PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2020 AND 2019

1. Description of Plan:

General:

The following brief description of Pastoral Counseling Service of Summit County, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all full-time employees of Pastoral Counseling Service of Summit County, Inc. DBA Red Oak Behavioral Health (the "Company" and "Plan Sponsor") who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

There were law and operational changes impacting plans due to the passing of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). The Plan did not implement any of these optional provisions during 2020.

Contributions:

The Plan provides for pre-tax or post-tax employee salary deferral contributions up to a maximum of 100% of the annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. The post-tax contributions by participants are Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into the various investment options offered by the Plan.

The Plan provides for discretionary employer matching contributions as well as discretionary employer contributions. Discretionary contributions are determined by the Company's finance committee and approved by the Company's Board of Trustees. The discretionary employer matching contribution rate authorized by the Company's Board of Trustees for 2020 and 2019 was 2% of compensation deferred and totaled \$85,142 for 2020 and \$79,942 for 2019. The Company did not make a discretionary employer contribution in 2020 or 2019.

Vesting:

Participants are 100% vested immediately with respect to their compensation deferrals, discretionary employer matching contributions and discretionary employer contributions.

Participant accounts:

Participant accounts are credited with participant and employer contributions. Plan earnings are allocated to participant accounts based on earnings in the respective investment accounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2020 AND 2019

1. Description of Plan (continued):

Payment of benefits:

Participants may elect to withdraw all or a specified portion of their vested balances prior to their termination of employment subject to certain restrictions under the Plan. If participants suffer serious financial hardship, as defined by the Plan, they may withdraw any portion of their vested account in order to meet their financial needs. Participants may withdraw from their account when reaching the normal retirement age of 65. All accounts are subject to distribution upon the participant's termination, retirement, total disability or death.

On termination of service, participants may elect to receive a lump sum amount equal to the vested value of their account.

Benefits are recorded when paid.

Investment options:

Upon enrollment in the Plan, a participant may direct employee contributions, including the employer's portion into a number of investment options. Participants may change their investment elections daily.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared on the accrual method.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Investment valuation and income recognition:

At December 31, 2020 and 2019, the Plan maintained the guaranteed investment contract and pooled separate account investments certified by Voya Retirement Insurance and Annuity Company (Voya). The guaranteed investment contract was the insurance company's guarantee backed by the underwriting insurance company's general asset account. The pooled separate accounts are an insurance company's separate account maintained by the insurance company that invests in underlying mutual funds.

PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2020 AND 2019

2. Summary of significant accounting policies (continued):

Investment valuation and income recognition (continued):

The pooled separate accounts are recorded at fair value, which is determined by quoted market prices, as provided by Voya at December 31, 2020 and 2019. The guaranteed investment contract was recorded at contract value which was determined by Voya and was the value of the guaranteed investment contract as of the last business day in the plan year plus any accrued interest through the last day of the plan year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. These amounts were provided by Voya and are included in the net increase in value of investments for 2020 and 2019.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements (Note 6). Investment related expenses are included in net increase in value of investments.

Recently adopted accounting pronouncement:

In August 2018, the Financial Accounting Standards Board (FASB) issued Financial Accounting Standards Update (ASU) 2018-13, Changes to the Disclosure Requirements for Fair Value Measurements. This standard is intended to improve the effectiveness of disclosures in the notes to the financial statements and modify the disclosure requirements on fair value measurements in Topic 820, Fair Value Measurements. ASU 2018-13 is effective for fiscal years beginning after December 15, 2019, with early adoption permitted. This has been applied for the year ended December 31, 2020 with no significant impact on the financial statements.

3. Investments:

The following table represents the value of investments at December 31, 2020 and 2019, as provided by Voya. All investments are participant directed.

	<u>2020</u>	<u>2019</u>
Pooled separate accounts (at fair value)	\$ 2,024,406	\$ 1,801,455
Guaranteed investment contract (at contract value)	<u>23,242</u>	<u>12,223</u>
	<u>\$ 2,047,648</u>	<u>\$ 1,813,678</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2020 AND 2019

4. Fair value (continued):

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at fair value on a recurring basis at December 31, 2020 and 2019 were as follows:

	<u>2020</u>	<u>2019</u>
	<u>Level 2</u>	<u>Level 2</u>
Pooled separate accounts	<u>\$ 2,024,406</u>	<u>\$ 1,801,455</u>

Fair value for pooled separate accounts is based upon the quoted market prices of the securities included in the underlying funds, which includes a mix of mutual funds. These assets are valued at the net asset value of units held by the Plan at year end.

5. Investment contract with insurance company:

The Plan participated in a fully benefit-responsive investment contract with Voya for the years ended December 31, 2020 and 2019. Voya maintains the contributions in a separate account. The account is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. Contract value, as reported to the Plan by Voya, represent contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2020 AND 2019

5. Investment contract with insurance company (continued):

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates are based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Voya. Such events include the following (a) amendments to the plan documents (including complete or partial termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under the ERISA. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with plan participants, is probable.

The guaranteed interest account does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The guaranteed minimum interest rate was 1.00% in 2020 and 2019.

6. Administrative expenses:

A majority of the administrative expenses of the Plan are paid by the Plan's sponsor. Certain administrative functions are performed by employees of the Company. Neither any such employee, nor the Company, receives compensation from the Plan for these functions.

7. Party-in-interest transactions:

The Plan's investments are managed by affiliates of Voya. Voya is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Certain fees related to the administration of the Plan were paid by the Plan or the Plan Sponsor, which qualify as party-in-interest transactions.

8. Certified investments:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2020 and 2019, and net increase in value of investments for the years ended December 31, 2020 and 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya (custodian of the Plan), in accordance with Section 2520.103-5(c) of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2020 AND 2019

9. Income tax status:

The Internal Revenue Service (IRS) has determined that the prototype plan under which the Plan is organized is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The prototype plan received the IRS determination letter dated January 22, 2018. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and the DOL. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Plan termination:

The Company expects to continue the Plan but reserves the right at any time and within its sole discretion to reduce, suspend or discontinue contributions to the Plan or to terminate the Plan.

11. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

As a result of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. No adjustments have been made to these financial statements as a result of this uncertainty.

12. Subsequent events:

In preparing these financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through August 23, 2021, the date the Plan's financial statements were available to be issued.
