NOTE 1 - DESCRIPTION OF PLAN

The following description of the SDPMNA Savings and Retirement Plan and Trust (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan sponsored by Van Dorn Demag Corporation (Plan Sponsor), covering employees of Sumitomo (SHI) Demag Plastics Machinery North America, Inc. (Company) who have satisfied the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions: Eligible participants may elect to contribute an amount not less than one percent or greater than 75% of eligible pre-tax annual compensation up to the current Internal Revenue Service (IRS) limits for deferral and annual additions. Participants may also elect to contribute a portion of their annual compensation on an after-tax basis. Participants whom have elected to make tax deferred contributions as of March 31 of a particular plan year, effective as of the April 1, immediately preceding will have their contributions automatically increased by 1% to a maximum of 10%, unless the participant elects otherwise. The Plan allows participants after 90 days of service and the attainment of age 19 to rollover contributions from other qualified plans. The Plan provides for an employer Defined Contribution Retirement Benefit ("DCRB") contribution to all employees, which is three percent of eligible annual pre-tax compensation after 90 days of service and the attainment of age 19. Employees other than full-time (excluding leased employees) are eligible for the DCRB contribution after being credited with at least 1,000 hours of service during the initial consecutive twelve-month period commencing upon the participant’s date of hire, or on each anniversary date thereafter. The Company may make a discretionary matching contribution, however no such contributions were made for the Plan year ended December 31, 2020.

Participant Accounts: Each participant’s account is credited with the participant’s contributions and an allocation of (a) the DCRB contributions and (b) Plan earnings and is charged with his or her withdrawals and an allocation of (a) plan losses and (b) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. A participant is 100% vested in both employer discretionary matching and DCRB contributions after three years of credited service. Credited service for all employer contributions is defined as the initial twelve consecutive month period commencing upon the participants date of hire, or during any plan year thereafter in which the participant is credited with at least 1,000 hours of service.

Forfeitures: Forfeitures of Company contributions are used to offset future Company contributions. There were $34,507 of forfeitures used during 2020. There were no balances available as of December 31, 2020 and 2019.

Payment of Benefits: Upon termination of service, disability, retirement, or death, a participant will receive a distribution equal to the value of his or her vested interest in his or her account. Balances are generally paid as a single lump-sum distribution. The Plan also provides for 59 ½ in-service withdrawals.

Withdrawals: A financial hardship provision is available, enabling a participant to withdraw an amount to cover an immediate and heavy financial need.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Administrative and Investment Management Expenses: The Plan's administrative expenses are paid by the Company or the Plan. Administrative expenses paid include recordkeeping and custodian fees. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid through payroll deductions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value as further described in Note 5. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Estimates: The preparation of financial statements in conformity with U.S. GAAP principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures and actual results could differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Risk and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In December 2019, a novel strain of coronavirus surfaced in Wuhan, China, and has spread around the world, with resulting business and social disruption. The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020. The investment results of the Plan could be adversely affected. The extent to which the coronavirus (or any other disease or epidemic) impacts financial results will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others.

NOTE 3 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

NOTE 4 - UNAUDITED INFORMATION - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable included in the financial statements, including the associated investment income (loss) and interest earned on notes receivable from participants, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by T. Rowe Price Trust Company, the trustee of the Plan. This information has not been audited by independent accountants.

NOTE 5 - FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Accounting guidance establishes a fair value hierarchy which requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

> Level 1: Quoted prices (unadjusted) or identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
>
> Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
>
> Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The descriptions of the valuation methods and assumptions used by the Plan to estimate the fair value of investments are as follows:

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

(Continued)

NOTE 5 - FAIR VALUE MEASUREMENT (Continued)

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

The following tables present the fair value hierarchy for the balances of the assets of the Plan measured at fair values as of December 31, 2020 and 2019:

	Fair Value Measurements at December 31, 2020, Using			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	$ 17,888,422	$ 17,888,422	$ -	$ -
Collective Trusts*	4,200,986	-	-	-
Total	$ 22,089,408	$ 17,888,422	$ -	$ -

	Fair Value Measurements at December 31, 2019, Using			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	$ 15,988,316	$ 15,988,316	$ -	$ -
Collective Trusts*	4,150,919	-	-	-
Total	$ 20,139,235	$ 15,988,316	$ -	$ -

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. The Plan holds units of collective trusts issued by T. Rowe Price Trust Company and shares of mutual funds issued by T. Rowe Price, an affiliate of the Plan trustee. These transactions qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

(Continued)

NOTE 7 - TAX STATUS

The Plan is qualified under the provisions of the Internal Revenue Code (“IRC”) and is not subject to federal and state income taxes. Participating employees are not subject to federal and state income taxes on employer contributions, or on income accruing to their accounts, until they receive distributions from the Plan.

The Internal Revenue Service has determined and informed the Company by a letter dated August 2, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE 8 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through September 29, 2021, which is the date the financial statements were available to be issued.
