Note 1 - Plan Description

The following description of the Cell Phone Company Employee 401(k) Savings Plan (the Plan), formerly known as the Prime Communications 401(k) Plan, is provided for general information only. Participants should refer to the plan document for detailed information.

General

The Plan is a defined contribution plan covering employees of Prime Communications, L.P. (Plan Sponsor), and adopting employers Polaris – PC Management L.P, Sun Com Mobile, LLC and Prime Comms Retail, LLC (collectively, the Employer) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was adopted by the Employer on May 1, 2019.

Prime Communications, L.P. is named as the plan administrator. Wells Fargo Bank, N.A. (WFB) serves as the trustee of the Plan.

During 2020, the Prime Communications 401(k) Plan, an affiliated plan, merged into the Plan. Net assets equal to $7,644,632 were transferred into the Plan effective January 13, 2020. At that time, the name of the Plan was changed to Cell Phone Company Employee 401(k) Savings Plan.

Eligibility

Participation in the Plan is available for eligible employees who are 18 years or older and who have been employed for 60 days. The Plan includes a savings feature designed to permit the employee and the Employer to contribute to the Plan, as allowable under Section 401(k) of the Internal Revenue Code (IRC).

Contributions

Participant contributions consist of pre-tax and/or Roth elective deferral contributions. Participants may elect to defer up to 100% of their eligible compensation, as defined, subject to the limitations of the IRC. Eligible participants who have attained age 50 before the close of the plan year are eligible to make catch-up contributions subject to the limitations of the IRC. The Plan also accepts participant rollover contributions from other qualified plans or individual retirement accounts.

The Employer made safe harbor matching contributions to all eligible participants in an amount equal to 100% of the first 3% of the participant's eligible compensation contributed to the Plan and 50% of the next 2% of the participant's eligible compensation contributed to the Plan. The Employer amended the Plan to stop safe harbor matching contributions effective May 23, 2020. Additionally, the Employer may elect to make discretionary matching contributions. The Employer did not make discretionary matching contributions for the year ended December 31, 2020.

Vesting

Participants are always 100% vested in their contributions, safe harbor matching contributions, and accumulated earnings thereon. Employer matching contributions from the merged plan are subject to a three-year cliff schedule where the participant becomes 100% vested in the employer matching contributions upon completion of three years of vesting service. Regardless of the vesting schedule, participants become fully vested upon death, normal retirement or disability.

Forfeitures

There were $91,520 of forfeitures available at December 31, 2020. There were no forfeitures available at December 31, 2019. Forfeitures of $133,720 were transferred into the Plan as part of the merger. Forfeitures may be used to reduce future employer contributions or to offset plan expenses. Forfeitures of $121,836 were used to offset plan expenses for the year ending December 31, 2020. No forfeitures were used to reduce employer contributions for the year ending December 31, 2020.

Participant Accounts

Upon enrollment in the Plan, participants may direct the trustee with regard to the investment of their account balances into the various investment options offered by the Plan. Participants may change their investment elections at any time.

Under the Plan, earnings and losses are allocated to the participants' accounts daily based on their respective balances in the investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000 from their account balance. The respective note may not be more than 50% of the participant's vested account balance or $50,000 reduced by the highest outstanding note balance, if any, during the previous twelve months. The notes are secured by the vested balance in the respective participants' accounts. A participant may have only one loan outstanding at any time. Interest rates are based on the prime rate plus 2%. Principal and interest are repaid ratably through payroll deductions. Note terms are limited to five years unless for the purchase of a primary residence, in which case the term may be extended to ten years.

During 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) which provided the following benefits to eligible participants:

- The available loan amount was increased to the lesser of $100,000 or 100% of the participant's vested account balance for loans issued between March 27, 2020 to September 22, 2020.

- Loan repayments could be deferred through December 31, 2020 without causing the loan to become delinquent and go into default. In 2021, the participant's loan balance plus the interest accrued during the deferment period would re-amortize over the remaining term beginning January 1.

Benefit Payments

Distributions may be made to participants or their beneficiaries upon termination of employment, retirement, disability or death, as applicable. Withdrawals may be made by active participants upon attainment of age 59½ or due to financial hardship, subject to the provisions of the Plan. Upon termination, participants with an account balance of $1,000 or less shall receive an automatic lump sum distribution from the Plan. For participants who terminate with an account balance of more than $1,000 but less than $5,000, the plan administrator shall make a direct rollover into an individual retirement account. Withdrawals from the Plan may be subject to income tax on contributions and income earned.

Pursuant to the CARES Act, eligible plan participants were permitted to request up to $100,000 in coronavirus-related distributions, with a repayment option of up to three years. The ability to request the distributions ceased on December 31, 2020. For the year ended December 31, 2020, the Plan disbursed $3,060,647 of coronavirus-related distributions.

Note 2 - Summary of Accounting Policies

Basis of Accounting and Presentation

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes realized gains or losses on investments bought and sold during the year as well as unrealized gains or losses on the investments held at the end of the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2020 or 2019, no allowance for credit losses has been recorded, as the notes are collateralized by the participants' account balances. In general, notes receivable from participants are considered in default if a scheduled payment has not been received in the calendar quarter following the calendar quarter in which the payment was due. Defaulted notes are treated as distributions based upon the terms of the plan document when a distributable event has occurred.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Benefit Payments

Benefits paid to participants or beneficiaries are recorded when paid.

Administrative Expenses

Fees related to the administration of notes receivable from participants and certain other administrative and transactional fees are charged directly to the participant's account. Certain costs and expenses incurred in connection with the operation of the Plan are paid by the Plan, unless paid by the Employer, at its discretion. Investment related expenses are included in net appreciation or depreciation in the fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investment in various investment securities. Investment securities, in general, are exposed to certain risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with the Plan's investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the financial statements.

Subsequent Events

The plan administrator evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 1, 2021, which is the date the financial statements were available to be issued. See Note 10.

Note 3 - Information Certified by the Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained a certification from the trustee that all of the information provided is complete and accurate. Information included in the financial statements and accompanying notes to the financial statements as to investments, notes receivable from participants (December 31, 2020 only) , investment income, interest income on notes receivable from participants (January 13, 2020 through December 31, 2020 only), and all of the related information in the supplemental schedule of assets (held at end of year) is presented in reliance solely upon this certification.

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements, the accompanying notes and the supplemental schedule, as applicable.

Note 4 - Fair Value Measurements

GAAP provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: These funds are valued daily based upon their quoted market prices.

Common/Collective Trust Funds: These funds are valued at their net asset value (NAV) as determined by the issuer based on the value of each of the underlying investments, less applicable fees charged by the issuer. The NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the investment will be sold for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	**$29,653,149**	**$ -**	**$ -**	**$29,653,149**
Investments measured at NAV (practical expedient)				**1,150,941**
Total investments at fair value				**$30,804,090**

	December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$20,033,472	$ -	$ -	$20,033,472
Investment measured at NAV (practical expedient)				539,909
Total investments at fair value				$20,573,381

The following table provides additional information for the common/collective trust funds which are measured using NAV as a practical expedient as of December 31, 2020 and 2019. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

	Fair Value				
Investment Class	**2020**	2019	**Unfunded Commitments**	**Redemption Frequency**	**Redemption Notice Period**
Stable Value	**$ 1,150,941**	$ 539,909	None	Daily	Up to 12 months

Note 5 - Federal Income Tax

The Employer adopted a prototype plan offered by WFB. The prototype plan obtained its latest opinion letter on March 31, 2014, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The prototype plan has since been amended; however, the plan administrator, through the Plan's adoption of the prototype plan, believes that the Plan is designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note 6 - Party-in-Interest Transactions

The Plan engages in investment transactions with funds managed by WFB or an affiliate of WFB, a party-in-interest with respect to the Plan. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the IRC.

Note 7 - Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 8 - Reconciliation of the Financial Statements to the Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the net assets per the Form 5500 as of December 31, 2020 and 2019:

	December 31,	
	2020	2019
Net assets available for benefits per the financial statements	**$ 32,808,925**	$ 22,722,284

Less: Accumulated deemed distributions	**(14,815)**	(14,495)
Add: Excess contributions payable	**215,972**	9,201
Net assets per the Form 5500	**$ 31,755,939**	$ 21,520,225

A deemed loan distribution is defined as a participant loan defaulted and distributed for tax purposes, but not for financial statement purposes, as the participant is in default at year end but has not had a distributable event per the plan document.

The following is a reconciliation of the net increase prior to transfers in per the financial statements to the net income per the Form 5500 for the year ended December 31, 2020:

Net change in excess contributions payable		**206,771**
Net change in accumulated deemed distributions		**(320)**
Net income per the Form 5500	$	**3,675,955**

The following is a reconciliation of the transfers in from Prime Communications 401(k) Plan per the financial statements to the transfer of assets to this plan per the Form 5500 for the year ended December 31, 2020:

Transfers in from Prime Communications 401(k) Plan per the financial statements	$	**7,644,632**
Employer contributions receivable from transferred plan		**(1,154,664)**
Excess contributions payable from transferred plan		**69,791**
Transfers in/out of assets to this plan per the 5500	$	**6,559,759**

Note 9 - Nonexempt Transactions

As disclosed on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, there were unintentional delays in remitting $331,454 of participant contributions and $16,416 of participant loan repayments to the Plan during 2020. The plan administrator remitted $243 of lost earnings relating to $21,442 of participant contributions and $628 of participant loan repayments and is currently in the process of remitting lost earnings on the remaining participant contributions and loan repayments.

Note 10 - Subsequent Events

In January 2021, the Plan's trustee changed from WFB to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company.
