CANTEY HANGER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

A. Description of the Plan

General

The following brief description of the Cantey Hanger 401(k) Plan (the "Plan") is provided for general information purposes only. The Plan is sponsored by Cantey Hanger LLP (the "Partnership"). Participants should refer to the Plan document for more complete information.

The Plan was effective June 1, 1974, most recently restated effective November 1, 2019, and is a defined contribution plan covering all employees of the Partnership who have attained age 21 on their first day of employment. All employees of the Partnership are eligible to participate in the Plan, except for leased employees, non-resident aliens, and law clerks. Eligible employees may enter the Plan on the first day of the month coinciding with or following the date on which an employee meets the eligibility requirements. The Plan has an automatic enrollment feature whereby employees that do not make a pre-tax salary deferral election prior to their eligibility date will be automatically enrolled in the Plan beginning with the next pay cycle or as soon as administratively feasible. The automatic pre-tax contribution will be established at 3% of an employee's eligible compensation, as defined by the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to encourage the Partnership's employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Effective November 1, 2019, the Plan changed its recordkeeper from Massachusetts Mutual Life Insurance Company ("MassMutual") to Automatic Data Processing, LLC ("ADP"). Additionally, the Plan was restated effective November 1, 2019; however, there were no significant changes to the Plan's provisions, other than those noted below.

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") which allowed Plan sponsors to immediately adopt certain retirement plan provisions to allow qualified individuals, as defined in the CARES Act, additional access to retirement plan balances. As a result, while the Plan has not been formally amended, the Partnership determined it was in the best interest of the participants to allow a) a COVID-19 distribution up to $100,000, b) an increase in the available participant loan amount up to $100,000, not to exceed 100% of the participant's account balance, and c) deferral of 2020 loan repayments for a year. The Plan has implemented these optional features and written amendments to the Plan to reflect these operational changes, which will be adopted at a later date in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

A. Description of the Plan – continued

Contributions

Participants may contribute up to 90% of their pre-tax annual compensation and up to 100% of any irregular compensation, as defined by the Plan. Prior to November 1, 2019, participants could contribute up to 100% of their pre-tax annual compensation. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the "Code"), as defined by the Plan document. Eligible participants may make rollover contributions to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the end of the year are permitted to make catch-up contributions in accordance with, and subject to, the annual limitations imposed by the Code.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Partnership provides for discretionary profit sharing contributions which, if contributed for a Plan year, are allocated to each Plan participant based on the ratio of each participant's covered compensation for the Plan year to the total covered compensation of all participants for the Plan year. To be eligible to receive an allocation of Partnership discretionary profit sharing contributions, a Plan participant must be employed on the last day of the Plan year and have one year of service. During the years ended December 31, 2020 and 2019, the Partnership made discretionary profit sharing contributions of approximately $246,000 and $238,000, respectively. In addition, the Partnership may make a 3% safe harbor non-elective contribution to all Plan participants. During years in which the safe harbor provision is not elected, the Partnership may make discretionary qualified non-elective contributions. Such contributions are made for the benefit of non-highly compensated participants who are not partners of the Partnership. Contributions are subject to certain limitations. During the years ended December 31, 2020 and 2019, the Partnership made discretionary qualified non-elective contributions of approximately $15,000 and $28,000, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Partnership's contribution; (b) Plan earnings; and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

A. Description of the Plan – continued

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Partnership contribution portion of accounts, with the exception of the safe harbor non-elective contributions, plus actual earnings thereon, is as follows:

Number of Completed Years of Service	Vesting Percentage
Less than 1 year	0%
1 year	10%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Prior to November 1, 2019, vesting in the Partnership contribution portion of accounts, with the exception of the safe harbor non-elective contributions, plus actual earnings thereon, was as follows:

Number of Completed Years of Service	Vesting Percentage
Less than 2 years	1%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

In the event of disability, early retirement, or death, the participant will become fully vested.

Participant Loans

Participants may borrow from their account balances a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balances. Loan terms range up to five years, or longer for the purchase of a primary residence. The loans are secured by the balances in the participants' accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Partnership. Interest rates range from 3.25% to 5.50% at both December 31, 2020 and 2019. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

A. Description of the Plan – continued

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balances. Benefits are distributed in the form of rollovers, installment payments, or lump-sum payments. If withdrawing participants are not entitled to their entire account balances, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of his/her vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, his/her spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from his/her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payment for burial or funeral expenses for the participant's spouse, parent, children, or dependents; or, (6) expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under Code section 165.

Effective January 1, 2019, the Plan's hardship withdrawal provisions were updated in connection with the Bipartisan Budget Act. Participants will no longer (1) be required to obtain a loan prior to requesting a hardship withdrawal; (2) participant deferral contributions will no longer be suspended after receipt of a hardship withdrawal; and (3) earnings on elective deferral contributions in a participant's account will be included as part of a hardship withdrawal. The reasons for heavy financial need were also expanded to include certain disaster events and casualty losses not associated with disasters.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset qualified non-elective contributions for the year or to pay Plan expenses. Approximately $21,000 was allocated to pay Plan expenses during 2020. Approximately $18,000 was allocated to pay Plan expenses during 2019. Unallocated forfeitures outstanding as of December 31, 2020 and 2019, were approximately $2,000 and $20,000, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct his/her salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

Employees of the Partnership perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Partnership pays substantially all costs relating to asset charges and record keeping. All significant administrative expenses are paid by the Partnership and are not reflected in the accompanying financial statements, except for those expenses paid by Plan participants.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the Partnership and participants are accrued as they become obligations of the Partnership, as determined by the Plan administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with U.S. GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined in U.S. GAAP are as follows:

- Level 1 – observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

- Level 2 – observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

- Level 3 – inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

U.S. GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per net asset value ("NAV") of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.

- Self-directed accounts primarily consist of mutual funds, money market funds, exchange-traded funds, and common stocks that are valued on the basis of readily determinable market prices and are classified within Level 1 of the valuation hierarchy.

There have been no changes in the methodologies used at December 31, 2020 or 2019. The following tables detail the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2020 and 2019. The Plan has no investments classified within Level 2 or 3 of the valuation hierarchy.

	December 31, 2020	
	Level 1	**Total**
Mutual funds	$27,585,778	$27,585,778
Self-directed accounts	1,249,510	1,249,510
Total investments in the fair value	$28,835,288	$28,835,288

C. Fair Value Measurements – continued

	December 31, 2019	
	Level 1	**Total**
Mutual funds	$27,732,690	$27,732,690
Self-directed accounts	915,915	915,915
Total investments in the fair value hierarchy	$28,648,605	$28,648,605

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy. For the years ended December 31, 2020 and 2019, there were no significant transfers between levels.

D. Information Certified by the Trustee

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the investment information certified by the trustee, which included total investments as of December 31, 2020 and 2019, the total investment income for the years ended December 31, 2020 and 2019, and all information included in the supplemental form 5500, schedule H, line 4i – schedule of assets (held at end of year).

E. Tax Status

Effective November 1, 2019, the Plan was amended and restated by the adoption of the ADP Prototype Non-Standardized Profit Sharing Plan with CODA, which has a favorable opinion letter from the IRS dated July 16, 2014. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Partnership may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Partnership believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Partnership has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participant accounts will become 100% vested.

G. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds and self-directed accounts managed by ADP and, prior to November 1, 2019, the Plan invested in shares of a money market funds, mutual funds, self-directive accounts, life insurance contracts, and common collective trust accounts managed by MassMutual. Reliance Trust Company acts as trustee for only those investments as defined by the Plan. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2020 and 2019, per the accompanying financial statements to the Form 5500:

I. Reconciliation of Financial Statements to Form 5500 – continued

The following is a reconciliation of the net increase (decrease) in net assets available for benefits for the years ended December 31, 2020 and 2019, per the accompanying financial statements to the Form 5500:

	2020	2019
Net increase in net assets available for benefits per the financial statements	$ 124,276	$ 4,220,865
Prior year participant contributions receivable per the financial statements	5,238	-
Prior year employer contributions receivable per the financial statements	266,136	298,958
Current year participant contributions receivable per the financial statements	(3,337)	(5,238)
Current year employer contributions receivable per the financial statements	(261,288)	(266,136)
Net increase in net assets available for benefits per the Form 5500	$ 131,025	$ 4,248,449

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.

J. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through September 30, 2021, the date the financial statements were available for issuance.
