sponsor and the value of the Plan's investments. The extent of the impact to the financial performance of the Plan will depend on future developments, including (i) duration and spread of the outbreak, (ii) the effects on the financial markets, and (iii) the effects on the economy overall, all of which are highly uncertain and cannot be predicted.

During March 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), was signed into law and includes several provisions affecting employee benefit plans. At the time of issuance of these financial statements, the plan sponsor has not adopted any of the CARES Act provisions.

| Impact of CARES Act on EBP |
| --- |
| Permission for participants to take up to $100,000 in coronavirus-related distributions from retirement plans without being subject to the Sec. 72(t) 10% additional tax for early distributions. Eligible distributions can be taken up to December 31, 2020. The act also permits the distributions to be repaid at any time over a three-year period to an eligible retirement plan. The legislation also allows loans of up to $100,000 or 100% of the participant's vested account balance from qualified plans, and repayment can be delayed. |
| With respect to loans from qualified employer plans, Code Section 72(p)(2) generally provides that the maximum amount a plan can permit as a loan is the lesser of (a) $50,000 or (b) the greater of $10,000 or 50 percent of the participant's vested account balance. Under the CARES Act, if an individual takes a Coronavirus-related loan *during the one hundred eighty (180) day period starting on the date of enactment,* the maximum amount that a tax-qualified retirement plan can permit as a loan is increased to the lesser of (a) $100,000 or (b) the greater of $10,000 or 100 percent of the participant's vested account balance. |
| If an individual is personally impacted by the Coronavirus and has an outstanding loan (on or after the date of the enactment of the CARES Act) from a tax-qualified employer retirement plan with a due date for any repayment during the period from the date of the CARES Act's enactment through December 31, 2020, such due date for any repayment shall be delayed for one (1) year and any subsequent repayments with respect to the loan shall be appropriately adjusted to reflect this legislative delay in the due date (including any interest accruing during such delay). Additionally, for purposes of determining the five (5)-year loan period and the term of a loan, the one (1)-year delay period shall be disregarded. |
| Temporary suspension of the rules in Sec. 401 for 2020 that retirement plan account holders take required minimum distributions (RMDs) from their retirement accounts once they reach a certain age. |
| A delay of the requirement for a plan sponsor to make its minimum required contributions to a single-employer plan until 2021. |

*The information contained in this packet is for general guidance on matters of interest only. Given the changing nature of laws, rules, and regulations, we suggest that the plan sponsor consult with the Plan advisors regarding the impact of the CARES Act provisions on the Plan.*

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Apollo Export Warehouse, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(A) GENERAL

The Plan, a defined contribution plan, was established on January 1, 2017 by 6950 Logistics LLC, under the provisions of Section 401(a) of the Internal Revenue Code. The Plan was established for eligible employees of the Company. Employees who have reached eighteen years of age or older and have completed two months of service are eligible for the Plan. The Plan provides for contributions made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has appointed Mid Atlantic Trust Company as trustee and custodian of the Plan and Paychex Inc. ("Paychex") as the primary agent and record keeper. Plan assets are held by Mid Atlantic Trust Company ("MATC"), which also performs certain administrative services as directed by the Company.

On January 1, 2018, 6950 Logistics, LLC entered into an Agreement and Plan of Merger (the "Merger Agreement") with Apollo Export Warehouse, Inc. (the "Company"). Pursuant to the terms of the Merger Agreement, Apollo Export Warehouse, Inc. became the plan sponsor of the Plan.

(B) CONTRIBUTIONS

Eligible employees can contribute up to the lesser of 92% of their compensation or the maximum amount established by law. The total maximum allowable contribution per participant to the Plan directly from the participant for the year ended December 31, 2020 was $19,500, not including additional catch-up contributions of $6,500 allowed for participant's over the age of 50.

The matching percentage contributed by the Company is discretionary and is determined annually by the Company. The Company did not match participant contributions for the year ended December 31, 2020.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

(C) VESTING

Participants are immediately vested in their elective deferrals and rollover contributions, plus or minus any earnings or losses thereon, which cannot be forfeited for any reason. The Company matching and profit sharing contributions are vested based on the following schedule.

| Years of service | Percent Vested |
|---|---|
| Less than 2 | 0% |
| 2 | 20% |
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 or more | 100% |

Participants are 100% vested, regardless of years of service, when they reach normal retirement age, are totally and permanently disabled, or death occurs. Upon termination of employment, the non-vested portion of a participant's account is forfeited.

(D) PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum or an annuity distribution in an amount equal to the value of the participant's vested interest in his or her account. In the event that the vested accrued benefit is less than $5,000, the plan administrator may make a single payment without the election or request of the participant. Upon the death of a participant, the vested balance of the participant's account is distributed to the participant's beneficiary.

(E) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and profit sharing contributions, if any, and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Forfeitures of terminated participants' non-vested accounts may be applied to reduce the employer's contribution obligation, if any, or plan expenses.

(F) INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee and employer matching contributions in the various investment options offered by the Plan. Participants may change their allocations at any time.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

(G) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 and a maximum amount of the lesser of: 50% of their vested account balance or $50,000, reduced by the highest outstanding loan balance in their account during the prior twelve-month period.

The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1%. Principal and interest is repaid through payroll deductions. The interest rates on outstanding loans for the years ended December 31, 2020 and 2019 ranged between 4.25% to 6.50%.

(H) PLAN ADMINISTRATION EXPENSES

The Plan agreement allows for the Company to absorb a significant amount of the Plan's administrative expenses. During the year ended December 31, 2020, administrative expenses incurred by the Plan totaled approximately $14,000.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

(A) BASIS OF ACCOUNTING

The Plan's financial statements are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America for employee benefit plans.

(B) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments in money market and pooled separate accounts are reported at the value reported to the Plan by the trustee of the Plan, MATC, which represents approximate fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan utilizes market value based on published quotations for its investments in money market funds. The Plan utilizes the Net Asset Value ("NAV") practical expedient for its investments in pooled separate accounts (Note 3) in accordance with guidance for such investments.

Purchases and sales of securities are recorded on a trade date basis. Dividend and interest income are recorded by the trustee in the period earned. Net realized and unrealized appreciation or depreciation in fair value of investments consists of the change in unrealized appreciation or depreciation and the realized gain or loss on the sales of investments during the year. Acquisition costs are included in the cost of investments purchased and sales are recorded net of selling expenses. Investments are self-directed by the individual Plan participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(C) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

As of December 31, 2020, there were no delinquent notes receivable from participants recorded as benefit payments.

(D) USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

(E) PAYMENT OF BENEFITS

Benefits are recorded when paid.

(F) RECENT ACCOUNTING PRONOUNCEMENTS

The Plan evaluates new accounting pronouncements for relevance and impact on the Plan’s financial statements. Management does not expect that timely adoption of new pronouncements will have a material impact on the Plan’s net assets available for benefits.

(G) RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(H) MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 28, 2021, the date when the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

Pooled Separate Accounts – The pooled separate accounts invest mainly in fixed securities, mutual funds, stocks and commercial paper, which have observable pricing inputs, including quoted prices for similar assets in active markets. The NAV is used as a practical expedient to estimate fair value in accordance with accounting guidance for such investments.

The input levels used by investment category are as follows:

| December 31, 2020 | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Money market funds | $ 12,094 | $ - | $ - | $ 12,094 |
| Pooled separate accounts – *NAV | - | - | - | 957,224 |
| Total investments | $ 12,094 | $ - | $ - | $ 969,318 |

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

| December 31, 2019 | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Money market funds | $ 11,032 | $ - | $ - | $ 11,032 |
| Pooled separate accounts – *NAV | - | - | - | 773,195 |
| Total investments | $ 11,032 | $ - | $ - | $ 784,227 |

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

All of these investments valued at NAV have no unfunded commitments or redemption restrictions and can be redeemed daily.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2020 are reported net in appreciation in fair value of investments.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN TRUSTEE

At December 31, 2020 and 2019, the Plan's assets are held by the trustee, MATC. MATC has certified that the following information is complete and accurate as of and for the year ended December 31:

| | 2020 | 2019 |
|---|---|---|
| Investments at fair value (Note 3) | $ 969,318 | $ 784,227 |
| Notes receivable from participants | $ 26,153 | $ 7,664 |
| Total investment income | $ 156,519 | |
| Interest income on notes receivable from participants | $ 723 | |

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance, including discretionary employer contributions.

NOTE 6 – TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Plan by a letter dated April 10, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by MATC as of December 31, 2020. MATC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Expenses paid by the Plan to MATC totaled approximately $900 for the year ended December 31, 2020.

NOTE 8 – FIDELITY BONDING

The Plan maintains a fidelity bond of up to $500,000 for Plan fiduciaries and individuals who handle the funds of the Plan, pursuant to the requirements of ERISA.

NOTE 9 – EXCESS CONTRIBUTIONS PAYABLE

Contributions received from participants for 2020 are net of excess deferral contributions of approximately $7,000, which were returned to the participant in the subsequent year.

NOTE 11 – COVID-19 PANDEMIC AND CARES ACT

During March 2020, the World Health Organization identified a viral disease, COVID-19, as a pandemic. The viral disease began to disrupt business operations in the United States and worldwide during the first quarter of 2020 including supply chains, closures of certain lines of business and/or full closure of business operations. This pandemic may have a significant negative impact on the operations and profitability of the plan sponsor and the value of the Plan's investments. The extent of the impact to the financial performance of the Plan will depend on future developments, including (i) duration and spread of the outbreak, (ii) the effects on the financial markets, and (iii) the effects on the economy overall, all of which are highly uncertain and cannot be predicted.

During March 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), was signed into law and includes several provisions affecting employee benefit plans. At the time of issuance of these financial statements, the plan sponsor has not adopted any of the CARES Act provisions.
