NOTE 1 PLAN DESCRIPTION

The following description of the BBA Aviation Employees' Retirement Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan established by Signature Flight Support Corporation (the Company) under the provisions of Internal Revenue Code (IRC) Section 401(a), which includes a qualified cash or deferred arrangement, as described in IRC Section 401(k), for the benefit of eligible employees of the Company and participating employers. Participants of the Plan consist of nonunion and union employees. Union employees' benefits are subject to the collective bargaining process and their respective collective bargaining agreement (CBA). Most unions have adopted the provisions of the Plan, however, certain collective bargaining units have negotiated certain provisions for their members that differ from the basic plan document. Interested parties should refer to the individual CBA for a description of the specific provisions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration – Wells Fargo Bank, N. A. (Wells Fargo) serves as the trustee of the Plan. The Plan is administered by the BBA Aviation Retirement Committee (the Committee). The Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Eligibility – Employees generally become eligible to participate in the Plan as of his or her employment commencement date and such date is the employee's Plan entry date. For eligible part-time employees, Plan entry dates are on January 1, April 1, July 1, and October 1 of each Plan year. Leased employees, certain nonresident aliens, members of nonparticipating collective bargaining units, and reclassified employees are not eligible to participate in the Plan.

Contributions – Participants may elect to contribute pre-tax, after tax, and Roth deferrals up to a limit of annual compensation based upon the CBA, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company provides a matching contribution to certain participants equal to 100% of each participant's contribution, up to a maximum of 4% of covered compensation. Matching contributions that are made prior to the employee completing 12 months of service and attainment of age 21 are non-safe harbor contributions. Matching contributions received thereafter are safe harbor matching contributions. The Company may make a discretionary contribution each year, as determined by the Committee. No discretionary contributions were made during the year ended December 31, 2020, for participants subject to the basic plan document. Contributions are subject to certain limitations.

NOTE 1 PLAN DESCRIPTION (Continued)

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are fully vested in their deferral contribution accounts, the Company's safe harbor matching contribution, the Company's discretionary contributions, and actual earnings or losses thereon. Non-safe harbor matching contributions become fully vested after one year of service. Employer contributions under certain CBAs vest over periods from one to five years.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, as determined by Wells Fargo as of the loan application date, is set at the prime rate, as defined. Principal and interest is paid ratably through weekly or bi-weekly payroll deductions.

The Plan adopted the provision under the Coronavirus Aid, Relief, and Economic Security (CARES) Act to permit certain coronavirus-related participant loan activity to qualified individuals to increase borrowing limits to a maximum of $100,000 or 100% of their vested account balance, and to suspend loan repayments for up to a year. During 2020, the Plan issued 17 loans totaling approximately $217,000 under the CARES Act provisions. The ending balance for these loans totaled approximately $203,000 as of December 31, 2020.

Payment of Benefits – Benefits under the Plan are payable upon attainment of age 59 ½, death, disability, hardship, qualified domestic relations order, or termination of service and are based on the vested balance in the participant's account. All benefit distributions under the Plan will be made in one lump-sum payment.

The Plan adopted the provision under the CARES Act to permit coronavirus-related distributions of up to $100,000 to qualified individuals through December 31, 2020. During 2020, the Plan made approximately 340 such distributions totaling approximately $8,074,000.

Forfeitures – At December 31, 2020, there were no forfeited nonvested accounts. At December 31, 2019, forfeited nonvested accounts totaled approximately $8,300. These accounts will be first used to pay administrative expenses of the Plan. Any remaining forfeited balances are utilized to reduce matching or discretionary contributions in the following plan year. During 2020, forfeitures of approximately $44,000 were used to pay plan expenses.

Lost Participants – In accordance with the Plan Agreement, the Plan administrator may forfeit the unclaimed distributed amount attributable to a lost participant or beneficiary, as defined. If the lost participant or beneficiary is located, the Plan will restore the forfeited amount to such participant or beneficiary.

NOTE 1 PLAN DESCRIPTION (Continued)

At December 31, 2020 and 2019, there were approximately $125,600 and $122,100, respectively, of forfeited accounts attributable to lost participants.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies followed by the Plan:

Basis of Accounting **–** The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates **–** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition **–** The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants **–** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are included as part of the principal balance of the loan and amounted to $8,150 for 2020. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement.

Payment of Benefits **–** Benefit payments to participants are recorded when paid.

Expenses **–** Certain expenses of maintaining the Plan are paid by the Plan, unless paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Recently Adopted Accounting Standards **–** In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. The primary focus of ASU 2018-13 is to improve the effectiveness of the disclosure requirements for fair value measurements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The amendments in ASU 2018-13 apply to all entities that are required, under existing U.S. GAAP, to make disclosures about recurring or nonrecurring fair value measurements. Certain of the disclosures that are required by the amendments in ASU 2018-13 are not required for nonpublic entities. ASU 2018-13 is effective for all entities for fiscal years beginning after December 15, 2019. ASU 2018-13 was adopted by the Plan on January 1, 2020 and did not have a material impact on the Plan's financial statements.

Subsequent Events – The Plan has evaluated subsequent events through July 29, 2021, the date the financial statements were available to be issued. See Note 10.

NOTE 3 CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments, interest, dividends, and other income for the year ended December 31, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Wells Fargo, the trustee of the Plan.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets
b. Quoted prices for identical or similar assets or liabilities in inactive markets
c. Inputs other than quoted prices that are observable for the asset or liability
d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 4 FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's mutual funds are Level 1 and comprise the Plan's assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTE 5 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Wells Fargo. Wells Fargo is the trustee and recordkeeper for the Plan, and therefore, these transactions qualify as party in interest transactions.

Wells Fargo provides certain administrative services to the Plan pursuant to a service agreement between the Company and Wells Fargo. Wells Fargo receives revenue from mutual fund service providers for services Wells Fargo provides to the funds. This revenue is used to offset certain amounts owed to Wells Fargo for its administrative services to the Plan.

If the revenues received by Wells Fargo from such mutual fund service providers exceeds the amount owed under the agreement, Wells Fargo remits the excess to the Plan's trust. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants.

For the year ended December 31, 2020, the excess amount was approximately $27,000, and is included in other income. This amount was allocated to the accounts of participants in 2020. The Plan or the Company may make a payment to Wells Fargo for administrative expense not covered by revenue sharing.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

During the year ended December 31, 2020, the Company failed to remit employee contributions, including loan repayments, of approximately $8,962,000, in a timely manner. The Company defined late remittances as any contributions that were not remitted within eight days of the payroll date.

NOTE 5 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (Continued)

The Company identified the untimely contributions and corrected them via the Department of Labor's (DOL) Voluntary Fiduciary Correction Program (VFCP) in December 2020. The Company received a letter from the DOL on March 19, 2021 stating that the actions complied with the requirements of the VFCP and will take no further action.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

On October 31, 2019, the Company completed the sale of Ontic Engineering and Manufacturing Inc., a former affiliated employer, to a third party. In connection with the sale, approximately 640 employees were terminated. Although not considered a partial termination of the Plan within the meaning of IRC Section 411(d)(3), affected participants became fully vested in their accrued benefits under the Plan via a Plan amendment. During December 31, 2020, affected participant account balances of approximately $3,808,000 were distributed from the Plan. At December 31, 2020 and 2019, amounts remaining in the Plan relating to affected participants approximate $4,708,000 and $8,339,000, respectively.

NOTE 7 INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined, and informed the Company by a letter dated March 4, 2014, that the Plan and related trust are designed in accordance with the applicable regulations of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. A tax position includes an entity's status as a tax-exempt entity. The Plan has evaluated each of its tax positions and has determined that no provision or liability is necessary due to the Plan's tax exempt status.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500, as of December 31:

	2020	2019
Net assets available for benefits per the financial statements	$ 282,546,167	$ 265,609,452
Less: contributions receivable	(309,598)	(292,261)
Net assets available for benefits per Form 5500	$ 282,236,569	$ 265,317,191

The following is a reconciliation of contributions per the financial statements to the Form 5500, for the year ended December 31, 2020:

Contributions per the financial statements	$ 17,696,429
Plus: contributions receivable - beginning of year	292,261
Less: contributions receivable - end of year	(309,598)
Contributions per Form 5500	$ 17,679,092

NOTE 10 SUBSEQUENT EVENTS

Effective April 1, 2021, the Plan name was changed to Signature Aviation Employees' Retirement Investment Plan. In addition, the trustee was changed to Fidelity Management Trust Company (Fidelity) and the Plan assets were transferred to Fidelity on the effective date.
