INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Harper Brothers Construction LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Harper Brothers Construction LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

6002 Rogerdale, Ste. 200 Houston, Texas 77072 Tel 281-759-1120 Fax 281-759-5500

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Harper Brothers Construction LLC 401(k) Plan

Report on the 2019 Financial Statement

We were engaged to audit the accompanying statement of net assets available for benefits of Harper Brothers Construction LLC 401(k) Plan (the "Plan"), as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the 2019 Financial Statement

Management is responsible for the preparation and fair presentation of the 2019 financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company (U.S.A.), an insurance company, except for comparing such information with the related information included in the 2019 financial statement. We have been informed by the plan administrator that the insurance company holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the insurance company as of December 31, 2019 that the information provided to the plan administrator by the insurance company is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for the 2019 Financial Statement

The form and content of the information included in the 2019 financial statement, other than that derived from the information certified by the insurance company, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

HARPER BROTHERS CONSTRUCTION LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Harper Brothers Construction LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Harper Brothers Construction LLC, Texas Wall Systems, LLC, HB Trenchless, LLC and HB Farmer Foundation, LLC (collectively, the "Company"), except union employees, leased employees, and nonresident aliens. Employees are eligible to participate on the first day of the calendar month of the plan year coinciding with, or next following, the completion of one month of service. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to make salary deferral contributions to the Plan up to 100% of their eligible compensation, subject to limits provided under the Internal Revenue Code (IRC). Participants who have obtained the age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute rollovers from other qualified plans.

The Company makes a safe harbor matching contribution equal to 100% of each participant's deferral contributions up 4% of eligible compensation each pay period. The Company may also make a discretionary profit sharing contribution at the end of the plan year. Participants must be employed on the last day of the plan year to receive the discretionary profit sharing contribution. There was no discretionary profit sharing contribution made for 2020.

The Plan is participant directed, and participants may change their contribution rates at the beginning of each month and investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and charged with any applicable administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their contributions, safe harbor matching contributions, and the appreciation or depreciation thereon. Vesting in the Company's discretionary profit sharing contribution portion of their accounts plus earnings thereon is based on years of continuous service. Participants vest 20% per year after one year of service and are 100% vested after five years of service. A participant shall be immediately vested upon death, retirement, or termination of employment due to total or permanent disability.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts

Forfeitures of nonvested Company contributions are used to reduce Company contributions to the Plan. There was no balance in the forfeiture account at December 31, 2020 and 2019. There were no forfeitures used during 2020.

Notes Receivable from Participants

Plan participants may borrow a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance in the Plan, reduced by the excess, if any, of the participant's highest outstanding loan balance during the one-year period ending on the day before the loan is issued. Loans are repaid in level installments through payroll deductions for periods ranging up to 5 years, or 15 years for the purchase of a primary residence. The loans bear interest at the effective prime rate plus 1% at the date of the loan and are secured by the participant's vested account to the extent of the principal amount of the loan plus accrued interest. Participants may have up to two loans outstanding.

Benefit Payments

Normal retirement age under the Plan is 65. Upon death, retirement, disability, or termination of employment, participants are eligible for a benefit payment. The Plan also allows for hardship and in-service distributions from a participant's vested account balance. The funds in a participant's account are distributed in a lump-sum payment or other form of payment as permitted by the terms of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested and would be entitled to benefits based on their account balances accumulated to the date of termination of the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. At December 31, 2020 and 2019, no allowance was considered necessary by management.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivable from participants, distributions, certain other transaction fees, and the general administration of the Plan are charged directly to the participants' accounts and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are measured at fair value using net asset value (NAV) per share as a practical expedient. The Plan's investments at fair value as of December 31, 2020 and 2019 are as follows:

	2020	2019
Pooled Separate Accounts	$6,094,538	$4,025,471

The investments in pooled separate accounts are valued using NAV as an estimate of fair value as reported by John Hancock Life Insurance Company (U.S.A.) based on the value of the underlying investments. The Plan has no unfunded commitments or contractual obligations to further invest in these accounts and there are no restrictions on redemption of these accounts.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2020 or 2019.

NOTE 4 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.), an insurance company, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, and the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2020, and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Plan investments are in pooled separate accounts managed by John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A.) qualifies as a party in interest. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction provisions.

NOTE 6 - INCOME TAX STATUS

The Plan has adopted a volume submitter prototype plan, which obtained its latest opinion letter dated September 30, 2014 in which the Internal Revenue Service (IRS) stated that the prototype document satisfies the applicable provisions of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 1, 2021, the date the financial statements were available to be issued.
