1. DESCRIPTION OF PLAN

The following brief description of the CleanCraft LLC 401 (k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering all eligible employees of CleanCraft LLC (the Plan Sponsor). The Plan was effective as of March 1, 2019 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration
The Plan is administered by the Plan Sponsor. The Plan's assets are participant directed and are held in trust and managed by Reliance Trust Company (the trustee). The Plan Sponsor pays a substantial portion of Plan expenses with the remainder allocated to participants in the Plan pro-rata.

Eligibility
All employees who have attained 21 years of age, with the exception of part time, temporary, or seasonal employees, are eligible to begin salary deferrals and receiving employer contributions upon the first of the month coinciding with or next following the date the employee satisfies the eligibility requirements.

Contributions
Participants may make voluntary pre-tax contributions in the form of salary reductions up to 90% of their annual compensation, as defined, subject to certain limitations under the terms of the Plan and Internal Revenue Code (IRC).

The Plan Sponsor will contribute an amount equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. Additionally, the Plan Sponsor may make a discretionary profit-sharing contribution for all eligible participants. There was no discretionary profit-sharing contribution in the year ended December 31, 2020.

The Plan accepts direct rollovers as a result of eligible rollover distributions.

Participant Accounts
Each participant's account is credited with the participant's contributions, the Plan's matching contribution, the Plan's profit-sharing contribution, and an allocation of Plan earnings, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting
Participants are immediately vested in all salary deferrals and employer safe harbor contributions and earnings thereon. Vesting in employer non-elective profit-sharing contributions is based on years of service. Participants vest 20% each year after the second year of service and are fully vested after six years of service.

Investment Options
Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options as indicated by the Plan sponsor, which provide diversified investment allocations.

Notes Receivable from Participants
Participants may borrow from their accounts a minimum of $500 up to a maximum of $50,000, but no more than 50% of the participant's vested account balance. The loans are collateralized by the balance in the participant's account and bear interest at rates equivalent to the prime rate plus 1% (4.25% at December 31, 2020). Principal and interest are paid through payroll deductions over a term of five years, except for loans used to purchase a participant's principal residence, which may be repaid over a time determined to be reasonable, but no longer than thirty years.

Cares Act
In response to the COVID-19 pandemic, the U.S. Federal government passed the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) on March 27, 2020. The CARES Act allows eligible participants, for qualifying reasons associated with the COVID-19 pandemic, to suspend required minimum distributions for 2020. Additionally, qualified individuals could take a withdrawal up to $100,000 without the 10% early withdrawal penalty. The Act also allows Plan participants to take loans up to the lesser of $100,000 or 100% of the participant's vested balance and suspend loan repayments until December 31, 2020.

Benefit Payments
Upon termination of service, a participant may elect to leave their funds in the Plan, receive a lump-sum amount equal to the value of the account, or rollover their funds into another plan in accordance with Plan provisions.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted from participant elective deferrals. Hardship withdrawals can only be made for payment of qualifying expenses to satisfy financial hardship, as defined in the plan document.

Plan Termination
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments
Investments, including mutual funds, are stated at fair value based on quoted market prices. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Risks and Uncertainties
The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying financial statements.

The COVID-19 outbreak continues as of the date of this report. There are many uncertainties related to the COVID-19 global pandemic that could negatively affect the Plan's statement of net assets available for benefits and statement of changes in net assets available for benefits. The duration of these uncertainties and the ultimate financial impact, if any, cannot be reasonably estimated at this time.

Payments of Benefits
Benefit payments are recorded when paid.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts in the financial statements, supplemental schedule and accompanying notes. Actual results could differ from those estimates.

Income Taxes
The Plan Sponsor follows the provisions of Accounting Standards Codification (ASC) Topic 740, *"Accounting for Uncertainty in Income Taxes"*. ASC Topic 740 requires the Plan sponsor to determine whether a tax position of the Plan is more likely than not to be sustained upon examination by the applicable taxing authority, based on the technical merits of the position. As of December 31, 2020, the Plan has not recorded any provisions for accrued interest and penalties related to uncertain tax positions. By statute, tax years 2019 and 2020 remain open to examination by the major taxing jurisdictions to which the Plan is subject.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Administrative Expenses
The Plan Sponsor pays a substantial portion of Plan expenses with the remainder allocated to participants in the Plan pro-rata.

Forfeitures
Forfeitures arising under the Plan are used to reduce administrative expenses or to reduce future employer contributions. There were no forfeitures generated for the year ended December 31, 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value of Financial Instruments
Generally accepted accounting principles provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820-10 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

  The Plan's mutual funds are valued utilizing level 1 inputs.

- Level 2 – Inputs to the valuation methodology include:

  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

  The Plan did not have any financial assets or liabilities measured at fair value utilizing Level 2 inputs.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

  The Plan did not have any financial assets or liabilities measured at fair value utilizing Level 3 inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Events Occurring After Reporting Date
The Plan has evaluated events and transactions that occurred between December 31, 2020 and September 21, 2021, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

3. FAIR VALUE MEASUREMENTS

The following table sets forth, by level, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 297,944	$ -	$ -	$ 297,944

4. SUMMARY OF INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the statement of net assets available for benefits as of December 31, 2020.
- Investment income as shown in the statement of changes in net assets available for benefits for the years ended December 31, 2020.
- Notes receivable from participants, as shown in the statement of net assets available for benefits as of December 31, 2020.
- The schedule of assets held for investment purposes as of December 31, 2020 as shown on Schedule I.

5. TAX STATUS

The Plan has obtained an opinion letter for the prototype of the Plan, dated February 21, 2019, in which the Internal Revenue Service stated that the form of the Plan was in compliance with the applicable provisions of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Reliance Trust Company (Reliance) is the trustee of the Plan. CleanCraft LLC is the Plan Sponsor.
